Key Features:

- **Environmental Noise Cancellation (ENC):** Reduces background noise for clear calls.
- **Long Battery Life:** Up to 50 hours of talk time and over 500 hours of standby time.
- **Bluetooth 5.2:** Provides a stable and efficient wireless connection up to 10 meters (33 feet).
- **Dual Connections:** Connects to two devices simultaneously for seamless switching between calls and music.
- **Comfortable Design:** Features soft-cushion ear pads, an adjustable headband, and an anti-slip pad for extended wear.
- **Rotatable Microphone:** The microphone can be rotated 270 degrees for use on either the left or right ear.
- **Mute Button:** Dedicated button for muting the microphone during calls.

4. SETUP AND PAIRING

4.1. Initial Charging

Before first use, fully charge the headset. Connect the provided Type-C charging cable to the headset's charging port and a compatible USB power source. A full charge typically takes 1.5-2 hours.

4.2. Bluetooth Pairing

1. Ensure the headset is powered off.
2. Press and hold the Power button (often combined with the MFB - Multi-Function Button) until the LED indicator light flashes blue and red, indicating pairing mode.
3. On your smartphone or other Bluetooth-enabled device, go to the Bluetooth settings.

4. Search for "siindoo-H6" in the list of available devices.
5. Select "siindoo-H6" to establish a connection. The LED indicator will turn solid blue once connected.

4.3. Dual Device Connection

The headset supports connecting to two Bluetooth devices simultaneously. After pairing with the first device, disable Bluetooth on that device. Then, pair the headset with the second device. Once the second device is paired, re-enable Bluetooth on the first device. The headset should automatically connect to both, allowing you to switch between them for calls and audio.

5. OPERATING INSTRUCTIONS

5.1. Power On/Off

- **Power On:** Press and hold the Power/MFB button for approximately 3 seconds until the LED indicator lights up.
- **Power Off:** Press and hold the Power/MFB button for approximately 5 seconds until the LED indicator turns off.

5.2. Call Management

- **Answer/End Call:** Short press the MFB button.
- **Reject Call:** Press and hold the MFB button for 2 seconds.
- **Mute/Unmute Microphone:** During a call, single click the dedicated mute button on the microphone arm. *Note: For calls on cell phones, you can mute the mic's audio using the dedicated button. Outside of cell phone calls (e.g., video conferencing on a computer), you may need to mute the sound on your device itself.*

5.3. Audio Control

- **Volume Up:** Short press the "+" button.
- **Volume Down:** Short press the "-" button.
- **Next Track:** Press and hold the "+" button.
- **Previous Track:** Press and hold the "-" button.

Ear Placement	On Ear
Form Factor	Over Ear
Control Type	Button Control
Item Weight	7.7 ounces (0.48 Pounds)
Material	Acrylonitrile Butadiene Styrene (ABS), Metal, Plastic, Silicone, Stainless Steel

Feature	Detail
Compatible Devices	Cellphones, Laptops

7. MAINTENANCE AND CARE

- Clean the headset regularly with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- Store the headset in a cool, dry place away from direct sunlight and extreme temperatures.
- Do not expose the headset to water or excessive moisture.
- Avoid dropping or subjecting the headset to strong impacts.

8. TROUBLESHOOTING

Problem	Solution
Headset does not power on.	Ensure the headset is fully charged. Connect it to a power source using the Type-C cable.
Cannot pair with a device.	◦ Ensure the headset is in pairing mode (flashing blue and red LED). ◦ Make sure Bluetooth is enabled on your device. ◦ Move the headset closer to your device (within 10 meters). ◦ Forget "siindoo-H6" from your device's Bluetooth list and try pairing again.
No audio or poor sound quality.	◦ Check the volume levels on both the headset and your connected device. ◦ Ensure the headset is properly connected to your device. ◦ Move away from potential sources of interference (e.g., Wi-Fi routers, other Bluetooth devices).
Microphone not working.	◦ Ensure the microphone is not muted (check the mute button). ◦ Verify that the headset is selected as the input device in your device's audio settings.

9. WARRANTY AND SUPPORT

For warranty information or technical support, please refer to the contact details provided with your purchase or visit the official Siindoo website. Keep your proof of purchase for warranty claims.

ASK A QUESTION ABOUT THIS MANUAL
