3. Setup Guide

3.1 Charging the Smart Watch

Before first use, fully charge your Fempoin P99 Smart Watch.

1. Connect the USB magnetic charging cable to a power source (e.g., USB wall adapter, computer USB port).
2. Align the magnetic end of the cable with the charging points on the back of the watch. The magnets will snap into place.
3. The watch screen will indicate charging status. A full charge typically takes 1.5-2 hours.

Video: Demonstration of charging the smartwatch using the magnetic charging cable. The video also shows various features and navigation of the watch interface.

3.2 App Installation and Pairing

To unlock all features, download and connect to the "GloryFit" app on your smartphone.

1. Scan the QR code in the manual or search for "GloryFit" in the Google Play Store (for Android) or Apple App Store (for iOS).
2. Install the "GloryFit" app.
3. Ensure Bluetooth is enabled on your smartphone.
4. Open the "GloryFit" app, navigate to "Device" or "Add Device", and select "P99" from the list of available devices to pair.
5. Confirm the pairing request on both your phone and the watch.

4. Operating Instructions

4.1 Basic Navigation

- **Touch Screen:** Swipe left/right, up/down to navigate through menus and features.
- **Side Button:** Press to wake the screen, return to the home screen, or access the app menu.

4.2 Bluetooth Calling and Notifications

After successful Bluetooth connection, you can manage calls and receive notifications directly on your watch.

1. **Making/Answering Calls:** Once connected, you can answer incoming calls or dial numbers directly from the watch using its built-in mic and speaker.
2. **Message Notifications:** Receive alerts for SMS, WhatsApp, Twitter, Facebook, Instagram, and other social media messages. Notifications are displayed on the watch and accompanied by vibration.

4.3 Health Monitoring

The P99 Smart Watch continuously monitors key health metrics.

- **Heart Rate:** Real-time 24-hour heart rate monitoring.
- **SpO2 (Blood Oxygen):** Track your blood oxygen levels throughout the day.
- **Sleep Tracking:** Monitors sleep stages (deep sleep, light sleep, REM) to help improve sleep quality.
- **Women's Health:** Provides tracking for physiological cycles.

4.5 Additional Functions

The Fempoin P99 Smart Watch offers several other practical features:

- Stopwatch, Timer, Alarm Clock
- Sedentary Reminder
- Music Control
- Weather Forecast
- Camera Control (remote shutter)
- Calculator
- Find Phone
- Breathing Training
- Voice Assistant

5. Maintenance

5.1 Proper Wearing

Wear the P99 smart watch correctly, neither too tightly nor too loosely. Ensure there is enough room for your skin to breathe, and for the sensors to work properly. If the watch slips around your wrist or sensors do not read correctly, try adjusting the band.

