## Tribesigns Farmhouse Shoe Cabinet0283

# Tribesigns Farmhouse Shoe Cabinet Instruction Manual

Model: Farmhouse Shoe Cabinet0283

---

## 1. INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your Tribesigns Farmhouse Shoe Cabinet. Please read all instructions carefully before assembly and use to ensure safe and proper functionality.

The Tribesigns Farmhouse Shoe Cabinet is designed to offer versatile and space-saving storage for your footwear and other items. It features a 7-tier design with adjustable shelves, hidden doors, and a rustic brown finish with vintage metal handles, suitable for various home decors.

## 2. SAFETY INFORMATION

- **Weight Capacity:** Do not exceed the maximum weight capacity of 300 lbs (approximately 136 kg) for the entire cabinet. Each individual shelf has a weight limit of 15 lbs (approximately 6.8 kg).
- **Anti-Tipping Device:** It is crucial to secure the cabinet to the wall using the provided anti-tipping devices to prevent accidental tipping, especially in households with children or pets.
- **Small Parts:** Keep all small parts and packaging materials away from children during assembly to prevent choking hazards.
- **Stable Surface:** Assemble and place the cabinet on a flat, stable, and level surface.

### 3. PACKAGE CONTENTS

---

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer service.

- 1x Tall Shoe Cabinet (all necessary panels and hardware)
- 1x Assembly Guide
- 1x Installation Tool (e.g., Allen wrench)

### 4. ASSEMBLY INSTRUCTIONS

---

Assembly is required for this product. Please follow the step-by-step instructions provided in the included Assembly Guide. It is recommended to have two people for assembly to ensure ease and safety.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify each part using the labels in the Assembly Guide.
3. Follow the diagrams and instructions carefully to connect the panels and install hardware.
4. Once the cabinet structure is complete, install the anti-tipping device as detailed in Section 2 and the Assembly Guide.
5. Ensure all screws and fasteners are tightened securely before use.

Image 4.1: Detailed dimensions of the shoe cabinet, including overall size and internal shelf measurements, crucial for planning placement and understanding capacity.

## 5. USAGE AND OPERATION

The Tribesigns Farmhouse Shoe Cabinet is designed for versatile storage in various rooms such as entryways, closets, living rooms, and bedrooms.

### 5.1 Adjustable Shelves

The cabinet features multiple adjustable shelves, allowing you to customize the internal space to fit different types of footwear, from high heels and sneakers to tall boots. Simply remove the shelf pins, adjust

the shelf to the desired height, and reinsert the pins to secure it.

## Multiple Adjustable Shelves

Customize your storage to fit any shoe, tall or short

Image 5.1: Visual representation of the adjustable shelves, demonstrating their flexibility to store various shoe sizes and types, including tall boots.

### 5.2 Storage Capacity

The 7-tier design can efficiently hold approximately 21-28 pairs of shoes, depending on their size and arrangement. The cabinet also includes an open shelf in the middle and an open space at the bottom, providing additional areas for decorative items, frequently used shoes, or small storage baskets.

Image 5.2: The shoe cabinet in an entryway setting, highlighting the utility of the open middle shelf for decorative items and the bottom space for additional shoes.

### 5.3 Door Operation

The cabinet features hidden doors with vintage metal handles. These doors keep your shoes concealed and protected from dust, maintaining a neat and organized appearance in your living space. The doors are equipped with premium safety buffer hinges for smooth and quiet operation.

Image 5.3: Detailed view of the cabinet's hardware, including the hinges and handles, and a sample of the engineered wood material.

## 6. MAINTENANCE

To ensure the longevity and appearance of your Tribesigns Farmhouse Shoe Cabinet, follow these simple maintenance guidelines:

- **Cleaning:** The engineered wood surfaces are scratch-resistant and easy to clean. Wipe surfaces with a soft, slightly damp cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the finish.
- **Dusting:** Regularly dust the cabinet with a dry, soft cloth to prevent dust buildup.
- **Spills:** In case of spills, wipe them immediately with a dry cloth to prevent staining or damage to the wood finish.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

## 7. TROUBLESHOOTING

If you encounter any issues during the assembly or use of your Tribesigns Farmhouse Shoe Cabinet, please consider the following:

- **Assembly Difficulties:** Double-check the Assembly Guide to ensure all steps were followed correctly and all parts are oriented as shown in the diagrams. Ensure all hardware is fully tightened.
- **Stability Issues:** Verify that the cabinet is placed on a level surface. Ensure the anti-tipping device is properly installed and secured to the wall.
- **Damaged or Missing Parts:** If you received damaged parts or are missing components, do not proceed with assembly. Contact Tribesigns customer service for assistance.

## 8. SPECIFICATIONS

Feature	Detail
Brand	Tribesigns
