Maxi-Cosi Calao Travel Playard Instruction Manual

MODEL: CALAO (PY456HCOA)

Brand: Maxi-Cosi

1. Product Overview

The Maxi-Cosi Calao Travel Playard is a versatile 3-in-1 solution designed for infants and toddlers. It functions as an infant bassinet, a comfortable sleep space for toddlers, and a secure playard. Its lightweight and ultra-compact design makes it ideal for travel and easy movement between rooms.

- **3-in-1 Functionality:** Easily transitions from an infant bassinet to a toddler playard.
- **Adjustable Mattress:** The 2-fold mattress can be configured for bassinet or playard use.
- **EcoCare Fabric:** Features 100% recycled fabric made from plastic bottles, offering softness and breathability.
- **Lightweight Design:** Weighs approximately 13 lbs for effortless portability.
- **Convenient Carry Bag:** Includes a storage bag that can be carried by hand or as a backpack.
- **Breathable Mesh Sides:** Ensures optimal airflow and visibility.
- **Independent Entry:** One side of the playard unzips for toddler access.

2. Safety Information

Always prioritize your child's safety. This product is designed with a firm, flat sleeping surface that meets the Consumer Product Safety Commission's recommendations for safe sleep. Ensure all components are securely assembled before use.

- Never leave a child unattended in the playard or bassinet.
- Discontinue use of the bassinet feature when the infant begins to push up on hands and knees,

or reaches 20 lbs, whichever comes first.

- Always use the mattress provided by the manufacturer. Do not add extra padding or mattresses.
- Keep small objects, cords, and choking hazards away from the playard.
- Ensure all locking mechanisms are engaged before placing a child in the playard.

3. Setup Instructions

Follow these steps to set up your Maxi-Cosi Calao Travel Playard.

1. **Unpack:** Remove the playard from its carry bag.
2. **Unfold Frame:** Stand the folded frame upright and pull the legs outwards until they lock into place.
3. **Insert Mattress (Bassinet Mode):** For infant bassinet use, unzip the 2-fold mattress and remove one section. Place the remaining section into the upper bassinet level, ensuring it lies flat and is secured.
4. **Insert Mattress (Playard Mode):** For toddler playard use, zip the two mattress sections together. Place the full mattress into the lower level of the playard, ensuring it lies flat and is secured.

4. Operating Modes

The Calao Travel Playard offers two primary modes:

- **Infant Bassinet Mode:** For newborns, the mattress is positioned at an elevated level, providing easy access to your baby. This mode is suitable until the infant can push up on hands and knees or reaches 20 lbs.
- **Toddler Playard Mode:** For older infants and toddlers, the mattress is placed at the lowest level, creating a secure and spacious area for play or sleep. The zippered side allows for independent entry and exit for toddlers.

5. Folding and Portability

The Calao Travel Playard is designed for quick and easy folding, making it convenient for storage and transport.

1. **Remove Mattress:** Take out the mattress from the playard.
2. **Collapse Frame:** Follow the instructions in your product manual to release the locking mechanisms and collapse the frame.
3. **Fold Mattress:** Fold the 2-fold mattress compactly.
4. **Pack into Bag:** Place the folded playard frame and mattress into the provided carry bag. The bag can be carried by hand or worn as a backpack.

6. Maintenance and Care

Proper maintenance ensures the longevity and safety of your playard.

- **Cleaning Fabric:** The fabric components can be spot cleaned with a damp cloth and mild soap. Allow to air dry completely. Do not use bleach.
- **Cleaning Frame:** Wipe the frame with a damp cloth. Ensure all parts are dry before folding or storing.
- **Storage:** Store the playard in its carry bag in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Regular Inspection:** Periodically check for loose parts, torn fabric, or damaged mesh. Do not use if any part is damaged.

7. Troubleshooting

If you encounter any issues with your Calao Travel Playard, refer to the following common solutions:

- **Difficulty Folding/Unfolding:** Ensure all locking mechanisms are fully disengaged or engaged. Refer to the setup/folding instructions carefully.
- **Mattress Not Lying Flat:** Check that the mattress is correctly positioned and secured within the designated level (bassinet or playard). Ensure no fabric is bunched underneath.
- **Unstable Frame:** Verify that all four legs are fully extended and locked into place. The playard should feel sturdy.
