VIAGDO bunk bed twin over twin

VIAGDO Twin Over Twin Bunk Bed Instruction Manual

Model: bunk bed twin over twin

1. INTRODUCTION

Thank you for choosing the VIAGDO Twin Over Twin Bunk Bed. This manual provides essential information for the safe assembly, operation, and maintenance of your new bunk bed. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. IMPORTANT SAFETY INFORMATION

To ensure safe use of this bunk bed, please adhere to the following guidelines:

- **Maximum Weight Capacity:** The top bunk has a weight limit of 400 pounds. The bottom bunk also has a weight limit of 400 pounds. Do not exceed these limits.
- **Top Bunk Age Restriction:** The top bunk is not suitable for children under 6 years of age.
- **Guardrails:** Always use the full-length guardrails on the top bunk to prevent accidental falls. Ensure the mattress top is at least 5 inches below the top edge of the guardrail.
- **Anti-Tipping Device:** Securely attach the anti-tipping device to a wall stud as instructed during assembly to prevent the bed from toppling.
- **Mattress Grippers:** The lower bunk bed includes non-slip mattress grippers to keep the mattress firmly in place.
- **Ladder Safety:** Always use the ladder for access to the top bunk. Ensure the ladder is securely attached before use.
- **No Horseplay:** Prohibit jumping on the bed or engaging in rough play on or under the bunk bed.
- **Ventilation:** Ensure adequate ventilation around the bed, especially if using the LED lights for extended periods.

- **Assembly:** Follow all assembly instructions precisely. Do not substitute parts. Two adults are recommended for assembly.

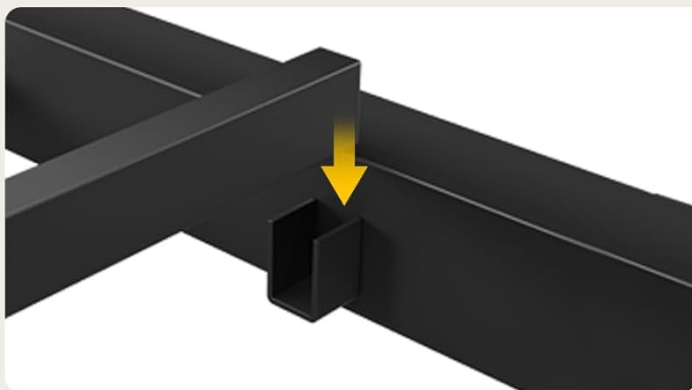

Anti-Tipping Device

secured the loft bed to the wall and prevent toppling

Full Length Safety Guardrail

prevent rolling or falling out of the top bunk bed

Plug-in Assembly

easy installation process saves more time and energy

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. Refer to the detailed parts list provided in your separate assembly manual for specific quantities and identification. Key components include:

- Bed Frames (Upper and Lower)
- Guardrails
- Ladder
- Desk Surface
- Fabric Drawers (3 units)
- Storage Shelves and Boxes

- Charging Station Unit
- LED Light Strip and Controller
- Slat System for both bunks
- Assembly Hardware (screws, bolts, nuts, etc.)
- Tools for Assembly (Allen wrench, etc.)
- Anti-Tipping Hardware

4. SETUP AND ASSEMBLY

Detailed, step-by-step assembly instructions are provided in a separate manual included with your product. Please follow those instructions carefully. The following is a general overview and important considerations:

1. **Preparation:** Clear a spacious area for assembly. Lay out all parts and hardware, matching them against the parts list in your dedicated assembly manual.
2. **Frame Assembly:** Begin by assembling the main bed frames according to the instructions. The design features a plug-in assembly for ease of installation.
3. **Ladder Attachment:** Securely attach the ladder to the designated side of the bunk bed.
4. **Desk and Storage Installation:** Install the desk surface, utility shelf, and headboard storage boxes.
5. **Charging Station Integration:** Integrate the charging station into the desk as specified.
6. **LED Light Installation:** Attach the LED light strip to the designated area, typically under the top bunk or around the desk.
7. **Slat System:** Install the metal slat system for both the upper and lower bunks. Ensure all slats are properly secured.
8. **Guardrails:** Attach the full-length guardrails to the top bunk.
9. **Anti-Tipping Device:** Crucially, install the anti-tipping device by securing it to a wall stud. This prevents accidental tipping.
10. **Final Checks:** Double-check all connections and hardware to ensure they are tight and secure. Verify the bed is stable and level.

