WLIVE ASNG120BL

WLIVE Farmhouse 6-Drawer Dresser Instruction Manual

Model: ASNG120BL

1. INTRODUCTION

Thank you for choosing the WLIVE Farmhouse 6-Drawer Dresser. This manual provides detailed instructions for assembly, operation, maintenance, and safety to ensure proper use and longevity of your product. Please read this manual thoroughly before beginning assembly or use.

Image 1.1: The WLIVE Farmhouse 6-Drawer Dresser, featuring a black finish and Roman metal handles. The dresser is adorned with a vase of flowers, books, and a lamp, showcasing its aesthetic appeal and functional surface.

2. SAFETY INFORMATION

WARNING: Failure to follow these safety instructions could result in injury or damage to the product.

- Always assemble the dresser on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use.
- Do not overload drawers. Distribute weight evenly.
- **Anti-Tipping Device:** This dresser includes an anti-tipping device. It is crucial to install this device to prevent the dresser from tipping over, especially in households with children.
- Keep small parts and packaging materials away from children during assembly.
- Do not stand or climb on the dresser.

ANTI-TIP LOCK DETAILS

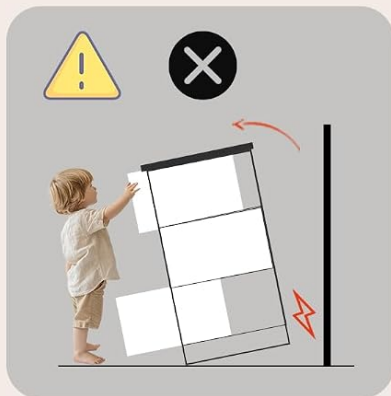

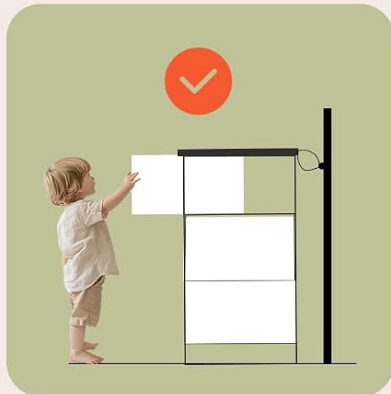

Image 2.1: Illustration demonstrating the importance of the anti-tipping device. The top panel shows correct installation preventing tipping, while the bottom panel illustrates the hazard of an unsecured dresser tipping over, emphasizing child safety.

3. PACKAGE CONTENTS

Before assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

(Note: A detailed parts list with quantities and diagrams is typically included in the physical manual.)

- Dresser frame components (top, bottom, side panels)
- Drawer components (fronts, sides, backs, bottoms)
- Drawer slides (metal)
- Roman metal handles
- Assembly hardware (screws, dowels, cam locks, etc.)
- Anti-tipping device kit
- Instruction manual

4. SETUP AND ASSEMBLY

Assembly is required for this product. Please follow the step-by-step illustrations provided in the included assembly guide. All screws and parts are clearly labeled for accurate and faster installation.

1. **Prepare Workspace:** Clear a spacious area and lay out all components on a soft, protective surface to prevent damage.
2. **Identify Parts:** Match all parts to the labels in the assembly guide.
3. **Assemble Frame:** Follow the instructions to connect the main frame components.
4. **Install Drawer Slides:** Attach the metal drawer slides to the dresser frame and drawer sides as directed.
5. **Assemble Drawers:** Construct each drawer, ensuring the bottom panel is correctly inserted and secured.
6. **Attach Handles:** Secure the Roman metal handles to the drawer fronts.
7. **Insert Drawers:** Carefully slide the assembled drawers into the dresser frame.
8. **Install Anti-Tipping Device:** Securely attach the anti-tipping device to the dresser and the wall according to the instructions. This step is critical for safety.

5. OPERATING INSTRUCTIONS

5.1 Using the Drawers

The dresser features six large drawers designed for smooth functionality. Each drawer is equipped with metal slides for easy opening and closing.

- To open a drawer, gently pull the Roman metal handle.
- To close a drawer, push it firmly until it is fully seated within the frame.
- Avoid forcing drawers open or closed if they encounter resistance. Check for obstructions.
- Distribute items evenly within the drawers to prevent strain on the slides and maintain balance.

5.2 TV Stand Functionality

This dresser can also function as a TV stand, accommodating televisions up to 60 inches in size.

- Place the television centrally on the dresser's top surface.
- Ensure the dresser is stable and level before placing a TV on it.
- Do not exceed the recommended TV size or weight capacity to prevent instability.
- Consider securing the TV to the wall using an additional anti-tip strap for enhanced safety, especially if the TV is large or heavy.

Image 5.1: The WLIVE dresser serving as a TV stand, demonstrating its capacity to hold televisions up to 60 inches. The image visually confirms the dresser's stability and appropriate dimensions for this use.

6. MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Dusting:** Regularly dust with a dry, soft cloth.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Drawer Slides:** If drawers become stiff, a small amount of silicone-based lubricant can be applied to the metal slides.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration.
- **Humidity Control:** Maintain a stable humidity level in the room to prevent wood warping or cracking.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Drawers do not slide smoothly.	Misaligned slides, obstructions, loose hardware, or lack of lubrication.	Check slide alignment and tighten screws. Remove any obstructions. Apply silicone lubricant to slides.
Dresser wobbles or is unstable.	Uneven floor, loose assembly hardware, or anti-tipping device not installed.	Ensure the dresser is on a level surface. Tighten all assembly screws. Install the anti-tipping device securely.
Missing parts during assembly.	Packaging error.	Contact WLIVE customer support with your purchase details and the specific missing parts.
Damage to product upon arrival.	Shipping damage.	Document the damage with photos and contact WLIVE customer support immediately.
