VGR YS-V4 in 1

VGR Professional Barber Combo 4-in-1 Grooming Kit User Manual

Model: YS-V4 in 1

1. INTRODUCTION

This manual provides detailed instructions for the safe and effective use of your VGR Professional Barber Combo 4-in-1 Grooming Kit. This comprehensive kit includes a cordless hair clipper (VGR 001), hair trimmer (VGR 977), foil shaver (VGR 378), and hair dryer (VGR 401), designed for both professional and home use. Please read all instructions carefully before initial use and retain this manual for future reference.

2. SAFETY INFORMATION

WARNING: To reduce the risk of electric shock, injury, or fire, always follow these basic safety precautions:

- Do not use near water (e.g., in a bathtub, shower, or near a sink).
- Keep away from heated surfaces.
- Do not use while sleeping or if unconscious.
- Keep out of reach of children.
- Clean and maintain all components according to the manufacturer's instructions provided in this manual.
- Only use attachments supplied or recommended by the manufacturer.
- Do not operate any appliance with a damaged cord or plug, or if it malfunctions or has been dropped or damaged.

3. PACKAGE CONTENTS

Your VGR Professional Barber Combo 4-in-1 Grooming Kit includes the following items:

- 1x Cordless Hair Clipper (VGR 001)
- 1x Hair Trimmer (VGR 977)

4. SETUP AND CHARGING

Before first use, ensure all devices are fully charged. The charging dock allows for multi-device simultaneous charging.

4.1 Initial Charging

1. Connect the power adapter to the charging dock and a suitable power outlet.
2. Place the hair clipper, trimmer, and foil shaver into their respective slots on the charging dock.
3. The hair dryer can be placed on its stand and connected directly to the power adapter if simultaneous charging is needed, or charged separately.
4. Allow the devices to charge until their LED displays indicate a full charge. The VGR 001 Clipper requires approximately 3 hours for a full charge, the VGR 977 Trimmer requires 1.5 hours, and the VGR 378

Shaver requires 2 hours.

5. OPERATING INSTRUCTIONS

5.1 VGR 001 Hair Clipper

- **Power On/Off:** Press the power button to turn the clipper on or off.
- **Speed Adjustment:** The clipper features a 7,000–9,000 RPM motor with 21 adjustable speed settings. Adjust the speed by turning the center knob.
- **Cutting Length:** Attach one of the 10 guide combs (1.5mm to 24mm) for desired hair length. The 5-position adjustable taper lever allows for fine-tuning cutting lengths from 1mm to 27mm.
- **Usage:** Use for professional-quality haircuts, sideburns, and beard trimming.
- **Battery Life:** Provides up to 300 minutes of runtime on a full charge.

5.2 VGR 977 Hair Trimmer

- **Power On/Off:** Press the power button to turn the trimmer on or off.
- **Speed Adjustment:** Speeds range from 6000 to 8000 RPM. Adjust as needed for precise trimming.
- **Cutting Length:** Use the 4 guide combs (1.5mm to 6mm) for detailed trims and sharp lines. The zero-gap design ensures clean edges.
- **Battery Life:** Offers at least 260 minutes of runtime on a full charge.
- **LED Display:** Monitor real-time battery and speed control on the ultra-large LED display.

5.3 VGR 378 Foil Shaver

- **Power On/Off:** Press the power button to turn the shaver on or off.
- **Speed Adjustment:** Adjustable speeds from 7000 to 9000 RPM for a comfortable, close shave.
- **Features:** Three-blade system with hypoallergenic titanium foils for a smooth, irritation-free shave. Ideal for beards, mustaches, and necklines.

- **Battery Life:** Provides no less than 120 minutes of cordless runtime on a full charge (1400mAh battery).
- **LED Display:** Digital LED display for precise battery monitoring.

5.4 VGR 401 Hair Dryer

- **Power On/Off:** Press the power button to turn the hair dryer on or off.
- **Motor:** High-power 1600-1900W brushless motor for ultra-fast drying.
- **Technology:** Negative ionic technology helps eliminate frizz and enhance shine.
- **Settings:** Offers 40 temperature and 40 speed settings for full control across all hair types.
- **Attachments:** Includes magnetic attachments: a diffuser and concentrator for various styling needs.
- **Operation:** Operates quietly for a comfortable styling experience.

HIGH-SPEED BLDC MOTOR 70000-110000 RPM

6. MAINTENANCE

Regular maintenance ensures optimal performance and extends the lifespan of your grooming kit.

- **Cleaning Blades:** After each use, brush hair clippings from the clipper and trimmer blades using the provided cleaning brush.
- **Oiling Blades:** Apply a few drops of the lubricating oil to the blades of the clipper and trimmer after every few uses or as needed to maintain smooth operation and prevent rust.
- **Foil Shaver Cleaning:** Carefully remove the foil head and brush away any trapped hair. Do not use water on the foil head unless specified as waterproof.
- **Hair Dryer Filter:** Regularly check and clean the air intake filter of the hair dryer to prevent blockages and maintain airflow.
- **Storage:** Store all components in the provided travel case to protect them from dust and damage.

7. TROUBLESHOOTING

If you encounter issues with your VGR grooming kit, refer to the following common solutions:

Problem	Possible Cause	Solution
Device not turning on	Low battery; Power button not pressed correctly	Charge the device fully; Ensure the power button is pressed firmly.
Poor cutting/trimming performance	Blades are dull, dirty, or not oiled; Incorrect guide comb used	Clean and oil the blades; Replace blades if dull; Select appropriate guide comb.
Foil shaver causing irritation	Foil head is damaged or dirty; Skin not prepared properly	Clean or replace foil head; Ensure skin is clean and dry before shaving.
Hair dryer overheating or weak airflow	Air intake filter blocked	Clean the air intake filter.
Device not charging	Charging cable/adaptor faulty; Device not seated correctly in dock	Check cable and adapter for damage; Ensure device is properly seated in the charging dock.

If the problem persists after attempting these solutions, please contact VGR customer support.

8. SPECIFICATIONS

- **Brand:** VGR
- **Model Name:** YS-V4 in 1
- **Item Model Number:** YS-V4 in 1-Black-US
- **Package Dimensions:** 19.88 x 13.98 x 5.71 inches
- **Item Weight:** 11.02 Pounds
- **Batteries:** 3 C batteries required (included)
- **Battery Description:** Integrated/Built-in Rechargeable Battery
- **Clipper Charging Time:** 3 Hours (for 300 minutes runtime)
- **Trimmer Charging Time:** 1.5 Hours (for 260 minutes runtime)
