

## PEFUPEW C6

# PEFUPEW C6 Wireless Earbuds Instruction Manual

Model: C6

## 1. INTRODUCTION

---

The PEFUPEW C6 Wireless Earbuds are designed for an immersive audio experience, offering advanced features for active lifestyles. Equipped with Bluetooth 5.4 technology, these earbuds provide a stable and low-latency connection. The over-ear hook design ensures a secure and comfortable fit, ideal for sports and workouts. With ENC noise-cancelling microphones, clear calls are maintained even in noisy environments. The earbuds and their charging case offer up to 48 hours of total playback time and are IP7 waterproof, making them resistant to sweat and rain.

## 2. WHAT'S IN THE BOX

---

- Headphones case (with the headphones inside) x1
- Silicone earplugs (S / M / L)
- USB C Cable x1
- User Manual

## 3. PRODUCT OVERVIEW

---

The PEFUPEW C6 Wireless Earbuds feature a sleek design with ergonomic over-ear hooks for stability. The charging case includes a dual LED display to show battery levels for both the case and individual earbuds. The earbuds are equipped with 14.2mm drivers for enhanced sound quality and ENC microphones for clear communication.

## 4. SETUP

### 4.1. Charging the Case and Earbuds

Before first use, fully charge the charging case and earbuds. Connect the provided USB-C cable to the charging port on the back of the case and to a power source. The dual LED display on the case will show the charging status of the case and each earbud. A full charge for the case and earbuds takes approximately 1.5 hours.

### 4.2. Wearing the Earbuds

Select the appropriate silicone earplug size (S, M, L) for a comfortable and secure fit. Place the earbud into your ear canal and gently rotate the over-ear hook to rest securely behind your ear. Adjust the angle for optimal comfort and sound.

Image: Step-by-step diagram showing how to properly insert the earbuds and position the ear hooks for a stable fit.

### 4.3. Bluetooth Pairing

1. Ensure the earbuds are charged and removed from the charging case. They will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for available devices and select "C6" from the list.
4. Once connected, you will hear an audio prompt, and the earbuds will be ready for use.

## 5. OPERATING

### 5.1. Smart Touch Controls

The PEFUPEW C6 earbuds feature advanced smart touch controls for easy management of your audio and calls without needing to access your phone. The touch-sensitive area is located on the outer surface of each earbud.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap the right earbud.
- **Previous Track:** Double tap the left earbud.
- **Volume Up:** Long press the right earbud.
- **Volume Down:** Long press the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call.
- **Reject Call:** Long press on either earbud during an incoming call.
- **Activate Voice Assistant:** Triple tap on either earbud.

## 6. MAINTENANCE

To ensure the longevity and optimal performance of your PEFUPEW C6 Wireless Earbuds, follow these maintenance guidelines:

- **Cleaning:** Regularly wipe the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals, cleaning solvents, or strong detergents.
- **Water Resistance:** The earbuds are IP7 waterproof, meaning they can withstand sweat and rain. However, they are not designed for swimming or prolonged submersion in water. Ensure the charging port is dry before charging.
- **Storage:** Store the earbuds in their charging case when not in use to protect them from dust, damage, and to keep them charged. Avoid exposing them to extreme temperatures.
- **Earplugs:** Clean the silicone earplugs periodically with water and mild soap. Ensure they are completely dry before reattaching them to the earbuds.

## 7. TROUBLESHOOTING

If you encounter any issues with your PEFUPEW C6 Wireless Earbuds, please refer to the following common solutions:

- **Earbuds not turning on:** Ensure the earbuds are charged. Place them in the charging case and close the lid, then open it again.
- **Unable to pair:** Make sure Bluetooth is enabled on your device and the earbuds are out of the charging case. If already paired, try unpairing and re-pairing. Ensure no other devices are actively connected to the earbuds.
- **No sound or low volume:** Check the volume levels on both your device and the earbuds. Ensure the earbuds are properly seated in your ears.
- **Charging case not charging:** Verify the USB-C cable is securely connected to both the case and the power source. Try a different cable or power adapter.
- **Intermittent connection:** Ensure your device is within the 15-meter Bluetooth range. Avoid obstacles that may interfere with the signal.
