INTRODUCTION

This instruction manual provides detailed guidance for the assembly, operation, and maintenance of your chartustriable Armoire Wardrobe Closet. Please read this manual thoroughly before beginning assembly or use to ensure proper function and safety. Keep this manual for future reference.

IMPORTANT SAFETY INFORMATION

Always assemble the product according to the instructions provided. Use appropriate tools, such as a power drill, for assembly. Keep the product away from heat sources and do not place heavy objects on top of it. Ensure the product is stable and secure before use. Never mount the product on walls or other surfaces. Keep the product away from children and pets to prevent tip-over hazards.

PACKAGE CONTENTS

Before assembly, verify that all components listed in the included assembly instructions are present and undamaged. The package typically includes:

- Engineered wood panels for the frame, doors, and drawers
- Woven door inserts
- Mirror panel
- Hanging rod
- Sliding drawer mechanisms
- Rust-proof metal handles
- Wide-angle hinges
- Smart LED light unit
- All necessary hardware (screws, dowels, etc.)
- Detailed assembly instructions

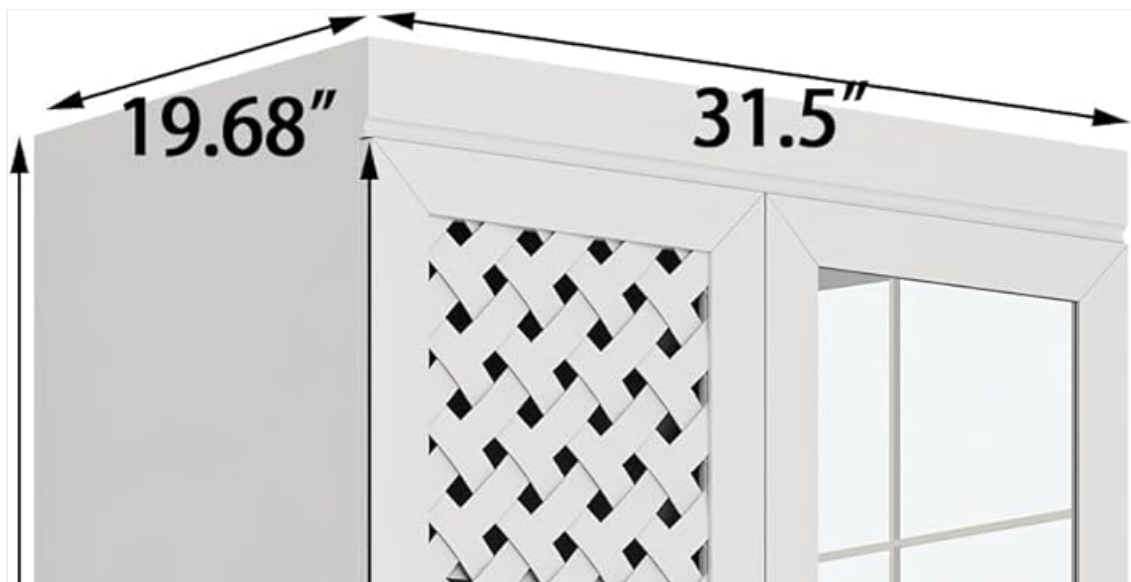

SETUP AND ASSEMBLY

The chartustriable Armoire Wardrobe Closet is designed for straightforward assembly. Detailed instructions are included with the product. It is recommended to use an electric drill for improved installation efficiency. Ensure you have adequate space and a clean, flat surface for assembly.

1. **Unpack and Identify Components:** Carefully unpack all parts and lay them out. Refer to the parts list in your assembly manual to identify each component.
2. **Assemble the Frame:** Follow the step-by-step diagrams to construct the main frame of the wardrobe using the provided hardware.
3. **Install Drawers:** Assemble the sliding drawers and install them into their designated slots at the bottom of the wardrobe.
4. **Attach Doors:** Secure the woven doors and the mirrored door using the wide-angle hinges. Ensure they open and close smoothly.
5. **Install Hanging Rail and Shelves:** Place the hanging rod and any adjustable shelves in their desired positions within the upper section.
6. **Install LED Light:** Mount the smart LED light unit in the upper section as per the instructions.
7. **Final Checks:** Once assembled, ensure all screws are tightened, and the wardrobe is stable and level.

Storage and Organization

This wardrobe offers a large capacity storage design, measuring 31.5 inches x 19.68 inches x 75.6 inches. The interior is designed to accommodate various items:

- **Hanging Rail:** Use the sturdy hanging rail for clothes, including maxi dresses.
- **Shelves:** Utilize the internal shelves for folded items such as bedding, sweaters, and other apparel.
- **Drawers:** The bottom sliding drawers provide smooth operation and are ideal for storing smaller items like socks, underwear, and accessories.

Smart LED Light Operation

The built-in smart LED light provides illumination within the wardrobe. Follow these steps to operate the sensor light:

Figure 4: A visual guide detailing the operation of the built-in sensor light.

1. **Constant Light Mode:** Short press the button once. The light will turn on and remain constant.
2. **Night Sensing Mode:** Short press the button a second time. The light will flash twice, indicating it is in night sensing mode. In this mode, the light activates when motion is detected in low light conditions.
3. **All-Day Sensing Mode:** Short press the button a third time. The light will flash four times, indicating it is in all-day sensing mode. In this mode, the light activates when motion is detected regardless of ambient light.
4. **Turn Off:** Short press the button a fourth time to turn the light off.
5. **Adjust Brightness:** Long press the button to adjust the brightness level.

Charging Tips: The red light turns on when charging and turns off (or the green light turns on) when fully charged. Do not use a charger with a voltage higher than 5V to charge the LED light unit.

MAINTENANCE

Regular maintenance helps preserve the appearance and functionality of your wardrobe.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish or woven doors.
- **Mirror Care:** Clean the mirror with a standard glass cleaner and a lint-free cloth.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary to maintain stability.
- **Drawer Slides:** If drawers become stiff, a small amount of silicone lubricant can be applied to the slides.
- **LED Light:** Ensure the LED light is charged as needed.

TRUBLESHOOTING

Problem	Possible Cause	Solution
Doors do not close smoothly or are misaligned.	Hinges are loose or improperly adjusted.	Check and tighten all hinge screws. Adjust hinges as per assembly instructions for proper alignment.
Drawers stick or are difficult to open/close.	Drawer slides are misaligned or need lubrication.	Ensure drawers are correctly seated on their slides. Apply a small amount of silicone lubricant to the drawer slides.
LED light is not working.	Battery is low or discharged; incorrect mode selected.	Charge the LED light unit using a 5V charger. Refer to the "Smart LED Light Operation" section to select the correct mode.
Wardrobe feels unstable.	Loose fasteners; uneven floor.	Check and tighten all assembly screws. Ensure the wardrobe is placed on a level surface.
