### Jocoevol C-1627

# Jocoevol Queen Size Floating Bed Frame (Model C-1627) Instruction Manual

Your guide to assembly, operation, and maintenance.

## 1. INTRODUCTION

---

Thank you for choosing the Jocoevol Queen Size Floating Bed Frame. This bed frame is designed to provide a unique visual experience with its floating design and integrated LED lighting. It also features an ergonomic adjustable headboard, hidden storage, and a convenient charging station. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure you get the most out of your new bed frame.

## 2. SAFETY INFORMATION

---

Please read and understand all safety warnings and instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Weight Capacity:** Do not load more than 1000 pounds onto the bed frame. Exceeding this limit may compromise the structural integrity and lead to collapse.
- **Assembly:** Follow assembly instructions carefully to avoid instability. Ensure all bolts and fasteners are securely

tightened.

- **Electrical Safety:** Ensure the charging station and LED light connections are properly installed and not exposed to moisture. Do not overload the charging ports.
- **Mattress Compatibility:** For optimal performance and to maximize comfort with the adjustable headboard, use a mattress between 8-10 inches thick, not exceeding 12 inches.
- **Children and Pets:** Keep small children and pets away from the assembly area. Small parts can be a choking hazard.

## 3. SETUP AND ASSEMBLY

---

### 3.1 Package Contents

Before beginning assembly, verify that all components listed in the included installation manual are present. The package typically includes:

- Headboard components
- Bed frame components
- Wood slats
- Hardware kit (screws, bolts, Allen wrench)
- Installation Manual

### 3.2 Assembly Instructions

Assembly of this bed frame is designed to be straightforward. It is recommended to have two people for assembly to ensure ease and safety. Please refer to the detailed step-by-step instructions provided in your included Installation Manual.

1. **Preparation:** Clear a spacious area for assembly. Lay out all parts and hardware. It is helpful to organize screws and small parts into labeled containers to prevent confusion.
2. **Frame Assembly:** Follow the manual to connect the main frame components. Ensure all connections are finger-tight before final tightening.
3. **Headboard Attachment:** Secure the headboard to the main frame. Note the triangular support structure for enhanced stability.
4. **Slat Installation:** Place the wood slats onto the frame. The slats are designed with silent sponge strips to reduce noise.
5. **Leg Adjustment:** The bed frame includes 9 metal legs, with 3 adjustable ones. Adjust these legs to ensure the bed is stable on uneven floors or carpets.
6. **Electrical Connections:** Connect the LED light strips and charging station wiring as per the manual. Ensure all connections are secure.

## 4. OPERATING INSTRUCTIONS

### 4.1 Adjustable Ergonomic Headboard

The headboard features a unique design with three adjustable angles, allowing you to customize your comfort for various activities. Crafted with 2-inch thick high-density foam and premium velvet fabric, it provides optimal support.

- **Angle 1 (Relax):** Ideal for comfortably watching TV.
- **Angle 2 (Reading/Devices):** Provides an optimal position for reading or using electronic devices.
- **Angle 3 (Restful Nap):** Lean back for a comfortable, restful nap.

To adjust the headboard, gently lift and position it to your desired angle. The mechanism will lock into place.

### Three-angle Adjustable Ergonomic Headboard – Versatile Comfort for Any Activity

**Angle 1:**  
Relax and watch TV comfortably

**Angle 2:**  
Ideal for reading or using devices

**Angle 3:**  
Lean back for a restful nap or sleep

Image 4.1: The three-angle adjustable ergonomic headboard provides versatile comfort.

## 4.2 Multi-Function RGB LED Lighting System

The bed frame is equipped with a smart RGB LED light strip integrated into the headboard and under the bed frame. This system offers extensive customization and features:

- **Control Methods:** Control the lights via dedicated buttons, a mobile application, or the included remote control.
- **Color Options:** Choose from over 16 million colors to match your mood or decor.
- **Lighting Effects:** Access over 20 preset lighting effects.
- **Music Sync Mode:** The LED lights can flash in rhythm with music, creating an immersive audio-visual experience.
- **Timing Function:** Set timers for the lights to turn on or off.
- **Brightness Adjustment:** Adjust the brightness level to your preference.

