## 3. COMPONENTS LIST

Before assembly, ensure all parts are present and undamaged. Each component is typically labeled with a letter or number for identification.

- Main Table Unit (1)
- Dining Chairs (4)
- Assembly Hardware (screws, bolts, etc.)
- Assembly Tool (e.g., Allen wrench)

## 4. SETUP AND ASSEMBLY

Follow the step-by-step instructions provided in the included assembly guide. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Verify against the components list.
2. **Assemble Main Table Frame:** Connect the central support structures according to the diagrams.

3. **Attach Wheels:** Secure the six casters to the base of the table. Ensure the two lockable wheels are positioned as indicated in the manual for optimal stability.
4. **Install Drop-Leaf Mechanisms:** Attach the hinges and support brackets for the drop-leaf sections. Ensure hidden buckles are correctly aligned.
5. **Assemble Chairs:** Follow the specific instructions for chair assembly, ensuring all screws are tightened.
6. **Final Check:** Once assembled, gently test the stability of the table and chairs. Tighten any loose connections.

## 5. OPERATING INSTRUCTIONS

### 5.1 Extending and Folding the Table

1. **To Extend:** Unlock the hidden buckles on the underside of the table. Gently lift and pull out the drop-leaf sections until they are fully extended. Secure the drop-leaf sections by engaging the hidden buckles.
2. **To Fold:** Unlock the hidden buckles. Gently push the drop-leaf sections inwards until they are flush with the central unit. Re-engage the hidden buckles to keep them folded.

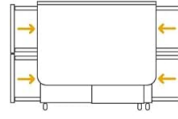

### 5.2 Using Chair Storage

The table features integrated compartments designed to store the four chairs when not in use. Simply slide the chairs into the designated slots within the table's central unit.

### 5.3 Utilizing Wheels

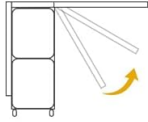

The table is equipped with six casters for easy movement. Two of these wheels are lockable. To move the table, ensure the locks on the two designated wheels are disengaged. To keep the table stationary, engage the locks on these wheels.

# SPACE SAVING DESIGN

## 4 STORABLE STOOLS

Save space by storing the stools in the dining table when they are not needed.

## 6. MAINTENANCE

---

Proper care will extend the life and appearance of your dining set.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Clean spills immediately to prevent staining, especially on the engineered wood surfaces.
- **Tighten Hardware:** Periodically check and tighten all screws and bolts to ensure the stability of the table and chairs.
- **Avoid Extreme Conditions:** Do not expose the furniture to direct sunlight for prolonged periods or to extreme temperature and humidity changes.

## 7. TROUBLESHOOTING

---

If you encounter issues, refer to the following common solutions:

- **Table/Chairs Feel Unstable:** Ensure all assembly hardware is fully tightened. Verify that the table is on a level surface. For the table, ensure lockable wheels are engaged when stationary.

- **Drop-Leaf Sections Do Not Close/Open Smoothly:** Check for any obstructions in the hinge mechanism. Ensure the hidden buckles are fully disengaged/engaged. Verify that hinges were installed correctly during assembly.
- **Wheels Not Locking/Moving Freely:** Inspect the wheel locking mechanism for debris. Ensure the lock lever is fully engaged or disengaged.
- **Difficulty During Assembly:** Double-check the assembly instructions and diagrams. Ensure components are oriented correctly. Do not force parts together; if a fit is too tight, re-examine the instructions.
