

Hifree HiFreeT1

HiFree T1 Clip-on OWS Bluetooth Earphones User Manual

Model: HiFreeT1 | Brand: Hifree

INTRODUCTION

Thank you for choosing the HiFree T1 Clip-on OWS Bluetooth Earphones. These earphones are designed to provide a comfortable and open-ear listening experience, allowing you to stay aware of your surroundings while enjoying high-quality audio. This manual will guide you through the setup, operation, and maintenance of your new earphones.

Image: HiFree T1 earphones inside their charging case, featuring a wrist strap. The case is black with a transparent lid, and the earphones are black.

SETUP GUIDE

1. Charging the Earphones and Case

Before first use, fully charge the earphones and the charging case. Connect the provided USB-C cable to the charging port on the case and to a compatible USB power source. The indicator lights on the case will show the charging status.

- **Charging Case:** Connect the USB-C cable. Indicator lights will illuminate.
- **Earphones:** Place the earphones into the charging case. Ensure they are correctly seated; the indicator lights on the earphones will confirm charging.

Image: The HiFree T1 charging case with both earphones securely placed inside, and the transparent lid closed. The brand logo "HIFREE" is visible on the front of the case.

2. Bluetooth Pairing

1. **Power On:** Open the charging case. The earphones will automatically power on and enter pairing mode.
2. **Activate Bluetooth:** On your device (smartphone, tablet, etc.), enable Bluetooth.
3. **Select Device:** Search for "HiFree T1" in the list of available Bluetooth devices and select it to connect.
4. **Confirmation:** A voice prompt or indicator light on the earphones will confirm successful pairing.

Note: If pairing fails, ensure the earphones are charged and within range of your device. You may need to reset the earphones (refer to the Troubleshooting section).

3. Wearing the Earphones

The HiFree T1 earphones feature an open-ear clip-on design for comfort and situational awareness.

- Gently clip each earphone onto your ear, ensuring the speaker portion is positioned correctly over your ear canal without blocking it.
- Adjust the earphone for a secure and comfortable fit. The design allows sound to be directed into your ear while keeping your ear canal open.

OPERATING INSTRUCTIONS

The HiFree T1 earphones are equipped with touch controls for easy management of audio playback and calls.

Touch Control Functions	
Action	Function
Single Tap (Left/Right)	Play/Pause music, Answer/End call
Double Tap (Right)	Next Track
Double Tap (Left)	Previous Track
Triple Tap (Right)	Volume Up

Action	Function
Triple Tap (Left)	Volume Down
Long Press (2 seconds)	Activate Voice Assistant / Reject Call

Power On/Off

- **Power On:** Open the charging case, or long-press the touch area on both earphones for 3 seconds if they are out of the case and off.
- **Power Off:** Place the earphones back into the charging case and close the lid, or long-press the touch area on both earphones for 5 seconds.

MAINTENANCE AND CARE

Proper maintenance ensures the longevity and optimal performance of your HiFree T1 earphones.

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the earphones and charging case. Do not use abrasive cleaners, alcohol, or chemical sprays.
- **Storage:** When not in use, store the earphones in their charging case to protect them from dust and damage.
- **Avoid Water:** The earphones are not waterproof. Avoid exposure to excessive moisture, rain, or submersion in water.
- **Temperature:** Do not expose the earphones to extreme temperatures (hot or cold).

TROUBLESHOOTING

If you encounter issues with your HiFree T1 earphones, try the following solutions:

Common Issues and Solutions

Problem	Solution
Earphones not pairing with device.	◦ Ensure earphones are charged. ◦ Turn off and on Bluetooth on your device. ◦ Forget "HiFree T1" from your device's Bluetooth list and re-pair. ◦ Place earphones back in the case, close the lid, wait 5 seconds, then open to re-enter pairing mode.
Only one earphone is working.	◦ Ensure both earphones are charged. ◦ Place both earphones back into the charging case, close the lid, and then open it again. ◦ Try resetting the earphones (refer to manufacturer's specific reset instructions if available, otherwise, a full charge and re-pairing often works).
No sound or low volume.	◦ Increase volume on both your device and the earphones. ◦ Ensure earphones are properly connected to your device. ◦ Check if the audio output on your device is set to "HiFree T1".
Charging case not charging.	◦ Check the USB-C cable and power adapter. ◦ Ensure the charging port is clean and free of debris.