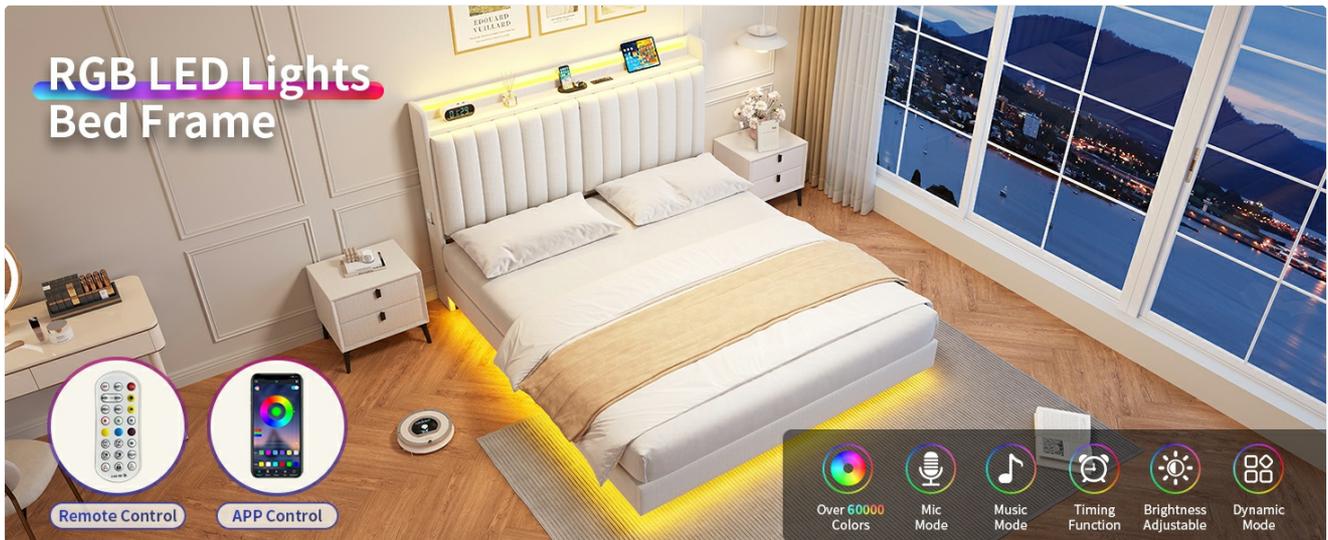

Image 4.2: Overview of the RGB LED lighting system and its control options.

## 4.3 Storage Headboard with Charging Station

The headboard is designed with practicality in mind, offering both storage and charging capabilities:

- **Open Shelf:** A 6.7-inch deep open shelf provides convenient space for small items like phones, books, or decorative elements.
- **Hidden Storage:** A 15.7-inch high hidden private storage space is accessible by lifting the upholstered headboard panels, ideal for keeping personal items out of sight.
- **Charging Station:** The built-in charging station includes 2 standard 125V/12A outlets, 1 USB port (5V/2A), and 1 Type-C port (5V/3A) for charging various devices directly from your bedside.
- **Side Pockets:** Convenient side pockets are integrated into the headboard for easy access to phones, remotes, or other small essentials.

