3. Setup

Before you begin creating your beautiful flowers, follow these steps to set up your embossing machine:

1. **Assemble the Embossing Machine:** Connect the upper part of the embossing machine to its base. Ensure it clicks securely into place.
2. **Prepare the Work Area:** Clear a flat, stable surface for crafting.
3. **Organize Components:** Sort your flower petals, cores, receptacles, and branches for easy access.

4. Operating Instructions: Making Flowers

Follow these steps to create your custom fabric flowers:

1. **Place a Flower Receptacle:** Position one flower receptacle onto the designated spot on the embossing

machine's base.

2. **Layer Petals:** Select your desired fabric petals. You can mix and match different colors, sizes, and textures to create unique designs. Place them one by one onto the flower receptacle.
3. **Insert Flower Core:** Place a flower core into the center of the layered petals.
4. **Press to Secure:** Align the top part of the embossing machine over the petals and core. Firmly press down on the handle to secure all layers together.
5. **Attach to a Branch:** Once the flower is formed, carefully remove it from the machine. Attach the finished flower to either a long or short flower branch.
6. **Arrange Your Bouquet:** Use the provided flower arrangement bases or the vase to display your creations. You can also wrap them in bouquet paper for gifting.

5. Maintenance

To ensure the longevity of your Scvcid DIY Art Flower Craft Kit, follow these simple maintenance tips:

- **Cleaning:** Wipe down the embossing machine and plastic components with a damp cloth after each use. Avoid harsh chemicals.
- **Storage:** Store all components in a dry, cool place, preferably in the original packaging or a designated storage container. The base of the embossing machine can be used as a storage box for smaller parts.
- **Fabric Care:** Fabric petals can be gently hand-washed if they become dirty. Allow them to air dry completely before storing.

6. Troubleshooting

If you encounter any issues while using your craft kit, refer to the following common solutions:

- **Flower not securing properly:** Ensure the flower receptacle, petals, and core are correctly aligned in the embossing machine. Apply firm, even pressure when pressing the handle.
- **Difficulty attaching flower to branch:** Make sure the flower core is fully pressed and the opening is clear. Gently twist the flower onto the branch stem until it is secure.
- **Missing parts:** Double-check the packaging. If parts are genuinely missing, contact customer support.
