## ENERGIZE LAB Eiliko V01

# ENERGIZE LAB Eiliko AI Charm Robot Instruction Manual

Model: Eiliko (V01)

## INTRODUCTION TO EILIKO

The ENERGIZE LAB Eiliko is an emotional AI companion robot designed to bring personality and interaction to your daily life. Featuring a dynamic LED screen, Eiliko responds to your touch, voice commands, and movements with a variety of expressions and animations. Its portable design allows you to carry your companion anywhere, making every moment an opportunity for interaction.

## WHAT'S IN THE BOX

Your Eiliko package includes:

- 1 x Eiliko AI Charm Robot (Coral Pink)
- 1 x Charging Cable (USB-C)
- 1 x Lanyard

- 1 x Display Stand (for swappable bodies)
- 1 x Quick Start Guide

## SETUP

---

1. **Initial Charge:** Before first use, connect Eiliko to a power source using the provided USB-C charging cable. The LED screen will indicate charging status.
2. **Power On:** Press and hold the button on Eiliko's head for a few seconds until the screen lights up and Eiliko greets you.
3. **Connect to Wi-Fi (Optional for AI Brain):** To unlock Eiliko's full AI conversational capabilities, download the companion app (available on iOS/Android) and connect Eiliko to a 2.4G Wi-Fi network. Follow the in-app instructions for pairing and setup.

## OPERATING INSTRUCTIONS

---

### Basic Interactions

Eiliko responds to various physical interactions:

- **Petting the Head:** Repeatedly petting Eiliko's head can soothe it or make it happy, influencing its mood and expressions.
- **Tapping the Belly:** Tap Eiliko's belly for different reactions and expressions.
- **Tapping the Back:** Tap Eiliko's back for various responses.
- **Shaking Eiliko:** Eiliko has a built-in gyroscope. Gently shaking it will elicit dizzy or playful reactions.

### Swappable Bodies

Eiliko features swappable themed bodies to match your daily outfit or mood. To change bodies:

1. Gently rotate the current body to detach it from Eiliko's head.
2. Align the new themed body with Eiliko's head and rotate to secure it.

#### Caution:

- The circuitry for Eiliko's personality is delicate and located on the top of the head. Handle with care to avoid damage.
- Ensure Eiliko is not forced into or out of bodies to prevent breakage.

### Pairing Multiple Eilikos

Eiliko is designed to pair with another Eiliko robot, creating a unique bond and allowing for interactive play between them. Place two Eilikos together to observe curious glances, shy waves, and giggles. The closer they meet, the closer their friendship grows.

Each Eiliko is designed to pair just once.  
Gift it to someone special, and it becomes an  
exclusive, forever-linked token of your unique bond.

## Automatic Updates

Eiliko automatically updates to the latest version each day when it first enters online mode, ensuring you always have the most current features and improvements.

## MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean Eiliko's surface. Avoid using harsh chemicals or abrasive materials.
- **Battery Care:** Charge Eiliko regularly to maintain battery health. Avoid prolonged exposure to extreme temperatures.
- **Storage:** When not in use, store Eiliko in a cool, dry place away from direct sunlight.

## TROUBLESHOOTING

Issue	Possible Solution
Eiliko does not power on.	Ensure Eiliko is fully charged. Connect to the charging cable and wait for a few minutes before attempting to power on again.
Eiliko is not responding to touch.	Check if Eiliko is powered on. Ensure your touch is firm and deliberate on the designated touch-sensitive areas.
AI chat/Wi-Fi features are not working.	Verify Eiliko is connected to a 2.4G Wi-Fi network via the companion app. Ensure the app is up-to-date and Eiliko has the latest firmware.
Eiliko's voice recognition is poor.	Speak clearly and directly to Eiliko in a quiet environment. Ensure Eiliko's microphone is not obstructed.