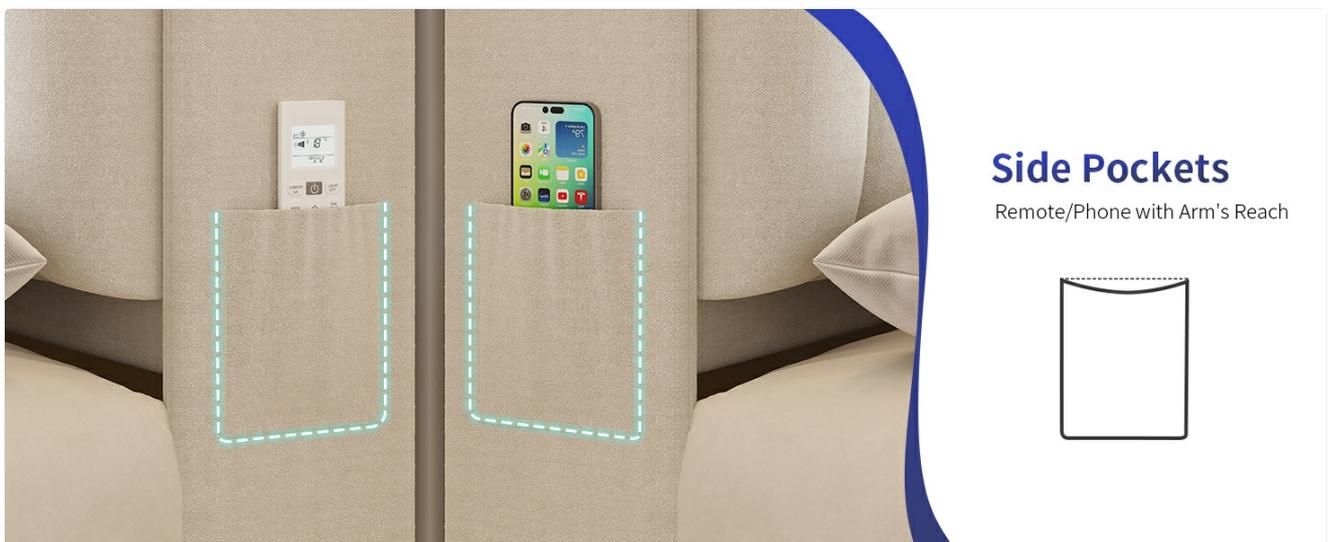

Image 4.4: Side pockets for convenient storage of small items like phones or remotes.

## 5. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your Jocoevol bed frame.

- **Cleaning Upholstery:** For general cleaning, gently vacuum the velvet upholstery using a soft brush attachment. For spills, blot immediately with a clean, dry cloth. For stubborn stains, consult a professional upholstery cleaner or use a mild, pH-neutral fabric cleaner according to its instructions, testing on an inconspicuous area first.
- **Frame Cleaning:** Wipe metal and non-upholstered surfaces with a soft, damp cloth. Avoid abrasive cleaners.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain stability and prevent squeaking.
- **LED Lights:** Ensure the LED light strips are free from dust. Do not attempt to replace individual LEDs; contact customer support if there is an issue.
- **Charging Station:** Keep the charging ports clean and free of debris. Do not force plugs into the ports.

## 6. TROUBLESHOOTING

If you encounter any issues with your bed frame, refer to the following common troubleshooting steps:

## 6.1 LED Lights Not Functioning

- **Check Power Connection:** Ensure the power adapter for the LED lights is securely plugged into a working wall outlet and into the bed frame's control unit.
- **Verify Wiring:** Confirm all wiring connections for the LED strips are correctly and securely attached. Refer to your assembly manual for wiring diagrams.
- **Remote Control Battery:** If using the remote, check if its battery needs replacement.
- **App/Button Control:** Test control via the mobile app or physical buttons on the headboard to rule out remote issues.

## 6.2 Squeaking Noises

- **Tighten Hardware:** Re-tighten all assembly bolts and screws throughout the frame, especially those connecting the side rails and slats.
- **Check Slats:** Ensure all wood slats are properly seated and the silent sponge strips are intact and correctly positioned on the middle beam and slat ends.
- **Adjust Legs:** Verify that all 9 support legs are firmly on the floor and adjusted correctly, especially the 3 adjustable ones.

## 6.3 Headboard Adjustment Issues

- **Clear Obstructions:** Ensure there are no pillows, blankets, or other items obstructing the headboard's adjustment mechanism.
- **Even Lifting:** When adjusting, lift both sides of the headboard panel evenly to engage the locking mechanism smoothly.

## 7. SPECIFICATIONS

Feature	Detail
Brand	Jocoevol
Model Number	C-1627
Size	Queen
Product Dimensions (L x W x H)	87.4" x 62.2" x 41.3"
