OYUMOENTS W2593P296919

OYUMOENTS Full Size Tent-Shaped Montessori Floor Bed with Fence & LED Light

MODEL: W2593P296919

Instruction Manual

Introduction

This manual provides essential information for the safe assembly, operation, and maintenance of your OYUMOENTS Full Size Tent-Shaped Montessori Floor Bed. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Important Safety Information

- Ensure proper assembly to prevent entrapment.
- Do not exceed the weight capacity of 350 lbs.
- Always supervise children while using the bed.
- Regularly check all fasteners and connections to ensure they remain tight.
- Keep small parts away from children during assembly.
- Do not use the bed if any parts are missing, damaged, or broken.

Parts List

Before assembly, verify that all components listed below are present and undamaged.

Part	Description	Quantity
A	Roof Frame Beams	4
B	Side Rails (with fence)	4

Part	Description	Quantity
C	Headboard/Footboard Panels	2
D	Bed Slats	12
E	LED Light Strip	1
F	Hardware Pack (screws, bolts, Allen wrench)	1
G	Instruction Manual	1

Assembly Instructions

Follow these steps carefully for proper assembly. Two adults are recommended for assembly.

- Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent scratches.
- Identify Parts:** Refer to the Parts List to identify each component.
- Assemble Side Rails:** Attach the side rails (B) to the headboard and footboard panels (C) using the provided hardware. Ensure all connections are secure.
- Install Roof Frame:** Connect the roof frame beams (A) to the top of the bed frame. Secure them firmly with the designated hardware.
- Place Bed Slats:** Position the bed slats (D) across the bed frame. Secure them according to the instructions to ensure mattress support.
- Attach LED Light:** Affix the LED light strip (E) to the desired location on the bed frame, typically along the roof or side rails, as shown in product images. Ensure it is securely attached and the wiring is safely tucked away.
- Final Check:** Verify all screws and bolts are tightened. Ensure the bed is stable and level before use.

Assembly and Feature Videos

Video: Demonstrates the features of a Montessori floor bed, including its low-to-ground design, rails, and integrated lights. Shows a child easily getting in and out.

Video: Showcases the functional aspects of the floor bed, highlighting its design for child safety and play.

Video: Provides an overview of the white full-size Montessori bed, illustrating its design and suitability for a child's room.

Video: Focuses on the construction and stability of the floor bed frame, emphasizing its durable build.

Operating Instructions

Operating the LED Light

The integrated LED light provides a cozy ambiance. To operate, connect the light strip to a power source. Most LED strips include an inline switch or remote control for turning on/off and adjusting settings. Refer to the specific LED light instructions for detailed operation.

Detachable Roof Feature

The bed's roof is designed to be removable, offering flexibility. It can be used as a traditional house bed or removed for an open floor bed configuration.

Toddler Bed with Removable Roof

You can install or remove the roof according to your and your Kids needs.

Image: The OYUMOENTS Full Size Tent-Shaped Montessori Floor Bed with its roof removed, demonstrating its flexibility as a floor bed.

Side Rail Knots

Two knots on the side rails allow for hanging small items such as toys or decorative elements. Ensure any hung items are lightweight and securely attached to prevent falling.

Care and Maintenance

- **Cleaning:** Wipe the bed frame with a dry cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Regular Checks:** Periodically inspect all screws, bolts, and connections to ensure they are tight. Retighten as necessary.
- **Wood Care:** Protect the wood from extreme temperature changes and direct sunlight to prevent warping or fading.

Troubleshooting

- **Bed Wobbles:** Check all assembly connections. Ensure screws and bolts are fully tightened. Verify the bed is on a flat, level surface.
- **Missing Parts:** If any parts are missing upon delivery, contact OYUMOENTS customer service

immediately.

- **LED Light Not Working:** Check the power connection and ensure the switch is in the "on" position. If issues persist, refer to the LED light's specific manual or contact customer support.