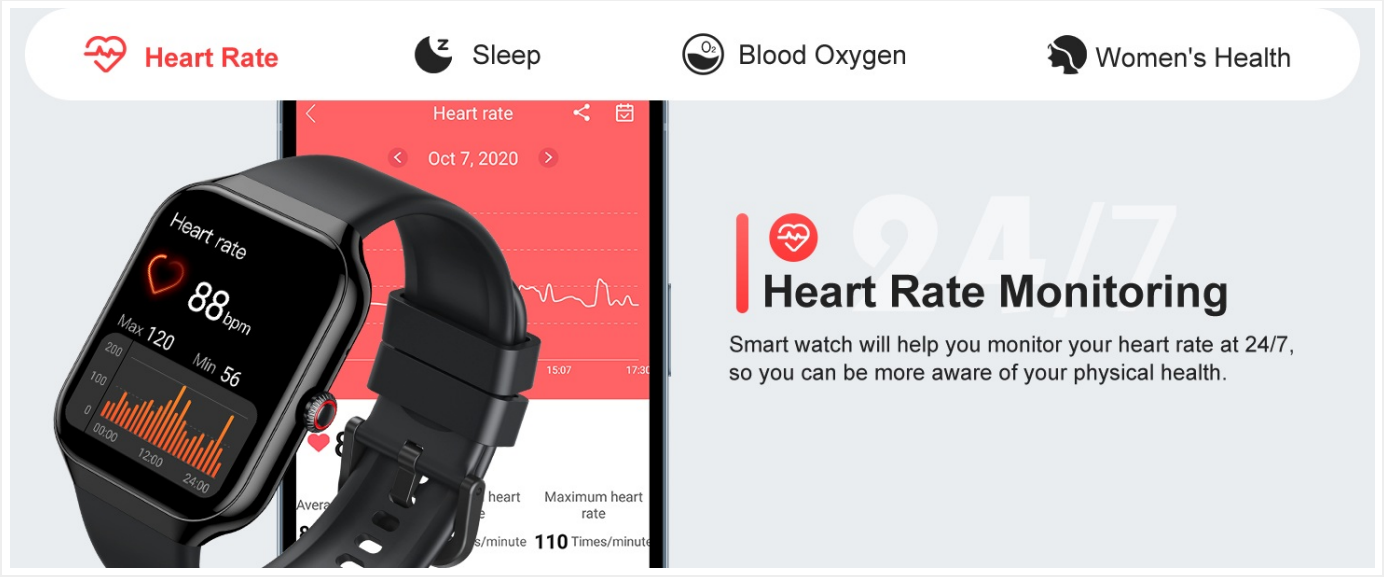

Image: Illustration showing the correct way to wear the smartwatch for comfort and accurate sensor readings.

5.2 Water Resistance (IP68)

The device is designed with IP68 waterproof rating, making it suitable for washing hands or exercising in the rain. **Note: Do not use in hot water, seawater, or during diving.**

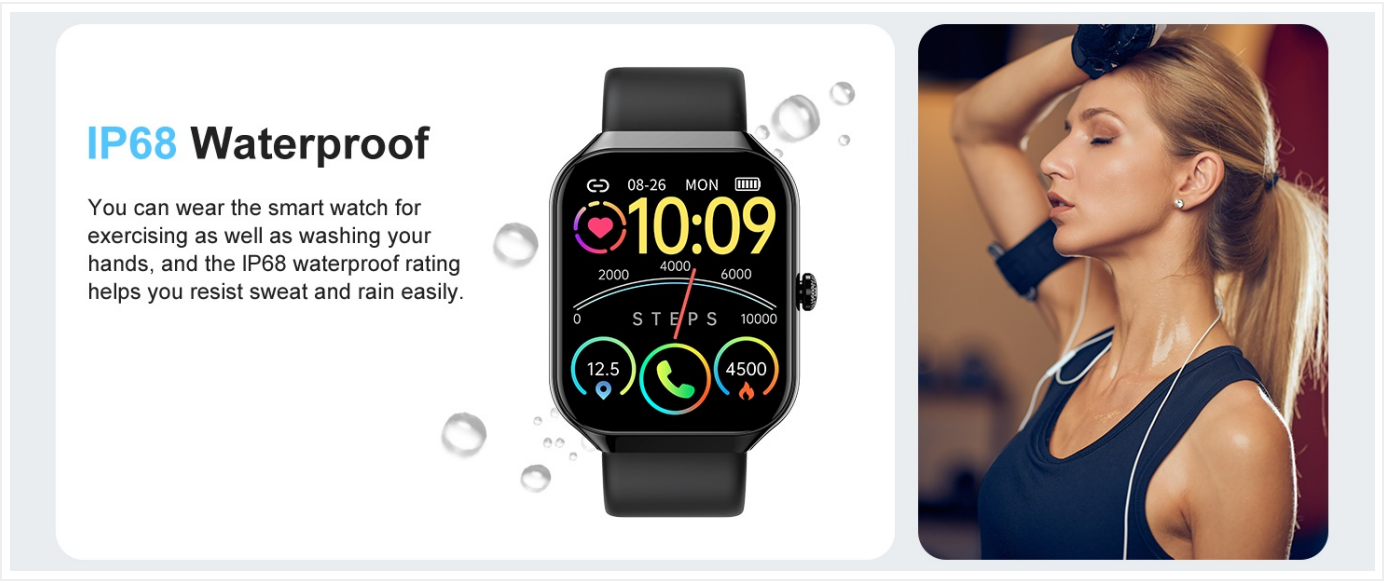

Image: The smartwatch with water droplets, indicating its IP68 waterproof rating.

5.3 Cleaning

Regularly clean your watch and band with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.

6. Troubleshooting

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
- **Cannot pair with phone:**
    a. Ensure Bluetooth is enabled on your phone.

b. Make sure the watch is within range of your phone.
c. Restart both the watch and your phone.
d. Try unpairing and re-pairing through the "GloryFit" app.

- **Inaccurate health data:** Ensure the watch is worn correctly, not too loose or too tight. Clean the sensors on the back of the watch.
- **Notifications not received:** Check app permissions in your phone settings to ensure "GloryFit" has access to notifications. Also, verify notification settings within the "GloryFit" app.

7. Specifications
