GAOMON 71" XXL Double Dog Crate Furniture Instruction Manual

Model: GALT_geGUytAWluUcDc-wylfg1w

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, maintenance, and troubleshooting of your GAOMON 71" XXL Double Dog Crate Furniture. Please read this manual thoroughly before assembly and use to ensure proper functionality and safety.

SAFETY INSTRUCTIONS

- Ensure all parts are present and undamaged before assembly. Do not proceed with assembly if any parts are missing or damaged.
- Assembly should be performed on a soft, clean surface to prevent scratching the furniture.
- Always follow the assembly steps in the order provided in the manual.
- Do not overtighten screws during assembly, as this may damage the material.
- Keep small parts and packaging materials away from children and pets to prevent choking hazards.
- This product is designed for indoor use only.
- Do not allow pets to chew on the wooden components of the crate.
- Ensure the crate is placed on a level surface to prevent instability.
- The top surface supports up to 250 lbs, and the interior supports up to 200 lbs. Do not exceed these weight limits.

PACKAGE CONTENTS

Your package includes all necessary components for assembly, along with a detailed instruction manual and an accessory bag. Each part is pre-numbered and pre-drilled for ease of assembly.

Note: Please verify all parts against the included parts list before beginning assembly.

SETUP AND ASSEMBLY

Assembly of the GAOMON Double Dog Crate Furniture requires following the provided step-by-step instructions. An electric screwdriver may assist in the process. Ensure all screws are securely fastened without overtightening.

Key Assembly Features:

- **Pre-numbered and Pre-drilled Parts:** Simplifies the assembly process.
- **Robust Construction:** Made from P2 grade MDF board and 0.8-inch thick steel pipes for durability.
- **Floor Protection:** The feet are designed to prevent scratching floors during movement.

OPERATION

Double Doors and Locking Mechanism:

Each dog compartment features double doors equipped with secure latches at both the top and bottom. These latches ensure the doors remain closed, providing a safe and secure space for your pets. To open, slide the latch upwards or downwards. To close, align the doors and slide the latches into place.

Removable Divider:

The crate includes a removable middle divider, allowing for flexible use. You can create two separate compartments for individual pets or remove the divider to form one large enclosure. This feature is ideal for accommodating different pet sizes or for providing a larger space for a single pet.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Difficulty during assembly.	Incorrect part orientation or overtightened screws.	Refer to the detailed instruction manual. Ensure parts are correctly oriented before tightening. Loosen screws if parts do not align.
Doors do not close or latch properly.	Misalignment during assembly or loose hinges/latches.	Check that the crate is on a level surface. Inspect hinges and latches for proper installation and tightness. Adjust if necessary.
Product appears unstable.	Loose connections or uneven placement.	Ensure all screws are tightened. Place the unit on a flat, level surface.

If you encounter any issues not listed here, or if the suggested solutions do not resolve the problem, please contact customer support.
