## BvenuBigLite WS-FPZ184-18C-52NE-AP

# BvenuBigLite 52-Inch Outdoor Ceiling Fan with Light Instruction Manual

MODEL: WS-FPZ184-18C-52NE-AP

Brand: BvenuBigLite

## INTRODUCTION

---

This manual provides detailed instructions for the safe installation, operation, and maintenance of your BvenuBigLite 52-inch Outdoor Ceiling Fan with Light. Please read this manual thoroughly before installation and keep it for future reference. Proper installation and use will ensure optimal performance and longevity of your fan.

## SAFETY INFORMATION

---

- **Electrical Safety:** Always disconnect power at the circuit breaker before installation or servicing. Ensure all electrical connections comply with local codes and ordinances.
- **Mounting:** The fan must be mounted to a structure capable of supporting the fan's weight (minimum 35 lbs). Use only the provided mounting hardware.
- **Blade Clearance:** Maintain a minimum clearance of 7 feet from the floor to the fan blades and 18 inches from the wall to the blade tips.
- **Outdoor Use:** This fan is IP44 rated for outdoor use in covered areas such as gazebos, patios, porches, and pergolas. Do not expose directly to heavy rain or standing water.
- **Children and Pets:** Keep children and pets away from the fan during operation.
- **Professional Installation:** If you are unsure about any part of the installation process, consult a qualified electrician.

## PACKAGE CONTENTS

---

Verify that all components are present before beginning installation.

*Image: Overview of the BvenuBigLite 52-inch outdoor ceiling fan, including the fan unit, remote control, and a smartphone displaying the control app.*

- Fan Motor Housing
- Fan Blades (3)
- LED Light Kit
- Downrod (various lengths may be included)
- Canopy and Mounting Bracket
- Remote Control with Wall Mount
- Hardware Pack (screws, washers, wire nuts)
- Instruction Manual

## SETUP AND INSTALLATION

Follow these steps carefully for proper installation. It is recommended to have two people for certain steps.

## Step 1: Assemble Fan Blades

Attach the fan blades to the motor housing using the provided screws. Ensure they are securely fastened.

*Video: This video demonstrates the step-by-step installation process for the BvenuBigLite outdoor ceiling fan, including blade attachment and mounting.*

## Step 2: Install Downrod

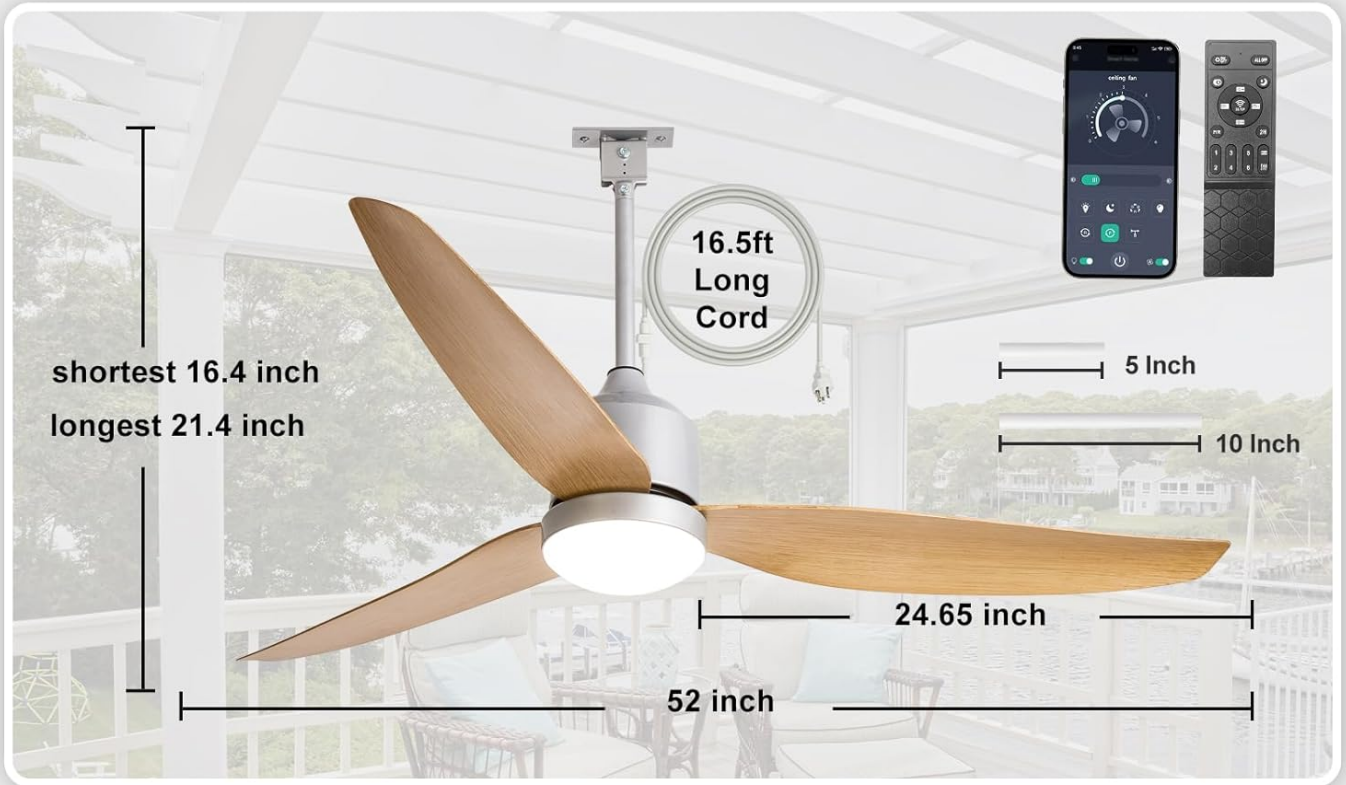

Insert the downrod into the motor housing and secure it with the pin and screw. Ensure the wires are threaded through the downrod.

