## DWVO MADWVGZLDX

# DWVO 55" Kitchen Storage Cabinet User Manual

Model: MADWVGZLDX | Brand: DWVO

## 1. PRODUCT OVERVIEW

---

The DWVO 55" Kitchen Storage Cabinet is a versatile and modern sideboard buffet designed to enhance storage and organization in your living room, dining room, or kitchen. Featuring adjustable shelves and unique carved design doors with a rebound mechanism for effortless access, this cabinet combines functionality with elegant aesthetics. Its sturdy construction, including golden iron feet and an anti-tipping device, ensures stability and safety.

## 2. ASSEMBLY INSTRUCTIONS

---

Your DWVO Kitchen Storage Cabinet comes with detailed installation instructions. Each panel is coded to facilitate quick and easy assembly. While assembly may take some time, following the instructions carefully will ensure a sturdy and well-built final product.

### 2.1. Unpacking and Preparation

- Carefully unpack all components and verify against the parts list provided in the manual.
- Lay out all parts on a clean, soft surface to prevent scratches.
- Ensure all pre-drilled holes are clear and aligned. If any holes appear misaligned, gently adjust or contact customer support.

### 2.2. Step-by-Step Assembly

Follow the numbered steps in your included assembly manual. Pay close attention to the orientation of each piece and the type of fasteners used.

## PRODUCT SIZE

Image: Detailed product dimensions, showing the overall width, height, depth, and internal shelf measurements of the cabinet.

### 2.3. Anti-Tipping Device Installation

For enhanced stability and safety, especially in households with children or pets, it is highly recommended to install the included anti-tipping device. Secure the cabinet to a wall according to the instructions provided.

Image: Close-up of the anti-tipping device and a diagram illustrating its function in securing the cabinet to the wall.

### 2.4. Adjustable Tapered Legs

The cabinet features adjustable tapered legs. After assembly, ensure the cabinet is level by adjusting the leg height as needed. This helps maintain stability on uneven surfaces.

## 3. OPERATING AND USAGE

The DWVO Kitchen Storage Cabinet is designed for versatile use and easy access to your stored items.

### 3.1. Ample Storage Space

The cabinet offers four doors and adjustable shelves, providing significant storage capacity. The spacious tabletop can accommodate various items such as coffee makers, decor, or serving dishes.

### 3.2. Effortless Access with Rebound Doors

The cabinet doors feature a rebound mechanism, eliminating the need for traditional handles. Simply press the top of the cabinet door to open it smoothly. This design ensures convenience, even when your hands are full.

### 3.3. Multi-functional Use

This freestanding cabinet can serve various purposes, including a sideboard, buffet cabinet, storage cabinet, or even a TV stand, adapting to your specific needs and room layout.

## 4. MAINTENANCE

---

To ensure the longevity and appearance of your DWVO Kitchen Storage Cabinet, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the particle board finish.
- **Spills:** Immediately wipe up any spills to prevent moisture absorption and potential damage to the wood.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.
- **Hardware:** Periodically check and tighten any screws or fasteners to maintain the cabinet's stability.

## 5. TROUBLESHOOTING

---

If you encounter any issues with your DWVO Kitchen Storage Cabinet, refer to the following common troubleshooting tips:

### 5.1. Cabinet Wobbles or is Unstable

- **Check Legs:** Ensure all adjustable tapered legs are properly extended and making firm contact with the floor. Adjust them to level the cabinet.
- **Tighten Fasteners:** Verify that all screws and bolts used during assembly are securely tightened. Loose connections can lead to instability.
- **Anti-Tipping Device:** Confirm the anti-tipping device is correctly installed and anchored to the wall.

### 5.2. Doors Do Not Close Flush or Open Smoothly

- **Hinge Adjustment:** Check the hinges for proper alignment. Most hinges allow for minor adjustments to ensure doors close evenly.
- **Rebound Mechanism:** Ensure the rebound mechanism is clean and free of obstructions. If it feels stiff, a small amount of silicone spray (avoiding contact with wood) might help, but generally, these are maintenance-free.
- **Cabinet Level:** An unlevel cabinet can affect door alignment. Re-level the cabinet using the adjustable legs.

### 5.3. Missing or Damaged Parts During Assembly

- **Contact Support:** If you find any parts missing or damaged upon unboxing, or if pre-drilled holes are misaligned, contact DWVO customer support immediately for assistance. Provide details of the missing/damaged parts and your purchase information.

## 6. SPECIFICATIONS

---

Feature	Detail
Brand	DWVO
Model Name	Storage Cabinet
Model Number	MADWVGZLDX
Color	Natural
Product Dimensions (D x W x H)	15.7"D x 55.3"W x 33.1"H (40cm D x 140.5cm W x 84cm H)
