2. Setup

2.1 Unboxing and Initial Inspection

Upon receiving your DEZLTID M148 tablet, carefully open the packaging and verify that all included items are present:

- Tablet
- Keyboard
- Stylus
- Mouse
- Table Case
- Type-C Cable

- Fast Charger
- Card Eject Pin
- Screen Protector (pre-applied or separate)
- OTG Cable
- User Manual

Inspect the tablet and accessories for any visible damage. If any items are missing or damaged, contact customer support immediately.

2.2 Charging the Tablet

Before first use, fully charge the tablet. Connect the provided Type-C cable to the tablet's charging port and the fast charger to a power outlet. The charging indicator will typically illuminate during charging and change color or turn off when fully charged.

2.3 Powering On and Initial Setup

Press and hold the power button located on the side of the tablet until the screen lights up. Follow the on-screen prompts to complete the initial setup, which includes selecting your language, connecting to a Wi-Fi network, and signing in with your Google account.

2.4 Connecting Accessories

The tablet supports various accessories for enhanced functionality:

- **Keyboard and Mouse:** These typically connect via Bluetooth. Go to**Settings > Connected devices > Bluetooth**, turn on Bluetooth, and pair with your keyboard and mouse.
- **Stylus:** The stylus may connect automatically or require a simple pairing process via Bluetooth, similar to the keyboard and mouse.
- **OTG Cable:** Use the OTG cable to connect USB devices such as flash drives or external hard drives to your tablet.

3. Operating the Tablet

3.1 Android 15 Operating System

Your DEZLTID M148 tablet runs on Android 15, offering an intuitive and secure user experience. Key features include:

- **Enhanced Privacy:** Features like Privacy Light-Shield and multi-layer encryption protect your sensitive data and manage app permissions.
- **AI Assistant:** Utilize AI for tasks such as document generation and translation.
- **Fluid Multitasking:** Optimized for smooth transitions between applications and split-screen operations.
- **Accessibility Features:** Includes 200% font scaling for improved readability, blue light eye protection, and intelligent voice reading.
- **Focus Mode:** Tools for time and content management to help maintain concentration.
- **App Lock:** Secure individual applications with a password or biometric authentication.

3.5 Additional Features

- **Global Positioning System (GPS):** For navigation and location-based services.

- **FM Radio:** Listen to local radio stations.
- **Emergency SOS:** Provides a quick way to alert contacts in an emergency.

4. Maintenance

4.1 Battery Care

The tablet features an 8000mAh battery with power-saving technology. To maximize battery life:

- Avoid extreme temperatures.
- Use the provided fast charger for optimal charging.
- Do not let the battery completely drain frequently.
- Adjust screen brightness and close unused apps to conserve power.

4.2 Screen and Device Care

The tablet's display is protected by G+G double glazing. A screen protector is included to further safeguard the screen. The device features a durable metal body with a straight bezel design.

- Clean the screen with a soft, lint-free cloth.
- Avoid using harsh chemicals or abrasive materials.
- Keep the tablet away from water and excessive moisture.
- Use the provided case for protection against drops and scratches.

5. Troubleshooting

If you encounter issues with your DEZLTID M148 tablet, consider the following basic troubleshooting steps:

- **Tablet not turning on:** Ensure the battery is charged. Connect the charger and wait a few minutes before attempting to power on again.
- **Slow performance:** Close unused applications, clear cache, or restart the tablet.
- **Wi-Fi connectivity issues:** Restart your Wi-Fi router and the tablet. Ensure you are within range of the Wi-Fi signal.
- **Accessories not connecting:** Ensure Bluetooth is enabled on the tablet and the accessory is in pairing mode. Check battery levels of wireless accessories.
- **Screen unresponsiveness:** Restart the tablet. If the issue persists, perform a factory reset (backup your data first).

For more complex issues or if troubleshooting steps do not resolve the problem, please refer to the Warranty & Support section for contact information.
