5. WEARING INSTRUCTIONS

For optimal sound quality and comfort, ensure the earbuds are worn correctly.

1. Identify the Left (L) and Right (R) earbuds.
2. Gently clip each earbud onto the corresponding ear, positioning the open-ring joint horizontally.
3. Adjust the earbud slightly until it feels secure and comfortable, ensuring the speaker is aligned with your ear canal for the best sound delivery.

8. MAINTENANCE

Proper care will extend the lifespan of your OHAYO A7 headphones:

- **Cleaning:** Regularly wipe the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals.
- **Storage:** When not in use, store the headphones in their charging case to protect them from dust and damage.
- **Water Exposure:** While the headphones are IPX6 water-resistant, avoid submerging them in water. Dry them thoroughly if they get wet from sweat or splashes before placing them back in

the charging case.

9. TROUBLESHOOTING

If you encounter issues with your OHAYO A7 headphones, refer to the following common solutions:

- **No Sound:**

- Ensure the headphones are properly paired and connected to your device.
- Check the volume levels on both the headphones and your connected device.
- Make sure the earbuds are correctly seated in your ears.

- **Cannot Pair:**

- Ensure Bluetooth is enabled on your device.
- Place the earbuds back in the charging case, close the lid, wait a few seconds, then open it again to re-enter pairing mode.
- Try forgetting "OHAYO A7" from your device's Bluetooth list and re-pairing.
- Ensure the earbuds are charged.

- **Charging Issues:**

- Verify that the charging cable is securely connected to both the case and the power source.
- Ensure the charging contacts on the earbuds and inside the case are clean and free of debris.
- Try using a different USB-C cable or power adapter.

- **Intermittent Connection:**

- Reduce the distance between the headphones and your device.
- Avoid environments with significant wireless interference (e.g., near Wi-Fi routers, microwaves).
- Ensure there are no physical obstructions between the headphones and your device.
