## Jocoevol B0FDVHMRKB

# Jocoevol 47-63 Inch Extendable Round Dining Table User Manual

Model: B0FDVHMRKB

## 1. PRODUCT OVERVIEW

---

The Jocoevol Extendable Round Dining Table is designed for versatility and space-saving functionality. It features an expandable tabletop, transitioning from a compact 47-inch round table to a spacious 63-inch oval table, accommodating 4 to 8 people. The table also includes a dust-proof 2-tier storage shelf discreetly built into its pedestal base.

### Key Features:

- **Extendable Design:** Easily converts from 47 inches (round) to 63 inches (oval) to accommodate varying seating needs.
- **Integrated Storage:** A 2-tier dust-proof shelf within the pedestal base provides convenient storage for dining essentials.
- **Durable Construction:** Crafted with a 36mm thickened MDF tabletop, offering heat-resistant, scratch-proof, and water-repellent properties.
- **Stable Pedestal Base:** Ensures stability and provides ample legroom.

### Product Dimensions:

- **Unextended:** 47"D x 47"W x 30"H
- **Extended:** 63"D x 47"W x 30"H
- **Item Weight:** 80 Pounds
- **Material:** Engineered Wood

## 2. SETUP AND ASSEMBLY

Assembly is required for this dining table. Please ensure all parts are present and undamaged before beginning. Clear instructions, numbered parts, and pre-drilled holes are provided to facilitate the process. A screwdriver is the recommended tool for assembly.

### Important Assembly Note:

Based on user feedback, it is recommended to adjust the assembly sequence for the pedestal base and decorative surround. First, assemble the pedestal box to the tabletop support box. Then, turn this assembly upside down. Install the grooved slats and doors around the pedestal. Finally, attach the round pedestal base. This sequence helps ensure a more secure fit for the decorative slats and doors.

### Assembly Steps:

- 1. Prepare Components:** Unpack all components and verify against the parts list.
- 2. Assemble Tabletop Support Box:** Connect the side panels (Part 8) to the bottom panel (Part 9) using dowels (C) and screws (D).
- 3. Attach Pedestal Base:** Secure the round pedestal base (Part 10) to the assembled tabletop support box using screws (E) and caps (F).
- 4. Install Storage Box:** Attach the storage box (Part 5) to the tabletop support box using screws (D).
- 5. Assemble Doors:** Attach the handles (H) to the door panels (Part 13) using screws (I).
- 6. Install Doors and Shelves:** Insert the adjustable plates (L) for the shelf (Part 11) and place the shelf. Install the door panels (Part 13) and the curved side panels (Part 12) into the grooves of the pedestal base.
- 7. Attach Tabletop Slides:** Secure the extension slides (Part 14) to the underside of the main tabletop sections (Part 1 and 2) using screws (J).
- 8. Connect Tabletop Sections:** Attach the main tabletop sections (Part 1 and 2) to the assembled base, ensuring the extension slides align. Secure with screws (K).
- 9. Install Extension Leaves:** Place the extension leaves (Part 3 and 4) into the center of the table when expanding.

### 3. OPERATING INSTRUCTIONS

---

#### Extending the Table:

1. Ensure the table is clear of items.
2. Locate the locking mechanisms or clips underneath the tabletop. Unlock them if present.
3. Gently pull the two halves of the tabletop apart. The smooth slide rails will guide the sections.
4. Retrieve the extension leaves (Part 3 and 4) from their storage location (if applicable) or from a separate storage area.
5. Place the extension leaves into the gap created between the two tabletop halves. Ensure they sit flush and are properly aligned.
6. Push the tabletop halves back together until they meet the extension leaves and lock securely into place.

Figure 2: Detail of the smooth slide rail and secure lock system, facilitating effortless table extension and retraction.

#### Retracting the Table:

1. Clear the table surface.
2. Unlock the tabletop sections.
3. Gently pull the tabletop halves apart to create a gap.
4. Remove the extension leaves. Store them safely to prevent damage.
5. Push the main tabletop halves back together until they form a compact round shape and lock them.

#### Using the 2-Tier Storage Shelf:

The pedestal base features two sliding doors that conceal a 2-tier storage shelf. To access, gently slide the doors open. To close, slide them back until they meet in the center. The shelf is ideal for storing cutlery, napkins, small dishes, or other dining accessories.

## 4. MAINTENANCE

---

Proper care will ensure the longevity and appearance of your Jocoevol dining table.

- **Cleaning:** Wipe the table surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Spills:** Promptly clean up any spills to prevent staining or water damage, especially since the table is water-repellent but not entirely waterproof.
- **Heat Protection:** Although the tabletop is heat-resistant, it is recommended to use placemats or coasters for hot dishes to prevent potential damage.
- **Scratch Prevention:** Use placemats or tablecloths to protect the surface from scratches. Avoid dragging sharp objects across the tabletop.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the wood finish.
- **Humidity:** Maintain a stable humidity level in the room to prevent warping or cracking of the engineered wood.
- **Hardware Check:** Periodically check and tighten all screws and fasteners to ensure the table remains stable.

## 5. TROUBLESHOOTING

---

If you encounter any issues with your dining table, refer to the following common solutions:

Problem	Possible Cause	Solution
Table wobbles or is unstable.	Loose fasteners; uneven floor.	Check and tighten all screws and bolts. Ensure the table is on a level surface. Adjust leg levelers if available.
Tabletop extension mechanism is stiff or difficult to operate.	Dust or debris in the slide rails; misaligned parts.	Clean the slide rails with a dry cloth. Ensure all parts are correctly aligned as per assembly instructions. Apply a silicone-based lubricant if necessary (avoid oil-based lubricants).
Storage doors do not slide smoothly.	Obstruction in the track; misaligned doors.	Check for any debris in the door tracks. Ensure the doors are properly seated in their tracks. Verify that the pedestal base and storage box were assembled correctly.
Missing or damaged parts upon arrival.	Shipping damage; packaging error.	Do not proceed with assembly. Contact customer support immediately with details of the missing/damaged parts.

## 6. SPECIFICATIONS

---

Attribute	Detail
Brand	Jocoevol
Model Name	dining table for 4
Product Dimensions (Unextended)	47"D x 47"W x 30"H
Product Dimensions (Extended)	63"D x 47"W x 30"H
