CollaredEagle VD007-WH

CollaredEagle Fluted Makeup Vanity Desk

Model: VD007-WH

User Instruction Manual

1. INTRODUCTION

Thank you for choosing the CollaredEagle Fluted Makeup Vanity Desk. This manual provides essential information for the safe assembly, operation, and maintenance of your new vanity desk. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. IMPORTANT SAFETY INFORMATION

To ensure safe use and prevent damage, please observe the following precautions:

- Always unplug the vanity from the power outlet when not in use or before cleaning.
- Exercise caution with sharp edges and the overall weight of the unit during assembly and relocation.
- Follow all assembly instructions precisely to avoid injury or damage to the product.
- Do not overload drawers or shelves. Distribute weight evenly.
- Keep electrical components (power outlet, LED mirror wiring) away from water or excessive moisture.
- Ensure the vanity is placed on a stable, level surface to prevent tipping.

3. PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. Refer to the included assembly instructions for a detailed list of parts and hardware. If any parts are missing or damaged, contact customer

support immediately.

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this vanity desk. Detailed, step-by-step instructions are included in the product packaging. Please follow these instructions carefully. Each component is labeled to facilitate the assembly process.

- **Preparation:** Clear a spacious area for assembly. Lay out all parts and hardware on a soft, clean surface to prevent scratches.
- **Tools:** Ensure you have the necessary tools as specified in the assembly guide (e.g., screwdriver, hammer).
- **Team Assembly:** For certain steps, two people may be required due to the size and weight of components.
- **Mirror Installation:** Handle the mirror with extreme care. Ensure all electrical connections for the LED lights are secure before plugging into a power source.

5. OPERATING INSTRUCTIONS

5.1. LED Mirror Operation

The integrated 36-inch mirror features adjustable LED lighting with multiple modes and brightness levels.

- **Power On/Off:** Lightly touch the designated sensor on the mirror to turn the lights on or off.
- **Change Light Mode:** With the lights on, short press the sensor to cycle through natural, warm, and cool light settings.
- **Adjust Brightness:** With the lights on, long press the sensor to gradually increase or decrease the brightness. Release when the desired brightness is achieved.

5.2. Power Outlet Usage

The vanity desk includes a built-in charging station for convenience.

- The power outlet features 1 USB port (5V/2.1A), 2 AC outlets (125V/12A), and 1 Type-C port (5V/2.1A).
- Plug in your curling irons, hairdryers, mobile devices, and other beauty tools directly into the integrated outlets.
- Ensure the vanity is properly connected to a wall outlet for the charging station to function.

Image 5.2: Close-up of the integrated power outlet for electronic devices.

5.3. Storage Features

The vanity desk offers various storage options to keep your items organized.

- **Glass Top Drawers:** Two large drawers with dividers are located under the transparent toughened glass tabletop, allowing for easy visibility and access to cosmetics, jewelry, and small accessories.
- **Additional Drawers:** Three smaller drawers provide concealed storage for personal items.
- **Side Cabinet:** A closed cabinet with open shelves offers additional space for larger cosmetic bottles or decorative items.

Visibility: Clear Glass Tabletop

Transparent glass provides a clear view of stored items, allowing for quick access to cosmetics

Image 5.4: Comprehensive view of the vanity's storage solutions.

6. MAINTENANCE AND CARE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Glass Care:** Use a glass cleaner for the mirror and glass tabletop. Do not spray cleaner directly onto the LED lights or electrical components.
- **Dusting:** Regularly dust the vanity to prevent buildup, especially in the fluted panel areas.
- **Spills:** Clean spills immediately to prevent staining or damage to the engineered wood.
- **Electrical:** Ensure all electrical connections remain dry and free from debris.

7. TROUBLESHOOTING

If you encounter issues with your vanity desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
LED lights do not turn on.	Not plugged in; loose connection; power outage.	Ensure the vanity is plugged into a working outlet. Check mirror wiring connections. Verify power to the outlet.
Power outlet not working.	Vanity not plugged in; circuit breaker tripped.	Confirm the vanity is plugged in. Check your home's circuit breaker.
Drawers are stiff or misaligned.	Incorrect assembly; debris in tracks.	Review assembly instructions for correct drawer slide installation. Clear any obstructions from the tracks.
Vanity feels unstable.	Uneven floor; loose fasteners.	Adjust the vanity's position on a level surface. Tighten all assembly fasteners.

If the problem persists after attempting these solutions, please contact CollaredEagle customer support for further assistance.
