CUBIMANA 8844

CUBIMANA Botanicals Model 8844: 4-in-1 Seasonal Cherry Blossom Bonsai Building Set Instruction Manual

Model: 8844 | Brand: CUBIMANA

1. Introduction and Overview

Thank you for choosing the CUBIMANA Botanicals 4-in-1 Seasonal Cherry Blossom Bonsai Building Set. This 584-piece construction kit allows you to create a beautiful, artificial bonsai tree that can be customized to reflect the four seasons: Spring, Summer, Autumn, and Winter. Designed for adults and children aged 10 and up, this set offers a relaxing and engaging building experience, resulting in an elegant decorative piece for your home or office.

The set includes interchangeable leaves and accessories, enabling you to transform your bonsai's appearance throughout the year. Its realistic design and intricate details bring a touch of nature indoors without the need for watering or maintenance.

2. Safety Information

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended for children aged 10 and up during assembly.
- Keep all packaging materials away from children and dispose of them properly.
- Do not ingest any parts of the building set.

3. Package Contents

Your CUBIMANA Botanicals Bonsai Building Set package should contain the following items:

- 584 x High-quality ABS plastic building pieces
- 1 x Detailed Instruction Manual

Please check all contents upon opening the package. If any pieces are missing or damaged, please contact CUBIMANA customer support.

4. Setup and Assembly Instructions

Follow these steps to assemble your CUBIMANA Botanicals Bonsai. A relaxing building experience is part of the product's design.

1. **Unpack Components:** Carefully open the box and lay out all the building pieces. It is recommended to sort pieces by color and type to facilitate assembly.
2. **Follow the Manual:** Refer to the included instruction manual for step-by-step guidance. Each step illustrates the pieces required and their placement.
3. **Assemble the Pot:** Begin by constructing the rectangular display pot. Ensure all connections are firm. The pot features a quick-disassembly design with a hidden compartment inside.
4. **Build the Tree Trunk:** Assemble the brown tree trunk structure according to the instructions. Pay attention to the intricate details for a realistic appearance.
5. **Attach Seasonal Foliage:** Choose your desired season (Spring, Summer, Autumn, or Winter) and attach the corresponding leaves and flowers to the tree branches. The branches and flowers can be adjusted to different angles for personalized display.

5. Operating and Customization

The CUBIMANA Botanicals Bonsai is designed for versatile display, allowing you to change its appearance with the seasons.

Seasonal Transformation

The set includes distinct foliage and accessories for each of the four seasons:

- **Spring:** Delicate pink cherry blossoms and green leaves.
- **Summer:** Lush green foliage.
- **Autumn:** Golden yellow and orange leaves.

- **Winter:** Snow-dusted branches with white and orange elements, and a small snowman accessory.

To change seasons, gently detach the current foliage from the tree branches and replace them with the pieces for the desired season. The modular design allows for easy swapping.

Hidden Compartment

The bonsai pot features a hidden compartment. This space is ideal for placing a small aromatherapy tablet (not included) to add a subtle fragrance to your display area.

Image: Detailed view of the bonsai tree in its Winter form, adorned with snow-dusted branches and a charming small snowman figure.

6. Maintenance

To keep your CUBIMANA Botanicals Bonsai looking its best, follow these simple maintenance guidelines:

- **Dusting:** Regularly dust the bonsai with a soft, dry cloth or a soft brush to prevent dust buildup.
- **Cleaning:** For more thorough cleaning, gently wipe the pieces with a damp cloth and mild soap solution. Avoid harsh chemicals or abrasive materials.
- **Storage:** When not in use, store unused seasonal foliage and accessories in a clean, dry place away from direct sunlight to preserve their color and integrity.
- **Handling:** Handle the assembled bonsai with care to avoid accidental disassembly or damage to the delicate pieces.

7. Troubleshooting

If you encounter any issues during assembly or display, refer to the following common troubleshooting tips:

- **Difficulty Assembling Pieces:** Ensure you are using the correct pieces as indicated in the instruction manual. Apply gentle, even pressure when connecting pieces. If a piece feels too tight, double-check its orientation.
- **Missing or Damaged Pieces:** If you find any pieces are missing or damaged upon opening the box, please contact CUBIMANA customer support immediately for assistance.
- **Bonsai Appears Unstable:** Verify that all connections, especially at the base and between the trunk and branches, are firmly pressed together. Ensure the bonsai is placed on a flat, stable surface.
- **Foliage Not Staying in Place:** Confirm that the seasonal leaves and flowers are correctly attached to the designated connection points on the branches. Some pieces may require a firm push to secure.

8. Specifications

Feature	Detail
