Qecnato Q77

Qecnato Q77 Open Ear Headphones User Manual

Model: Q77 | Brand: Qecnato

1. INTRODUCTION

Thank you for choosing the Qecnato Q77 Open Ear Headphones. These earbuds are designed to provide a comfortable listening experience while keeping you aware of your surroundings. Featuring Bluetooth 5.4 connectivity, IPX7 waterproofing, and a long-lasting battery, they are ideal for sports, work, and daily use. Please read this manual carefully to ensure proper use and optimal performance.

2. PACKAGE CONTENTS

Ensure all items are present in your package:

- Open Ear Earbuds x1 pair
- LED Charging Case x1
- USB-C Charging Cable x1
- User Manual x1

Qecnato

Open-Ear Comfort, Ultimate Sound.

3. PRODUCT OVERVIEW

Earbud Design and Features

The Qecnato Q77 earbuds feature an open-ear design that rests outside your ear canal, providing comfort and situational awareness. Each earbud weighs approximately 6.9g and is made with ultra-soft, skin-friendly liquid silicone for a breathable, pressure-free fit. The ergonomic design ensures a secure hold, even during intense activities.

 A composite image featuring a man in a purple shirt cycling while wearing the headphones. Three callout boxes are overlaid on the image, each with a title and descriptive text:

- Detailed Sound That's Unheard**
HD Voice Capture
- High-frequency unit**
The independent high-frequency unit delivers pure, rich sound.
- 14.2mm Low-frequency unit**
deep, rich bass that remains clear even at maximum volume.
- Independent Anti-leakage Sound**
Provides strong and stable high-frequency output, providing more sound details
- Less sound leakage**
Customized racetrack-shaped sound driver unit with custom composite diaphragm

Sound Technology

Equipped with custom 14.2mm racetrack drivers and a composite diaphragm, these earbuds deliver deep bass,

crisp highs, and balanced audio. The anti-leakage design helps maintain audio privacy.

Charging Case

The compact charging case provides additional battery life, extending total playtime up to 50 hours. It features a USB-C port for fast charging.

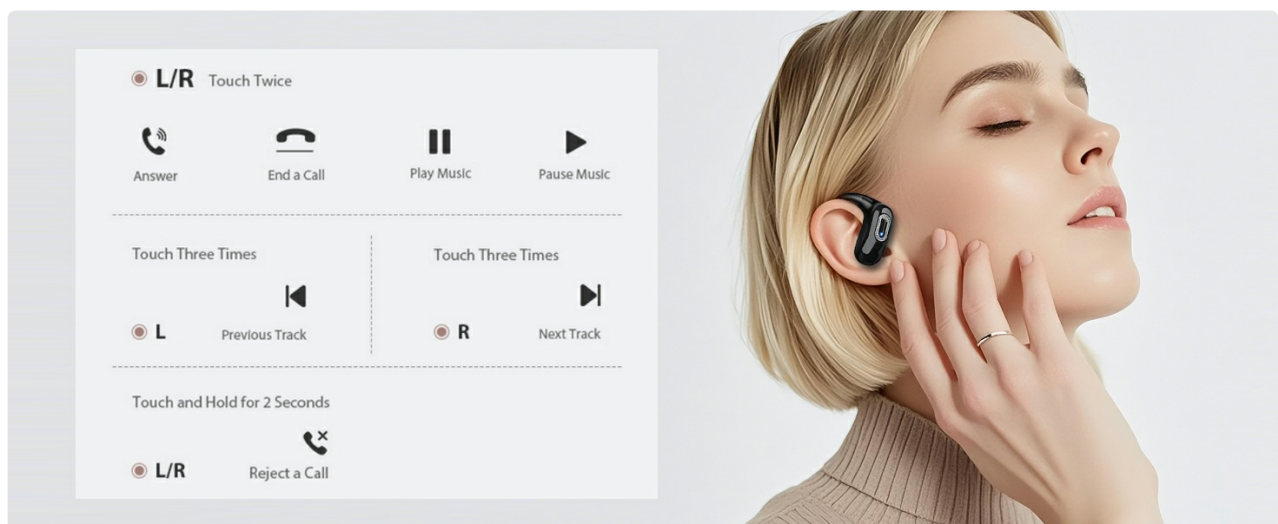

Image: The charging case provides up to 50 hours of total playtime.

4. SETUP

4.1 Charging the Earbuds and Case

1. Place the earbuds into the charging case. Ensure they are correctly seated.
2. Connect the USB-C charging cable to the port on the back of the charging case and to a power source.
3. The LED indicator on the case will show charging status. A full charge provides up to 8 hours of earbud use, with the case offering multiple recharges for a total of 50 hours.

4.2 Bluetooth Pairing

1. Open the charging case. The earbuds will automatically enter pairing mode, indicated by flashing lights.

2. On your smartphone or Bluetooth-enabled device, go to Bluetooth settings.
3. Select "Q77" from the list of available devices to connect.
4. Once connected, the earbud indicator lights will stop flashing.

Stay Aware, Everywhere Stay connected with your favorite audio and yoursurroundings at the same time.

Image: Bluetooth 5.4 technology ensures fast and stable pairing with your devices.

4.3 Wearing the Earbuds

The Q77 earbuds are designed to hook over your ear for a secure and comfortable fit without entering the ear canal.

1. Take out the earbuds from the charging case.
2. Hook the earbud over your ear, ensuring the sound opening aligns directly with your ear canal.
3. Rotate the earbud backward along the auricle to achieve a snug and comfortable fit.

IDEAL FRIEND IN LIFE, BRINGING YOU RELAXATION AND VITALITY

5. OPERATING INSTRUCTIONS

5.1 Touch Controls

The Q77 earbuds feature smart touch controls for easy management of audio and calls:

Action	Function
Touch L/R Twice	Answer / End a Call, Play / Pause Music
Touch L Three Times	Previous Track
Touch R Three Times	Next Track
Touch and Hold L/R for 2 Seconds	Reject a Call

IPX7 Water Resistance

IPX7 Sweating it out during a workout or caught in a sudden drizzle? Our headphones keep you going strong.

5.2 Making Calls

The Q77 headphones feature dual-mic noise cancellation, ensuring clear voice transmission even in noisy environments.

- Open Ear Earbuds x1
- User manual x1
- USB-C Charging Cable x1
- LED Charging Case x1

Image: Dual-mic noise cancellation ensures clear calls in various settings.

6. MAINTENANCE

6.1 Cleaning

Regularly clean your earbuds and charging case with a soft, dry cloth. Avoid using harsh chemicals or abrasive

materials.

6.2 Water Resistance (IPX7)

The Q77 earbuds are IPX7 waterproof, meaning they can withstand sweat and rain. However, they are not designed for swimming or submersion in water for extended periods. Ensure the earbuds are dry before placing them back in the charging case to prevent damage.

Breathable Moment

More Transparent and Comfortable for Ears

Image: IPX7 water resistance protects against sweat and splashes.

7. TROUBLESHOOTING

- **No Sound:** Ensure earbuds are charged and properly paired. Check device volume and earbud placement.
- **Pairing Issues:** Turn off Bluetooth on your device, then turn it back on. Reset the earbuds by placing them in the case and closing it for a few seconds, then try pairing again.
- **Charging Problems:** Verify the USB-C cable and power adapter are working. Ensure the charging contacts on the earbuds and case are clean and free of debris.
- **Uncomfortable Fit:** Adjust the earbud's position on your ear until a comfortable and secure fit is achieved. Refer to the 'Wearing the Earbuds' section.
