WLIVE ASNG110BL

WLIVE Farmhouse Black 6-Drawer Dresser Instruction Manual

Model: ASNG110BL

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your WLIVE Farmhouse Black 6-Drawer Dresser. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

SAFETY INFORMATION

For your safety and to prevent damage to the product, please observe the following:

- Always assemble the dresser on a soft, clean surface to prevent scratches.
- Ensure all parts are securely fastened before use.
- Do not overload drawers. Each drawer has a maximum weight capacity of 35 lbs (15.8 kg). The top surface can support up to 145 lbs (65.7 kg).
- **Anti-Tipping Device:** It is crucial to install the included anti-tipping device to prevent accidental tipping, especially in households with children or pets. Follow the specific instructions for its installation.

ANTI-TIP LOCK DETAILS

Image: Anti-tip lock details. This image illustrates the proper installation of the anti-tip device to secure the dresser to the wall, preventing accidental tipping. It also shows visual warnings against not using the device.

PACKAGE CONTENTS

Before assembly, verify that all components are present. Refer to the parts list provided in your packaging. If any parts are missing or damaged, please contact customer support.

- Dresser panels (top, bottom, sides, back)
- Drawer panels (front, back, sides, bottom)
- Drawer slides and hardware
- Handles and screws
- Anti-tipping device and hardware
- Assembly tools (if included)
- Instruction manual

ASSEMBLY INSTRUCTIONS

Follow the numbered steps in your included assembly guide. All parts and accessories are coded for easy identification. Precise holes ensure accurate and faster installation.

1. **Unpack and Identify:** Carefully unpack all components and lay them out on a clean, soft surface. Identify each part using the provided labels and the parts list.
2. **Assemble the Frame:** Begin by connecting the side panels to the bottom panel, then attach the back panel. Ensure all cam locks and screws are tightened securely.
3. **Install Drawer Slides:** Attach the drawer slides to the inner side panels of the dresser frame according to the instructions. Ensure they are level and aligned.
4. **Assemble Drawers:** Construct each of the six drawers by connecting the front, back, and side panels. Insert the drawer bottom into the grooves. Attach the drawer portion of the slides.
5. **Attach Handles:** Secure the rustic square handles to the front of each drawer.
6. **Insert Drawers:** Carefully slide each assembled drawer into its respective slot in the dresser frame. Ensure smooth operation.
7. **Attach Top Panel:** Place and secure the top panel onto the assembled frame.
8. **Install Anti-Tipping Device:** Follow the specific instructions for installing the anti-tipping device to a wall stud. This step is critical for safety.

Image: Key features for assembly and use. This image highlights the dark square rustic handles, the smooth metal sliding rails for drawers, and the stable support feet of the dresser, all contributing to its functionality and ease of use.

SUPPORT PLATES STRONGER LOAD CAPACITY

OPERATING INSTRUCTIONS

Your WLIVE 6-Drawer Dresser is designed for efficient storage and ease of use.

- **Drawer Use:** Gently pull and push the drawers using the handles. The smooth metal slides ensure easy operation. Avoid forcing drawers open or closed.
- **Storage Capacity:** The six large drawers provide ample space for clothing, accessories, and other household items. Distribute weight evenly within the drawers.
- **Top Surface:** The sturdy wood top is suitable for placing a TV up to 60 inches, lamps, decorative items, or frequently used personal belongings. Ensure items placed on top do not exceed the 145 lbs (65.7 kg) weight limit.

Image: Suitable for TV size up to 60 inches. This image displays the dresser functioning as a TV stand, highlighting its capacity to safely hold televisions up to 60 inches in size.

MAINTENANCE

Proper care will extend the life and appearance of your dresser.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Clean spills immediately with a dry cloth to prevent staining or water damage.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary.
- **Drawer Slides:** If drawers become stiff, a small amount of silicone lubricant can be applied to the slides.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Drawers do not slide smoothly	Misaligned slides, loose screws, debris in slides, overloaded drawer	Check slide alignment, tighten screws, clean slides, reduce drawer contents
Dresser feels unstable or wobbly	Loose connections, uneven floor, anti-tip device not installed	Tighten all assembly screws, use shims under feet if floor is uneven, ensure anti-tip device is correctly installed and secured to wall
Gaps between panels	Screws not fully tightened, panels not properly aligned during assembly	Loosen and re-align panels, then tighten all screws firmly
