## WLIVE ASNG118BL

# WLIVE 5-Drawer Dresser User Manual

Model: ASNG118BL

## INTRODUCTION

---

This manual provides comprehensive instructions for the assembly, setup, operation, and maintenance of your WLIVE 5-Drawer Dresser. Please read this manual thoroughly before beginning assembly and retain it for future reference.

## SAFETY INFORMATION

---

- Always follow assembly instructions carefully.
- Use the included anti-tipping device to secure the dresser to a wall. This is crucial to prevent tipping and ensure safety, especially in households with children or pets.
- Do not overload drawers. Each drawer can hold up to 30 lbs. The top surface can hold up to 88 lbs.
- Keep small parts away from children during assembly.
- Ensure all connections are secure before use.
- Do not climb on or hang from the dresser.

# ANTI-TIP LOCK DETAILS

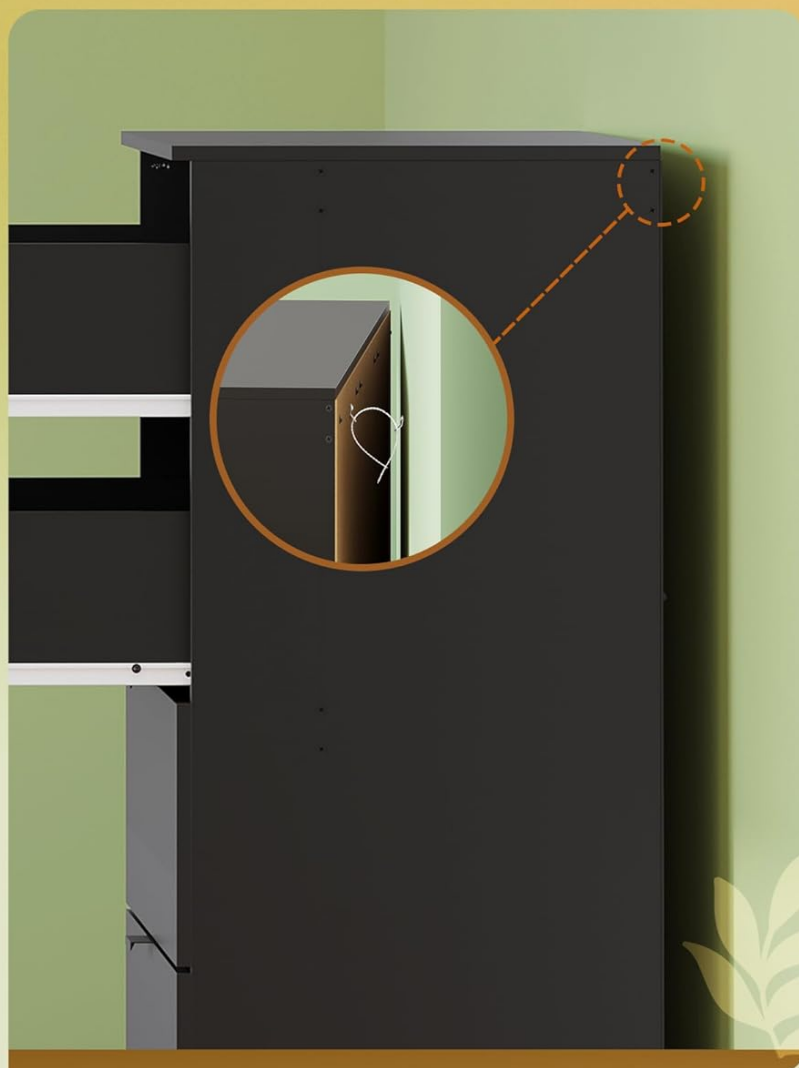

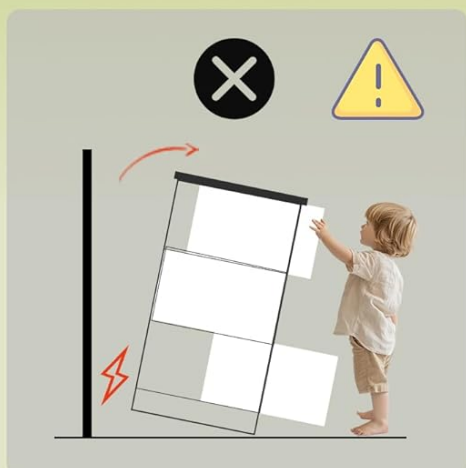

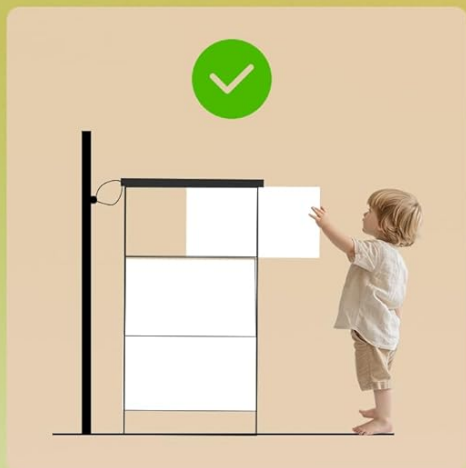

Image: Anti-tip lock details. This diagram illustrates the correct method for securing the dresser to the wall using the provided anti-tipping device, and warns against the danger of not doing so, especially with children present.

## PACKAGE CONTENTS

Before assembly, verify that all parts listed in the packaging are present and undamaged. If any parts are missing or damaged, please contact WLIVE customer support.

- All wooden panels for the dresser frame and drawers.
- Metal handles.
- Drawer slides.
- Assembly hardware (screws, dowels, cam locks, etc.).
- Anti-tipping device.
- Instruction manual.

## ASSEMBLY INSTRUCTIONS

Assembly is required for this dresser. It is recommended to have two people for assembly. Follow the detailed step-by-step instructions provided in the included manual. All parts and accessories are coded for easier identification.

### Tools Required (Not Included)

- Phillips head screwdriver
- Hammer (optional, for dowels)

### Assembly Tips

- Lay out all components on a soft, clean surface to prevent scratches.
- Do not overtighten screws.
- Ensure drawer slides are installed correctly for smooth operation.

### SETUP

---

Once assembled, place the dresser on a flat, level surface. Ensure it is stable and does not wobble.

## Securing the Dresser

As per safety guidelines, attach the anti-tipping device to a wall stud using appropriate hardware. This prevents accidental tipping, which can cause serious injury.

## OPERATING

The WLIVE 5-Drawer Dresser is designed for organizing various items.

- Each drawer features smooth metal slides for easy opening and closing.
- The integrated metal handles provide a comfortable grip.
- The reinforced laminates allow for greater load capacity within each drawer.

**Wide Elegant Metal Handle**

**Smooth Gliding System**

**Stable And Sturdy  
Base Supports**

## MAINTENANCE

- Clean the dresser with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- Regularly check all screws and connections to ensure they remain tight.
- If the dresser is exposed to direct sunlight or extreme temperature changes, it may affect the wood finish.

## TROUBLESHOOTING

### Drawers not sliding smoothly

- Check if the drawer slides are correctly aligned and installed.
- Ensure no objects are obstructing the slides.
- Verify that all screws on the slides are tightened.

## Dresser wobbles

- Ensure the dresser is on a flat, level surface.
- Check if all assembly hardware is securely tightened.
- Re-verify the installation of the anti-tipping device.

## Missing or damaged parts

- Refer to the "Package Contents" section and contact WLIVE customer support for assistance.
