

LITFAD LT1584888S

LITFAD Park Bench Instruction Manual

Model: LT1584888S

1. INTRODUCTION

This manual provides instructions for the assembly, operation, maintenance, and troubleshooting of your LITFAD Park Bench, Model LT1584888S. Please read this manual thoroughly before assembly and use to ensure proper installation and safe operation. Retain this manual for future reference.

2. SAFETY INFORMATION

Observe the following safety precautions to prevent injury or damage to the product:

- Ensure all components are securely fastened before use.
- Do not exceed the maximum weight capacity of the bench.
- Place the bench on a stable, level surface to prevent tipping.
- Keep small children and pets away from the assembly area during installation.
- Regularly inspect the bench for loose parts or damage. Do not use if damaged.

3. PACKAGE CONTENTS

Verify that all items listed below are present and undamaged before proceeding with assembly. If any parts are missing or damaged, contact customer support.

- 1 x LITFAD Park Bench (Stainless Steel Frame with Plastic Wood Seating)
- Assembly Tools (Wrench, Allen Key, etc.)
- Expansion Screws for securing the bench (if applicable for your installation)
- Instruction Manual (this document)

4. SETUP AND ASSEMBLY

The LITFAD Park Bench is designed for straightforward assembly. Follow these steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Refer to the parts list (if provided separately, or visually identify the stainless steel frame and plastic wood slats).
3. **Attach Seating Slats:** Align the plastic wood seating slats with the pre-drilled holes on the stainless steel frame. Secure them using the provided screws and assembly tools. Ensure all screws are tightened firmly but do not overtighten.
4. **Position the Bench:** Once assembled, place the bench in its desired location. Ensure the surface is level and stable.
5. **Secure the Bench (Optional):** For enhanced stability and theft prevention, the bench base can be secured to the ground using the provided expansion screws.
 - Mark the drilling points on the ground through the holes in the bench's base.
 - Drill appropriate holes in the ground (concrete, pavement, etc.) according to the expansion

screw specifications.

- Insert the expansion screws and tighten them to firmly secure the bench.

Image 2: Detail of the expansion screws used to secure the bench to the ground for added stability and security.

5. OPERATION

The LITFAD Park Bench is designed for seating in various outdoor and indoor environments. Once assembled and securely placed, it is ready for use. Ensure the bench is stable before allowing individuals to sit on it.

6. MAINTENANCE

Regular maintenance will prolong the life and appearance of your LITFAD Park Bench:

- **Cleaning:** Wipe down the stainless steel frame and plastic wood seating with a damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Weather Protection:** While the bench is designed to be waterproof and corrosion-resistant, covering it during extreme weather conditions (heavy snow, prolonged rain) can further extend its lifespan.
- **UV Exposure:** The plastic wood is UV resistant, but prolonged exposure to intense sunlight over many years may cause slight fading.

7. TROUBLESHOOTING

If you encounter any issues with your bench, refer to the following common solutions:

- **Bench feels unstable:**

- Ensure the bench is placed on a flat, level surface.
- Check all assembly screws and expansion screws (if used) for tightness.
- **Squeaking noises:**
 - Inspect all connection points and tighten any loose fasteners.
- **Difficulty cleaning:**
 - Use a soft cloth, warm water, and a mild detergent. Avoid abrasive materials.

8. SPECIFICATIONS

Attribute	Detail
Model Number	LT1584888S
Dimensions (L x W x H)	79" x 16" x 18" (200cm x 40cm x 45cm)
Frame Material	Stainless Steel
Seating Material	Plastic Wood
Color	Silver (Frame) / Wood-tone (Seating)
Water Resistant	Yes
UV Resistant	Yes
Assembly Required	Yes
