## WLIVE Vanity Table with Large LED Mirror & Charging Station

# WLIVE Vanity Table with LED Mirror & Charging Station Instruction Manual

Model: Vanity Table with Large LED Mirror & Charging Station

## 1. PRODUCT OVERVIEW

---

The WLIVE Vanity Table is designed to provide a functional and organized space for makeup application and personal care. It features a large LED mirror with adjustable lighting, a built-in charging station, multiple storage drawers, and an integrated glass top for visible storage.

This manual provides detailed instructions for the assembly, operation, and maintenance of your vanity table. Please read it thoroughly before use and retain it for future reference.

## 2. SAFETY INFORMATION

---

Please observe the following safety precautions to prevent injury or damage to the product:

- Exercise caution around sharp edges during assembly and use.
- Handle the mirror with care to prevent breakage.
- Ensure all screws and fasteners are securely tightened during assembly.
- Do not overload drawers or shelves to maintain stability.
- Keep electrical components (charging station) away from water.
- Utilize the provided anti-tip device to secure the vanity to a wall, preventing accidental tipping.

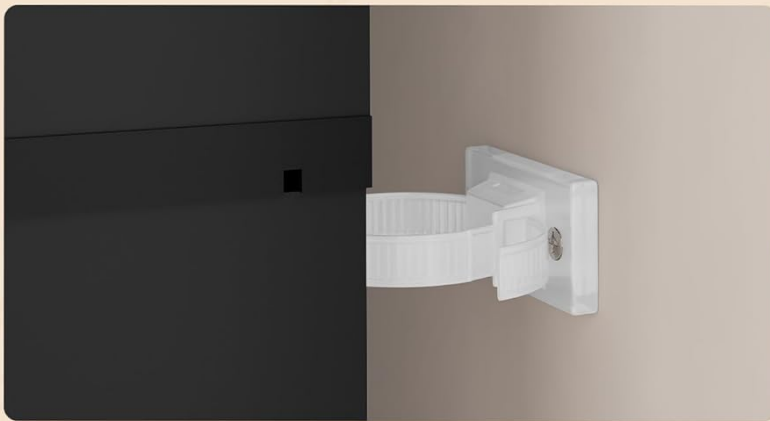

### Convenient Power Outlet

Charging station included.  
Your phone, tablet,  
and tools always ready.

### Hair Dryer Holder

Go from makeup to hairstyling seamlessly. Everything you need right there, making it effortless.

### Anti-Tip Device

Safety-first design with anti-tip protection for total peace of mind.

## 4. SETUP AND ASSEMBLY

Assembly is required for this vanity table. It is recommended to have two people for certain steps to ensure stability and ease of construction. Follow the included step-by-step instructions carefully.

### 4.1 General Assembly Tips

- Clear a spacious area for assembly.
- Lay out all parts and hardware, organizing them by type.
- Do not overtighten screws to avoid damaging the wood.
- Refer to the numbered diagrams in the separate assembly guide for specific steps.

## 4.2 Key Assembly Steps

1. Assemble the main desk frame and attach the legs. The vanity uses 2 long rubberwood legs and 4 short MDF legs for a stable base.
2. Construct the side cabinet and install the three side drawers.
3. Attach the open cabinet with shelves to the side of the mirror section.
4. Carefully place and secure the vanity tabletop, ensuring the LED mirror and charging station are correctly aligned.
5. Insert the two large drawers into their respective slots. Utilize the removable dividers as desired for organization.
6. Install the hair dryer holder on the side of the vanity.
7. Secure the anti-tip device to the back of the vanity and to a wall stud using appropriate hardware.

## 5. OPERATING INSTRUCTIONS

## 5.1 LED Mirror Operation

The large LED mirror features adjustable brightness and three lighting modes to suit various needs.

- **Power On/Off:** Tap the power icon on the mirror surface to turn the LED lights on or off.
- **Adjust Brightness:** Long press the brightness control icon (represented by a sun symbol) on the mirror surface to cycle through brightness levels from 0% to 100%. Release when the desired brightness is reached.
- **Switch Lighting Modes:** Tap the mode switch icon (represented by a circular arrow or similar) to cycle between three color temperature modes: Cold Light, Natural Light, and Warm Light.

## 5.2 Charging Station Usage

The integrated charging station provides convenient power access for your electronic devices.

- Plug the vanity table's main power cord into a standard 120V/12A wall outlet.
- Use the 2 AC outlets to power hair tools, lamps, or other small appliances.
- Use the 2 USB ports (5V/12A) to charge smartphones, tablets, or other USB-powered devices.

Image 5.2: Close-up of the charging station with devices connected.

### 5.3 Storage Features

The vanity table offers various storage solutions to keep your items organized.

- **Glass Top:** The sleek glass top provides a clear view of items stored in the compartments below, allowing for easy access to frequently used cosmetics and accessories.
- **Drawers:** Utilize the 5 smooth-glide drawers for concealed storage. The large drawers include removable dividers for customizable organization.
- **Open Shelves:** The open cabinet with shelves is ideal for displaying perfumes, lotions, or decorative items.
- **Stool Storage:** The accompanying stool (if included) may feature a hidden storage compartment for additional items.

### See & Style with Ease

The sleek glass top offers a clear view inside your drawers, so your favorite jewelry, makeup, and accessories are always visible and ready to complete your look.

## 6. MAINTENANCE

---

Proper care will extend the life and appearance of your vanity table.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Spills:** Promptly wipe up any spills to prevent staining or damage to the wood and glass surfaces.
- **Hardware:** Periodically check and tighten all screws and fasteners to ensure the vanity remains stable.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your vanity table, refer to the following common solutions:

Problem	Possible Cause	Solution
LED Mirror not lighting up	Power cord not plugged in; loose connection; power outage.	Ensure the vanity is plugged into a working outlet. Check all connections. Test the outlet with another device.
Charging station not working	Vanity not powered; device not properly connected; faulty device cable.	Verify the vanity is powered. Ensure devices are securely plugged into AC outlets or USB ports. Try a different charging cable or device.
Drawers are stiff or not sliding smoothly	Misaligned drawer slides; debris in slides; overtightened screws.	Check drawer slide alignment and ensure no obstructions. Loosen screws slightly if overtightened. Apply a silicone-based lubricant to slides if necessary.
Vanity feels wobbly	Loose assembly hardware; uneven floor; anti-tip device not installed.	Tighten all assembly screws. Place shims under legs if the floor is uneven. Ensure the anti-tip device is correctly installed and secured to the wall.
