

Donerton I66

Donerton Wireless Earbuds Model I66 User Manual

Bluetooth 5.4 Earbuds with ENC Noise Cancelling Microphone

1. INTRODUCTION

Thank you for choosing Donerton Wireless Earbuds Model I66. This manual provides detailed instructions for setting up, operating, and maintaining your earbuds to ensure optimal performance and longevity. Please read this manual thoroughly before use and retain it for future reference.

2. PRODUCT OVERVIEW

The Donerton I66 Wireless Earbuds feature a compact design with a portable charging case. The case includes an LED display to indicate battery levels for both the case and individual earbuds.

3. CHARGING

To ensure your earbuds are ready for use, follow these charging instructions:

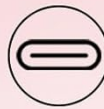

1. **Charging the Earbuds:** Place the earbuds into the charging case. They will automatically begin charging. The LED display on the case will show the charging status of each earbud.
2. **Charging the Case:** Connect the USB-C charging cable to the charging port on the case and to a power source. The LED display will show the charging progress of the case. A full charge for the case takes approximately 1.5 hours.

The earbuds provide up to 8 hours of playback on a single charge, and the charging case extends the total playtime to approximately 45 hours.

4. SETUP: PAIRING YOUR EARBUDS

The Donerton I66 earbuds feature a one-step pairing process for convenience.

1. **Initial Pairing:** Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. **Connect to Device:** On your device (smartphone, tablet, etc.), go to Bluetooth settings and select "I66" from the list of available devices.
3. **Automatic Reconnection:** Once paired, the earbuds will automatically connect to the last paired device when the case is opened.
4. **Power Off:** Place the earbuds back into the charging case and close the lid to automatically disconnect and power off the earbuds.

5. OPERATING: SMART TOUCH CONTROLS

The Donerton I66 earbuds are equipped with smart touch controls for easy management of calls and music playback.

- **Answer Call:** Single tap on either earbud.
- **Hang Up Call:** Double tap on either earbud.
- **Volume -:** Tap and hold the left earbud.
- **Volume +:** Tap and hold the right earbud.
- **Play/Pause:** Single tap on either earbud during music playback.
- **Previous Track:** Triple tap the left earbud.
- **Next Track:** Triple tap the right earbud.
- **Activate Voice Assistant (Siri/Google Assistant):** Quadruple tap on either earbud.

6. KEY FEATURES

6.1. Upgraded Bluetooth 5.4

The earbuds utilize advanced Bluetooth 5.4 technology, providing a more stable and efficient wireless connection. This results in lower power consumption and improved data transfer speeds compared to previous Bluetooth versions.

7. MAINTENANCE

Proper maintenance helps extend the lifespan of your earbuds:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Eartips:** Remove and clean the eartips periodically to prevent wax buildup. Ensure they are completely dry before reattaching.
- **Storage:** Store the earbuds in their charging case when not in use to protect them and keep them charged. Avoid extreme temperatures.
- **Water Exposure:** While IP7 waterproof, avoid prolonged submersion in water. Dry thoroughly if exposed to moisture.

8. TROUBLESHOOTING

If you encounter issues with your Donerton I66 earbuds, refer to the following common solutions:

- **Earbuds Not Pairing:**
 - Ensure both earbuds are charged.
 - Turn off and on your device's Bluetooth.
 - Forget "I66" from your device's Bluetooth list and try pairing again.
 - Place earbuds back in the case, close the lid, wait a few seconds, then open to reset.
- **Only One Earbud Working:**
 - Ensure both earbuds are charged.
 - Place both earbuds back in the charging case, close the lid, then open them again.
 - Perform a factory reset if available (refer to specific instructions if provided by manufacturer, otherwise try forgetting device and re-pairing).
- **No Sound:**
 - Check the volume level on both your device and the earbuds.
 - Ensure the earbuds are properly connected to your device.
 - Try playing audio from a different application or source.
- **Charging Issues:**
 - Verify the charging cable and adapter are working correctly.
 - Ensure the charging contacts on the earbuds and in the case are clean and free of debris.
