## SACOSDING LG89152-Silver Green

# Instruction Manual

SACOSDING Quartz Watch - Model LG89152-Silver Green

## 1. INTRODUCTION

Thank you for choosing the SACOSDING Quartz Watch. This luxury timepiece features a big face with diamond accents, a durable stainless steel construction, and is designed for business and dress occasions. It includes a date display and luminous hands for enhanced functionality. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your new watch.

## 2. SETUP

---

### 2.1 Setting Time and Date

- 1. Pull the Crown:** Gently pull the crown (the knob on the side of the watch) out to the first click position to adjust the date, or to the second click position to adjust the time.
- 2. Adjust Date:** In the first click position, rotate the crown clockwise or counter-clockwise to set the desired date.
- 3. Adjust Time:** In the second click position, rotate the crown to set the hour and minute hands. Ensure you set the correct AM/PM for the date change to occur at midnight.
- 4. Push the Crown Back:** Once set, push the crown back into its original position to start the watch and seal it against water.

Diagram illustrating the two positions of the crown for date and time adjustment.

## 2.2 Adjusting the Watch Band

The stainless steel strap can be adjusted by adding or removing links to achieve a comfortable fit. A steel strap adjustment tool is provided with your watch for this purpose. If you are unsure, it is recommended to seek professional assistance for band adjustment to prevent damage.

### 3. OPERATING INSTRUCTIONS

---

#### 3.1 Reading the Time

The watch features a classic analog display with hour, minute, and second hands. The diamond hour markers and Roman numerals provide clear readability.

#### 3.2 Date Display

A date window is located on the dial, typically at the 3 o'clock position, displaying the current day of the

month.

Overview of the watch's functional display, highlighting the calendar, screw knob, diamond-set dial, and chronograph bezel.

### 3.3 Luminous Function

The watch hands and hour markers are equipped with a luminous coating. To activate the night light function, expose the watch to light for at least 30 seconds, or allow it to absorb sunlight.

### 3.4 Official Product Video

This video demonstrates the features and appearance of the SACOSDING Quartz Watch, including its design and how it

looks when worn.

## 4. MAINTENANCE

### 4.1 Water Resistance

This watch is 3ATM water-resistant, meaning it is suitable for daily use such as hand washing, sweat, and rain splashes. **It is not suitable for bathing, swimming, or diving.** Avoid exposing the watch to hot water, as this can affect its water resistance.

Visual representation of the watch's 30M water resistance, suitable for hand washing, rain, and splashes.

### 4.2 Cleaning

To clean your watch, wipe it gently with a soft, dry cloth. For the stainless steel band, a slightly damp cloth can be used, followed by immediate drying. Avoid using harsh chemicals or abrasive materials.

### 4.3 Battery Replacement

The watch is powered by a high-quality quartz movement and battery. When the watch stops running, the battery may need replacement. It is recommended to have the battery replaced by a qualified watch technician to ensure proper sealing and functionality.

## 5. TROUBLESHOOTING

---

- **Watch Not Running:** Check if the crown is fully pushed in. If it is, the battery may need replacement.
- **Date Not Changing:** Ensure the time is set correctly, especially the AM/PM cycle. The date typically changes around midnight.
- **Luminous Feature Not Bright:** Expose the watch to a strong light source (natural or artificial) for a few minutes to charge the luminous material.
- **Water Inside the Watch:** If condensation or water appears inside the watch, immediately take it to a professional for inspection and repair to prevent further damage.

## 6. SPECIFICATIONS

---

Feature	Detail
Model Number	LG89152-Silver Green
