

## TOOLF TF831166

# TOOLF 12-Drawer Storage Cabinet (Model TF831166) Instruction Manual

This manual provides essential information for the assembly, operation, and maintenance of your TOOLF 12-Drawer Storage Cabinet.

## IMPORTANT SAFETY INFORMATION

---

- Read all instructions carefully before assembly and use.
- Ensure all parts are securely fastened before placing items in or on the cabinet.
- Do not overload drawers or the top surface. Refer to the 'Specifications' section for weight limits.
- Keep small parts and packaging materials away from children during assembly.
- Place the cabinet on a flat, stable, and level surface to prevent tipping.
- Use the provided anti-tip kit to secure the cabinet to a wall, especially in households with children or pets.

## PACKAGE CONTENTS

---

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

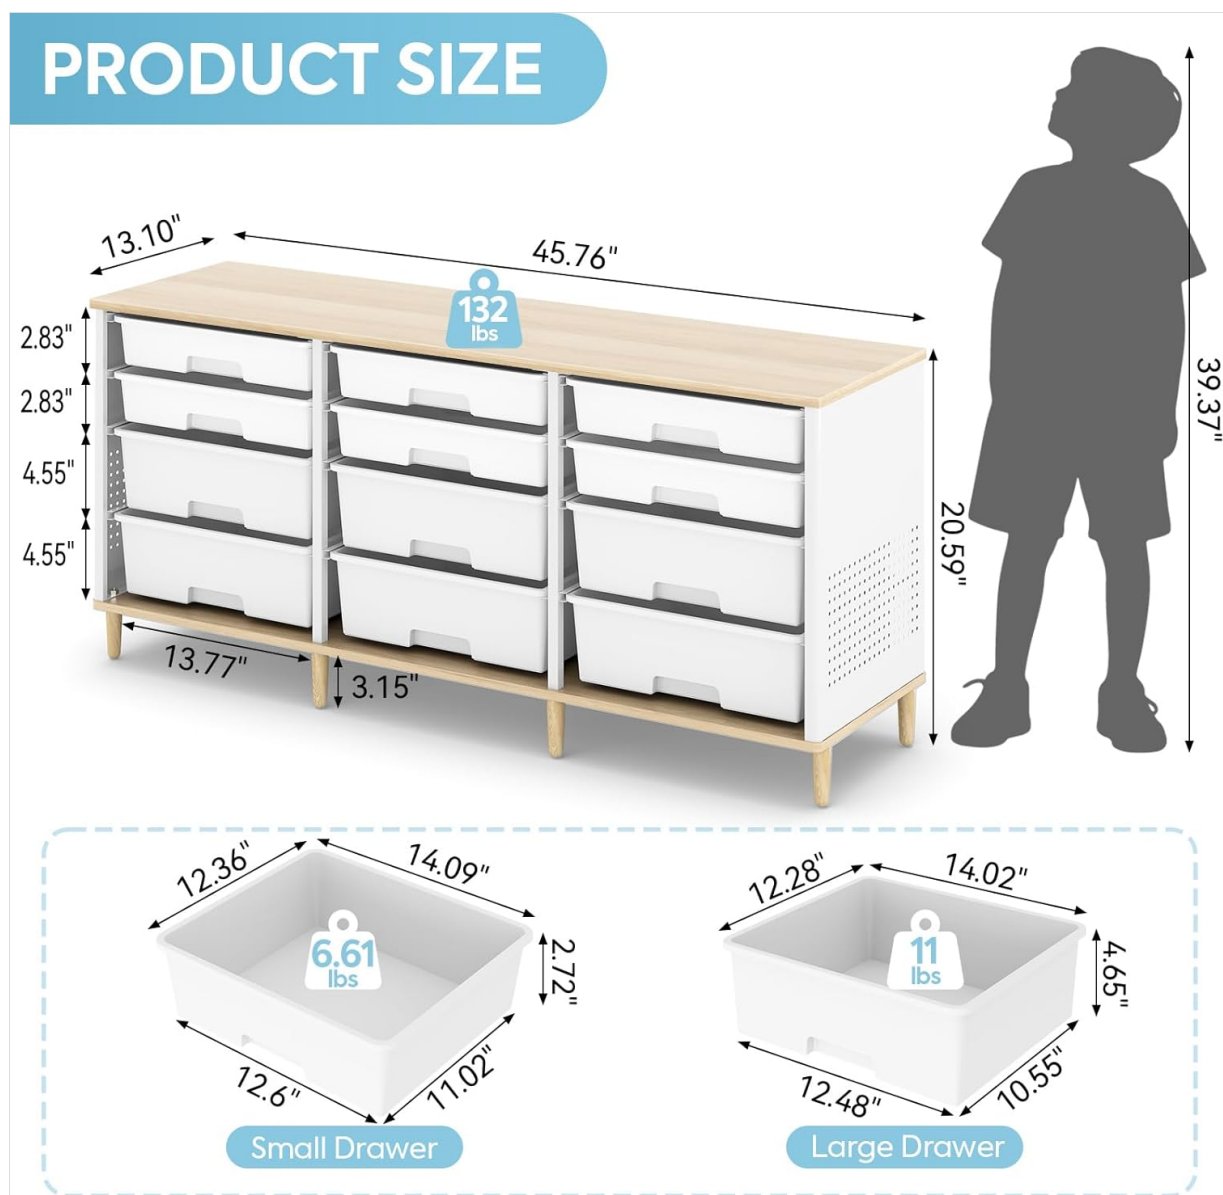

- Wooden Top Panel (x1)
- Bottom Shelf Panel (x1)
- Metal Frame Components (Side panels, internal dividers)
- Wooden Legs (x6)
- Plastic Drawers (6 shallow, 6 deep)
- Assembly Hardware (Screws, Allen wrench, etc.)
- Anti-tip Kit (x1)

## ASSEMBLY INSTRUCTIONS

---

Follow these steps carefully for proper assembly. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Step 1: Attach Wooden Legs to Bottom Shelf.** Secure the wooden legs to the designated points on the underside of the bottom shelf panel using the provided hardware. Ensure they are tightened firmly.
2. **Step 2: Assemble the Metal Frame.** Connect the metal side panels and internal dividers to the bottom shelf. Use the provided screws and Allen wrench. Do not overtighten initially.
3. **Step 3: Place the Wooden Top Panel.** Carefully align the wooden top panel with the assembled metal frame and secure it with the remaining hardware. Once all components are aligned, tighten all screws on the frame and top panel.
4. **Step 4: Insert Plastic Drawers.** Slide the plastic drawers into their respective slots within the metal frame. The shallow drawers are designed for the upper rows, and the deep drawers for the lower rows.
5. **Step 5: Install Anti-tip Kit.** Follow the specific instructions included with the anti-tip kit to securely fasten the cabinet to a wall. This step is crucial for safety.

