Zinus 90 x 190 x 15 cm Pocket Sprung Memory Foam Hybrid Mattress Instruction Manual

INTRODUCTION

This manual provides essential information for the proper setup, use, and maintenance of your Zinus 90 x 190 x 15 cm Pocket Sprung Memory Foam Hybrid Mattress. Designed for comfort and support, this mattress combines Bonnel springs with memory foam for a balanced sleep experience. Please read these instructions carefully to ensure optimal performance and longevity of your mattress.

KEY FEATURES

- **Hybrid Design:** Combines Bonnel springs for reliable support with memory foam for conforming comfort.
- **Medium Firmness:** Offers a balanced feel, suitable for various sleeping positions.
- **Optimal Breathability:** Quilted woven fabric cover promotes air circulation for a cooler sleep environment.
- **Even Weight Distribution:** Bonnel spring structure helps reduce pressure points.
- **Compact Delivery:** Mattress is rolled and compressed for convenient transport and setup.
- **Durable Construction:** Built to provide lasting comfort and support.

SETUP INSTRUCTIONS

Your Zinus mattress is delivered compressed and rolled in a box for ease of transport. Follow these steps for proper setup:

1. **Prepare the Area:** Choose a clean, flat surface, such as your bed frame or floor, where you intend to place the mattress. Ensure there is enough space around the area for unpacking.
2. **Remove from Box:** Carefully remove the rolled mattress from its packaging box. Do not use sharp objects that could cut the mattress fabric.
3. **Unroll the Mattress:** Place the rolled mattress on your bed frame. Carefully cut and remove the outer plastic wrapping. The mattress will begin to unroll.

4. **Remove Inner Plastic:** Once unrolled, carefully cut and remove the inner plastic layer. The mattress will immediately begin to expand.
5. **Allow for Expansion:** Allow the mattress to fully expand for 48 to 72 hours. While it may be used immediately, full expansion ensures optimal comfort and support. During this time, any new mattress odor will dissipate.

OPERATING INSTRUCTIONS

Once fully expanded, your Zinus mattress is ready for use. For optimal performance and longevity:

- **Suitable Bed Frame:** Place the mattress on a sturdy, supportive bed frame. A slatted base with slats no more than 3 inches apart, a platform bed, or a box spring in good condition are recommended.
- **Even Support:** Ensure the mattress is evenly supported across its entire surface to prevent sagging and maintain its structural integrity.
- **Rotation:** Rotate your mattress 180 degrees every 3-6 months. This helps distribute wear evenly and prolong the mattress lifespan. This mattress is not designed to be flipped.

MAINTENANCE

Proper care will help maintain the comfort and hygiene of your Zinus mattress:

- **Spot Cleaning:** For spills or stains, spot clean immediately using a mild detergent and a damp cloth. Avoid saturating the mattress. Blot dry thoroughly.
- **Protective Cover:** Using a mattress protector is highly recommended to shield against spills, stains, and allergens, extending the life of your mattress.
- **Ventilation:** Allow the mattress to air out periodically by removing bedding. This helps to dissipate moisture and maintain freshness.
- **Avoid Jumping:** Do not jump on the mattress, as this can damage the internal spring structure and void the warranty.

TROUBLESHOOTING

Issue	Possible Cause	Solution
New mattress odor	Common with new foam products (off-gassing).	Allow 48-72 hours for full ventilation in a well-aired room. The odor is harmless and will dissipate.
Mattress not fully expanding	Insufficient time for expansion or cold environment.	Ensure 48-72 hours for expansion. A warmer room temperature can aid expansion. Ensure all plastic packaging is removed.
Discomfort	Adjustment period or unsuitable bed frame.	Allow 2-4 weeks for your body to adjust to a new mattress. Verify your bed frame provides adequate and even support.

SPECIFICATIONS

Feature	Detail
Brand	Zinus
Model Number	ZE-MSSAO3ZC-06E
Size	90 x 190 cm
Product Dimensions (L x W x Th)	74.8"L x 35.43"W x 5.91"Th (190 cm x 90 cm x 15 cm)
