7. MAINTENANCE

To ensure the longevity and appearance of your HiWEEGO Christmas ornaments, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the ornaments with a soft, dry cloth to remove dust. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** When not in use, store the disassembled or assembled ornaments in a cool, dry place away from direct sunlight. The original packaging box can be used for organized storage.
- **Handling:** Handle the ornaments with care to prevent pieces from detaching or breaking.

8. TROUBLESHOOTING

If you encounter any issues during assembly or use, refer to the following common solutions:

Problem	Possible Cause	Solution
Pieces do not fit together easily.	Incorrect orientation or slight manufacturing variation.	Ensure pieces are oriented correctly according to the manual. Apply gentle, firm pressure. If a piece is consistently difficult, try another similar piece if available, or contact support.
Assembled ornament falls apart easily.	Pieces not fully connected or incorrect assembly step.	Review the instruction manual for the specific ornament. Ensure all connections are pressed firmly until they click into place.
Missing pieces in a package.	Packaging error.	Carefully check all contents of the package. If pieces are genuinely missing, contact HiWEEGO customer support for assistance.
Ornament does not hang straight.	Imbalance in assembly or hanging point.	Verify that all pieces are symmetrically attached. Adjust the hanging string's position slightly if possible to find a balance point.