Note: Two adults are recommended for assembly. Do not overtighten screws. Protective plastic floor caps are pre-installed to prevent scratches and reduce noise.

5. OPERATING INSTRUCTIONS

5.1. Charging Station

The integrated charging station provides convenient power access for your electronic devices.

- **Power Connection:** Ensure the bunk bed's power cord is plugged into a standard 120V AC wall outlet.
- **Outlets:** The station includes 2 AC outlets (125V/12A) for laptops or other appliances.
- **USB Ports:** It features 1 standard USB port (5V/2A) and 1 fast-charging Type-C port (5V/3A) for mobile devices.
- **Usage:** Simply plug your devices into the appropriate outlets or ports to charge.

5.2. LED Lights

The LED light strip provides customizable ambient lighting for the desk area and surrounding space.

- **Control:** The LED lights can be controlled via a dedicated smartphone app or the included remote control.
- **Color Customization:** Use the app or remote to select from a wide range of RGB colors.
- **Dynamic Effects:** Choose from various dynamic lighting effects to suit your mood or activity.
- **Music Sync Mode:** Activate music sync mode to have the lights pulse and change with the rhythm of your

music.

- **Scheduling:** The app allows you to schedule on/off times for the lights.

5.3. Storage Features

The bunk bed is designed with multiple storage solutions to help keep your space organized.

- **Integrated Desk:** The spacious desk provides a dedicated area for work or study.
- **Fabric Drawers:** Three fabric drawers are located under the desk, ideal for storing school supplies, clothes, or personal items.
- **S-Hooks:** A mesh organizer with 6 sturdy S-hooks is provided above the desk for hanging headphones, keys, or small bags.
- **Utility Shelf:** A long utility shelf is positioned under the top bunk, perfect for books, decor, or nightly necessities.
- **Bedside Storage Boxes:** Two dedicated headboard storage boxes on the top bunk serve as a convenient nightstand for small items.

- **Underbed Storage:** The lower bunk offers 10.2 inches of underbed clearance, suitable for storage bins or boxes.

Image 5.6: Detail of the S-hooks, demonstrating their utility for hanging accessories.

6. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your bunk bed.

- **Cleaning:** Wipe metal surfaces with a soft, damp cloth. For the lacquered wood tabletop and shelves, use a mild cleaner and dry immediately. Avoid abrasive cleaners.
- **Hardware Check:** Periodically check all bolts, screws, and connections to ensure they remain tight. Retighten as necessary.
- **LED Lights:** If the LED lights malfunction, check the power connection and consult the troubleshooting section. Do not attempt to repair the LED strip yourself.
- **Fabric Drawers:** The fabric drawers can be spot cleaned with a damp cloth and mild detergent. Allow to air dry completely.
- **Floor Caps:** Ensure the protective plastic floor caps are intact to prevent floor scratches and reduce noise.

7. TROUBLESHOOTING

Here are solutions to common issues you might encounter:

Problem	Possible Cause	Solution
Bed feels wobbly or unstable.	Loose hardware; anti-tipping device not installed.	Tighten all bolts and screws. Ensure the anti-tipping device is securely anchored to a wall stud.

Problem	Possible Cause	Solution
Squeaking noises.	Loose connections; friction between metal parts.	Check and tighten all hardware. Ensure plastic floor caps are in place. Apply a small amount of lubricant to contact points if necessary.
Charging station not working.	Power cord unplugged; faulty outlet; device issue.	Verify the bed's power cord is securely plugged into a working wall outlet. Test the outlet with another device. Check your device's charging cable.
LED lights not turning on/responding.	Power connection issue; remote battery dead; app connectivity problem.	Ensure the LED light power adapter is connected. Replace remote control batteries. Re-pair the remote/app if necessary.
Mattress slides on lower bunk.	Non-slip grippers not engaged or missing.	Ensure the 4 non-slip mattress grippers are properly installed and positioned to hold the mattress.

8. SPECIFICATIONS

Feature	Detail
Brand	VIAGDO
Model Number	bunk bed twin over twin
ASIN	B0FDWN99V3
Size	Twin
Color	Black
Product Dimensions (L x W x H)	89.6" x 42.1" x 63.2"
Item Weight	106 Pounds
Weight Limit (Each Bunk)	400 Pounds
