

Noble FoKus Amadeus

# Noble Audio FoKus Amadeus User Manual

Model: FoKus Amadeus | Brand: Noble

## INTRODUCTION

The Noble Audio FoKus Amadeus are True Wireless Stereo (TWS) Bluetooth in-ear headphones designed to deliver high-fidelity audio with advanced features such as Audiobook Personal Sound calibration. These headphones offer a premium listening experience with robust connectivity and intuitive controls, suitable for music enjoyment and communication.

Image: The Noble Audio FoKus Amadeus earbuds, featuring a distinctive red and black design, are shown resting within their compact charging case. The case is open, revealing the earbuds and internal charging contacts.

## WHAT'S IN THE BOX

Verify that all components are present in the packaging:

- 1 Pair of FoKus Amadeus Earphones
- 1 Charging Case
- 1 Type-C Charging Cable
- 1 Velvet Bag
- 6 Pairs of Ear Tips: double-fringe (S, M, L) and silicone (S, M, L)

Image: A close-up view of the Noble Audio FoKus Amadeus earbuds nestled within their open charging case. The red interior of the case and the red faceplates of the earbuds are visible, along with the charging pins.

## SETUP

### 1. Charging the Device

Before first use, fully charge both the earbuds and the charging case. Connect the provided Type-C charging cable to the charging case and a compatible USB power source. The indicator lights on the case will show the charging status. The carrying case battery capacity is 500 mAh, and it takes approximately 2 hours to fully charge.

### 2. Initial Bluetooth Pairing

1. Ensure the earbuds are in the charging case and the case has sufficient charge.
2. Open the charging case lid. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
4. Select "FoKus Amadeus" from the list of found devices to connect.
5. Once connected, a confirmation sound will play, and the earbuds will be ready for use.

### 3. Audiодо Personal Sound Calibration

The FoKus Amadeus features Audiодо Personal Sound, which analyzes your hearing and creates a personalized sound profile. This profile is stored directly on the earbuds.

- Download the official Noble Audio companion application from your device's app store.
- Connect your FoKus Amadeus earbuds to the app.
- Follow the in-app instructions to perform the Audiодо hearing test and create your personalized sound profile.
- Once set up, the profile is applied automatically, and the app is not required for everyday use.

## OPERATING INSTRUCTIONS

### Touch Controls

The FoKus Amadeus earbuds feature touch-sensitive controls for various functions. Specific gestures (single tap, double tap, long press) control playback, call management, and voice assistant activation. Refer to the quick start guide included with your product for detailed touch control mappings.

## Audio Playback

The earbuds support high-resolution audio codecs including SBC, AAC, aptX Adaptive, and LDAC, ensuring excellent audio quality for music and other media. They are equipped with Bluetooth 5.4 for stable and efficient wireless communication.

Image: A graphic illustrating the internal components of an earbud, emphasizing features like Deep Bass, SBC/AAC HD Audio, and HiFi Stereo Sound, highlighting the product's high stereo sound quality.

## Call Management

Dual microphones with cVc noise cancelling technology are integrated to ensure clear voice pick-up during calls and virtual meetings, even in environments with background noise.

## Advanced Connectivity

The FoKus Amadeus supports TrueWireless Mirroring for seamless connection and multi-point pairing, allowing simultaneous connection to two devices.

## MAINTENANCE

### Cleaning

- Regularly clean the earbuds, especially the ear tips and charging contacts, with a soft, dry, lint-free cloth.
- Remove ear tips and clean any earwax or debris from the earbud nozzles using a small brush or cotton swab.
- Do not use abrasive cleaners, alcohol, or chemical solvents.

### Storage

When not in use, store the earbuds in their charging case to protect them from dust, damage, and to keep them charged. Store the case in a cool, dry place away from direct sunlight and extreme temperatures.

## TROUBLESHOOTING

## No Sound / Intermittent Sound

- Ensure earbuds are fully charged.
- Check Bluetooth connection on your device. Try disconnecting and reconnecting.
- Move closer to your device to avoid interference.
- Restart your audio source device.

## Earbuds Not Pairing

- Ensure earbuds are in pairing mode (open case lid).
- Turn off Bluetooth on other nearby devices that might be trying to connect.
- Forget the device from your phone's Bluetooth settings and try pairing again.

## Charging Issues

- Ensure the charging cable is securely connected to both the case and the power source.
- Check the charging contacts on both the earbuds and inside the case for any debris or obstruction. Clean gently if necessary.
- Try a different USB port or power adapter.

## SPECIFICATIONS

Feature	Detail
Model Name	FoKus Amadeus
Connectivity Technology	Bluetooth, Wireless
Wireless Communication Technology	Bluetooth 5.4
Audio Codecs Supported	SBC, AAC, aptX Adaptive, LDAC
Noise Control	Sound Isolation
Frequency Range	20 Hz - 20 KHz
Sensitivity	113 dB
Impedance	37 Ohm
Control Type	Touch Control
Microphone	Dual microphones with cVc noise cancelling
Carrying Case Battery Capacity	500 Milliamp Hours
Carrying Case Charging Time	2 Hours
Material	Aluminum
Item Weight	7.4 ounces (0.21 Kilograms)
