4.6 Other Functions

The MP3 Player M30 includes several utility applications:

- **Sound Recorder:** For capturing audio.
- **FM Radio:** For listening to local radio broadcasts.
- **E-Book:** For reading digital books.
- **File Transfer:** For managing and moving files.
- **Clock, Calendar, Calculator, Gallery, File Manager:** Standard utility applications.

5. MAINTENANCE

To ensure the longevity and optimal performance of your HOVOYNN MP3 Player M30, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the screen and body. Avoid abrasive cleaners or solvents.
- **Storage:** Store the device in a cool, dry place away from direct sunlight and extreme temperatures.

- **Protection:** Avoid dropping the device or exposing it to excessive moisture. Consider using a protective case.
- **Battery Care:** To preserve battery health, avoid fully discharging the battery frequently. Charge the device regularly.

6. TROUBLESHOOTING

If you encounter issues with your MP3 player, try the following steps:

- **Device Not Turning On:** Ensure the battery is charged. Connect the device to a power source and try long-pressing the rotary knob again.
- **Screen Unresponsive:** Try restarting the device by long-pressing the rotary knob. If unresponsive, allow the battery to fully drain and then recharge.
- **Cannot Connect to Bluetooth:** Ensure Bluetooth is enabled on both the MP3 player and the target device. Make sure both devices are within range and in pairing mode.
- **Wi-Fi Connection Issues:** Verify that Wi-Fi is enabled and you are entering the correct password. Check your router for connectivity issues.
- **Music/Video Playback Problems:** Ensure the media files are in a supported format. Check if the files are corrupted.
- **Slow Performance:** Close unnecessary background applications. Clear cache or free up storage space if needed.
