# DWVO Industrial 5-Tier Bookshelf Instruction Manual

Model: AEDWVCsxhO

## INTRODUCTION

Thank you for choosing the DWVO Industrial 5-Tier Bookshelf. This manual provides detailed instructions for assembly, usage, and maintenance to ensure safe and proper operation of your new shelving unit. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

### Safety Warning:

- Always ensure all parts are securely fastened before use.
- Do not overload shelves. Distribute weight evenly.
- Use the included anti-tipping kit to secure the bookshelf to a wall, especially in homes with children or pets, to prevent accidental tipping.
- Keep small parts away from children during assembly.

## PACKAGE CONTENTS

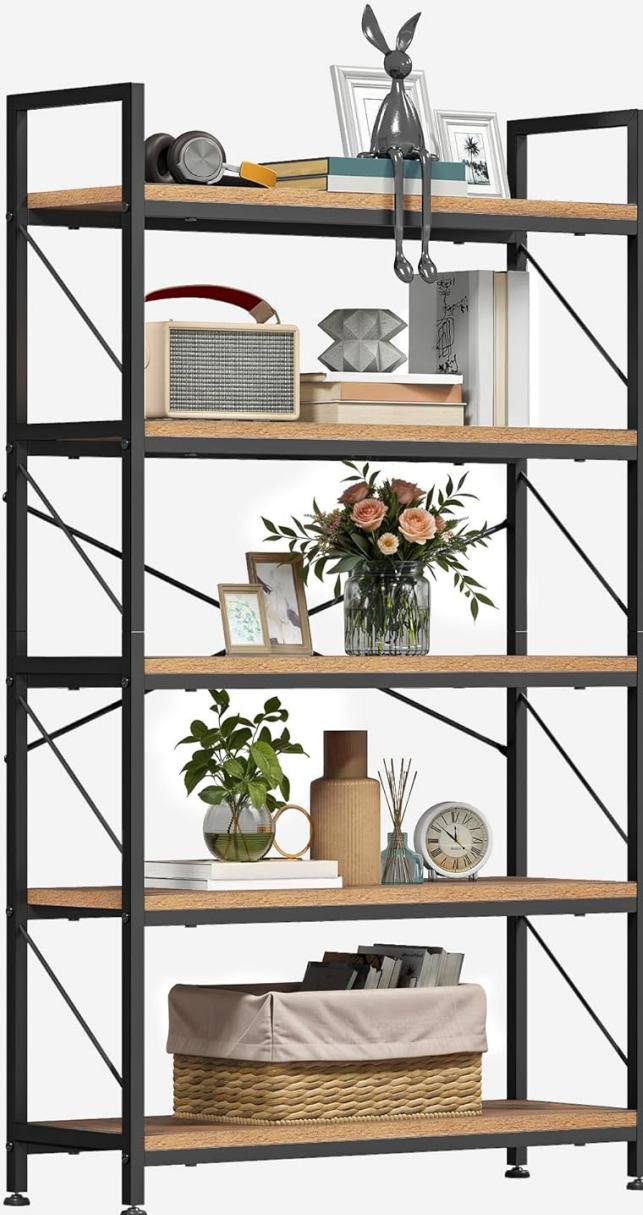

Please verify that all components are present before starting assembly. If any parts are missing or damaged, please contact customer support.

- Metal Frame Components
- 5 x Wooden Shelf Panels
- X-shaped Back Braces
- Adjustable Feet
- Anti-tipping Kit (Wall anchor, strap, screws)
- Assembly Hardware (Screws, Allen wrench)
- Instruction Manual

## SETUP AND ASSEMBLY INSTRUCTIONS

Follow these steps carefully for proper assembly. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

- 1. Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out and compare them with the parts list to ensure everything is present.
- 2. Assemble the Side Frames:** Connect the vertical metal frame pieces using the provided screws. Ensure the holes align correctly.
- 3. Attach Shelf Supports:** Secure the horizontal metal supports for each shelf to the side frames. Do not fully tighten screws yet.
- 4. Install Wooden Shelves:** Place the wooden shelf panels onto their respective supports. Ensure they are flush and secure.
- 5. Install X-shaped Back Braces:** Attach the X-shaped metal braces to the back of the bookshelf. These braces enhance structural stability and prevent items from falling off the back.
- 6. Attach Adjustable Feet:** Screw the adjustable feet into the bottom of the metal frame. These feet help stabilize the bookshelf on uneven surfaces.
- 7. Tighten All Screws:** Once all components are in place, systematically tighten all screws to ensure the bookshelf is rigid and stable.
- 8. Secure with Anti-Tipping Kit:** Position the bookshelf in its desired location. Use the anti-tipping kit to secure the unit to a wall. This is a critical safety step to prevent the bookshelf from falling over.

## OPERATING INSTRUCTIONS / USAGE

The DWVO Industrial 5-Tier Bookshelf is designed for versatile storage and display in various rooms such as living rooms, home offices, or bedrooms.

- **Loading:** Place books, decorative items, potted plants, and other belongings on the shelves. Distribute weight evenly across each shelf to maintain balance and stability.
- **Capacity:** While robust, avoid placing excessively heavy items on a single shelf. Refer to the specifications for general weight limits if available (not explicitly provided, so general advice is given).
- **Adjustable Feet:** Use the adjustable feet to fine-tune the bookshelf's levelness on uneven floors, ensuring maximum stability.

## MAINTENANCE

Proper care will extend the life and appearance of your bookshelf.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent water damage or staining to the wooden shelves. The surface is designed to be water and scratch resistant, but prompt cleaning is recommended.
- **Stability Check:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Environment:** Avoid placing the bookshelf in direct sunlight or near heat sources to prevent warping or fading of the wood.

## TROUBLESHOOTING

If you encounter any issues with your bookshelf, refer to the following common solutions:

- **Bookshelf is Wobbly:**
  - Ensure all assembly screws are fully tightened.
  - Adjust the leveling feet at the bottom of the frame to compensate for uneven flooring.
  - Verify that the anti-tipping kit is correctly installed and secured to the wall.
- **Parts Do Not Fit:**
  - Double-check the instruction manual to ensure you are using the correct parts for each step.
  - Ensure parts are oriented correctly. Sometimes a slight rotation can make a difference.
  - Do not force parts together. If issues persist, contact customer support.

## SPECIFICATIONS

Feature	Detail
Model Number	AEDWVCsxhO
Brand	DWVO
Color	Rustic Brown
Material	Engineered Wood, Metal
Overall Dimensions (L x W x H)	80 cm x 30 cm x 158 cm (31.5" x 11.8" x 62.2")
Product Weight	18.9 kg (approximately 41.6 lbs)
Number of Tiers	5

Feature	Detail
Mounting Type	Floor Mount
Style	Modern, Industrial