## Step 3: Mount the Bracket

Secure the mounting bracket to a suitable ceiling joist or outlet box. Use appropriate hardware for your ceiling type.

## Step 4: Hang the Fan and Make Electrical Connections

Carefully hang the fan assembly onto the mounting bracket. Connect the electrical wires (live, neutral, ground) according to the wiring diagram in the full manual. This fan is designed as a plug-in unit with a 16.5-foot cord for flexible placement.

 **Voltage: 120V**

 **Height: Adjustable**

 **Power: 30W**

 **Light Source: LED**

 **Material: ABS+Metal**

 **Control & APP**

 **Motor Type: DC Motor**

 **Cool/Warm/Natural**

## OPERATING INSTRUCTIONS

Your BvenuBigLite ceiling fan can be controlled via the included remote or a smartphone application.

### Remote Control Functions

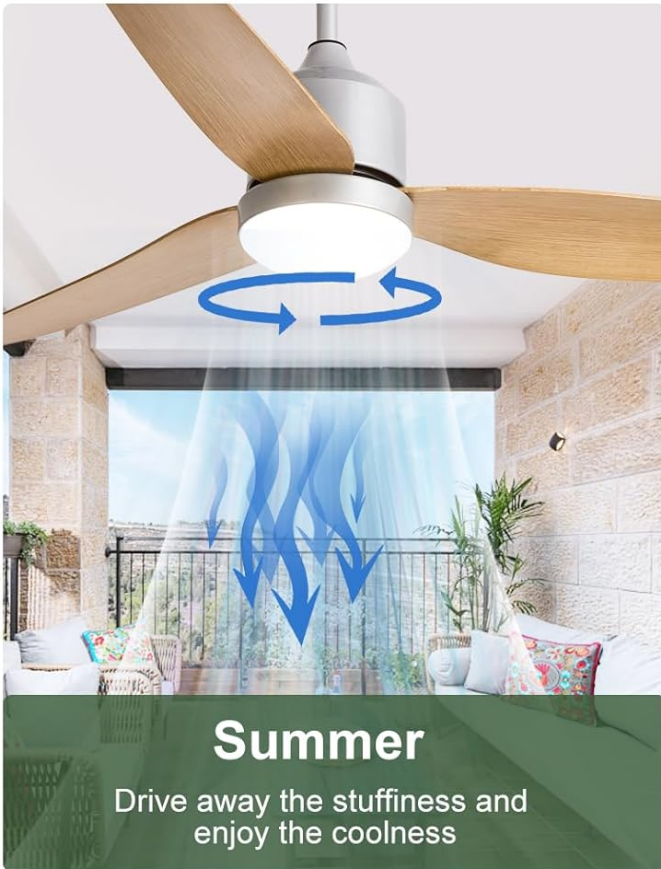

- **Power On/Off:** Press the power button to turn the fan and light on or off.
- **Fan Speed:** Adjust between 6 fan speeds.
- **Light Control:** Turn the light on/off, adjust brightness (10%-100%), and change color temperature (3000K-6000K).
- **Reversible Motor:** Switch between summer (downward airflow for cooling) and winter (upward airflow for air circulation) modes.
- **Timer:** Set the fan to turn off automatically after 1 or 2 hours.
- **Memory Function:** The fan remembers your last light and fan settings.

# The fan and the light can operate independently

Image: Illustrates key features such as timer settings, memory function, 6 wind speeds, and quiet operation (below 30dB), ensuring a comfortable environment.

# All-Weather Outdoor Ceiling Fan Light

*Image: Depicts the fan's reversible DC motor function, showing downward airflow for cooling in summer and upward airflow for improved air circulation in winter.*

## APP Control

Download the dedicated smartphone application to control your fan from your mobile device. The app offers all the functionalities of the remote control, including advanced scheduling options.

*Image: The fan can be controlled via both the included remote and a smartphone application, offering convenient operation.*

## MAINTENANCE

- **Cleaning:** To clean the fan, wipe with a soft, damp cloth. Do not use abrasive cleaners or solvents. Ensure power is disconnected before cleaning.
- **Blade Inspection:** Periodically check fan blades for any signs of damage or imbalance.
- **Tighten Screws:** Over time, screws may loosen. Periodically check and tighten all screws on the fan and mounting hardware.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Fan does not start	No power, loose wiring, remote battery dead.	Check circuit breaker, ensure connections are secure, replace remote battery.
Fan wobbles	Loose blades, uneven blades, improper mounting.	Tighten blade screws, check for bent blades, ensure mounting bracket is secure.
Light does not work	Loose wire connection, faulty LED kit.	Check light kit wiring, contact customer support if LED is faulty.
Remote not working	Dead battery, remote not paired.	Replace remote battery, refer to pairing instructions in the full manual.

## SPECIFICATIONS

Feature	Detail
Brand	BvenuBigLite
Model Name	WS-FPZ184-18C-52NE-AP
Color	Silver+Wood
Size	52 Inch
Product Dimensions	52"D x 52"W x 16.4"H
Power Source	DC
Voltage	120 Volts
Wattage	24 watts
Special Features	LED Light, Quiet DC Motor, Reversible 6 Speed, Timer, Waterproof (IP44)
Control Method	App, Remote
Indoor/Outdoor Usage	Indoor, Outdoor
Item Weight	9.93 pounds