**Image:** Product dimensions and drawer sizes. This image illustrates the overall dimensions of the assembled cabinet and the individual measurements for both shallow and deep plastic drawers.

## OPERATING INSTRUCTIONS

- **Drawer Use:** Gently pull and push drawers to access contents. Avoid forcing drawers if they feel stuck. Ensure items are not obstructing the drawer's movement.
- **Weight Distribution:** Distribute weight evenly across drawers and the top surface to maintain stability and prevent damage.
- **Top Surface:** The wooden top surface can be used for displaying items or as a workspace. Avoid placing excessively hot or wet items directly on the surface without adequate protection.

**Image:** Example of items stored in the drawers. This image shows the cabinet in use, with different types of items organized within the plastic bins, demonstrating its storage versatility.

## MAINTENANCE AND CARE

---

- **Cleaning:** Wipe the wooden top and metal frame with a soft, damp cloth. For plastic drawers, mild soap and water can be used. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Clean spills immediately to prevent staining or damage to the wooden surfaces.
- **Inspection:** Periodically check all fasteners to ensure they remain tight. Retighten if necessary to maintain the cabinet's stability.
- **Drawer Removal:** Drawers can be fully removed for thorough cleaning or reorganizing contents.

**Image:** Features of the wooden desktop. This image highlights the durable and easy-to-clean nature of the cabinet's wooden top surface.

## TROUBLESHOOTING

- **Drawers stick or do not slide smoothly:** Ensure the metal frame is assembled correctly and all screws are tightened. Check for any obstructions in the drawer tracks.
- **Cabinet feels wobbly:** Verify that all wooden legs are securely attached and all frame screws are tightened. Ensure the cabinet is on a level surface. If wobbling persists, check the anti-tip kit installation.
- **Missing parts:** Refer to the 'Package Contents' section. If parts are missing, contact TOOLF customer support with your product model number and purchase details.

## SPECIFICATIONS

Feature	Detail
Model Number	TF831166
Dimensions (D x W x H)	13.12" x 45.67" x 20.59"
Material	Metal, Plastic, Wood
Number of Drawers	12 (6 shallow, 6 deep)
Color	White
