2. PREPARATION

Upon receiving your Seko Herring in Oil, it is crucial to ensure its freshness. The product is shipped with an ice pack to maintain temperature during transit.

- **Immediate Refrigeration:** Refrigerate the product immediately upon delivery to maintain its quality and freshness.
- **Ready to Eat:** Seko Herring in Oil is ready for consumption directly from the jar. No cooking or further preparation is required.

3. USAGE

Seko Herring in Oil can be enjoyed in various ways:

- **Serving Temperature:** For best flavor, serve the herring chilled.
- **Appetizer:** It can be served as a standalone appetizer.
- **Side Dish:** Use as a flavorful side dish to complement various meals.
- **Traditional Dishes:** Incorporate into traditional recipes that call for pickled or marinated herring.

4. STORAGE

Proper storage is essential to preserve the quality and safety of Seko Herring in Oil.

- **Before Opening:** Store unopened jars in a cool, dry place, away from direct sunlight.
- **After Opening:** Once opened, keep the jar tightly sealed and refrigerate. Consume within *7 days* for optimal freshness and quality.

5. TROUBLESHOOTING

This section addresses common concerns regarding food products.

Issue	Possible Cause	Solution
Product appears spoiled or has an unusual odor.	Improper storage or product past its expiration date.	Do not consume. Dispose of the product safely. Ensure proper refrigeration upon delivery and after opening. Check expiration date before consumption.
Jar seal is broken or compromised upon arrival.	Damage during transit.	Do not consume. Contact customer support immediately with details of the damage.
