## RORRY H1

# RORRY 10,000mAh 30W Fast Charging Power Bank (Model H1) Instruction Manual

Your comprehensive guide to operating and maintaining your RORRY portable charger.

## PRODUCT OVERVIEW

The RORRY 10,000mAh 30W Fast Charging Power Bank (Model H1) is a versatile portable charger designed to power multiple devices simultaneously. It features built-in retractable cables, a dedicated Apple Watch charger, and additional USB-C and USB-A ports for broad compatibility.

## WHAT'S IN THE BOX

- Power Bank \* 1
- USB-C Cable \* 1
- User Manual \* 1

## SETUP

### Charging the Power Bank

Before initial use, fully charge your RORRY Power Bank. Use the provided USB-C cable or the built-in USB-C cable to connect the power bank to a compatible power adapter (not included). The LED indicator lights will show the charging progress. A full charge typically takes approximately 2.2 hours.

# Power Up in a Flash

Charge iPhone 16 to 56% in 30 Mins

Image: The RORRY Power Bank connected to a wall adapter for recharging, with an iPhone also charging from the power bank.

## Checking Battery Level

Press the power button located on the side of the power bank. The LED indicator lights will illuminate to show the remaining battery capacity.

## OPERATING INSTRUCTIONS

### Charging Devices with Built-in Retractable Cables

1. Gently pull the desired retractable cable (USB-C or Lightning) from its housing until it reaches the desired length. Do not pull excessively.
2. Connect the cable to your device.
3. To retract the cable, pull it gently again, and it will automatically retract into the power bank.

### Charging Apple Watch

Place your Apple Watch on the dedicated wireless charging pad on the front of the power bank. Ensure the watch is properly aligned for optimal charging. Press the power button on the power bank to initiate charging if it doesn't start automatically.

## Charging Devices with USB-A/USB-C Ports

Connect your device's charging cable to the appropriate USB-A (15W Max) or USB-C (30W Max) port on the side of the power bank. The power bank will automatically detect and begin charging your device.

## Simultaneous Charging

The RORRY Power Bank supports charging up to 5 devices simultaneously using its various outputs: 30W USB-C, 20W iOS cables, a 30W USB-C port, 15W USB-A port, and a 5W Apple Watch charger. Note that charging speed may decrease when multiple devices are connected.

## MAINTENANCE

---

- Keep the power bank away from extreme temperatures, direct sunlight, and liquids.
- Clean the device with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- Store the power bank in a cool, dry place when not in use.
- Charge the power bank at least once every three months to maintain battery health if stored for extended periods.

## TROUBLESHOOTING

---

### Device Not Charging

- Ensure the power bank is sufficiently charged. Check the LED indicators.
- Verify that the charging cable is securely connected to both the power bank and your device.
- Press the power button on the power bank to activate charging.
- Try a different cable or port to rule out a faulty connection.

### Slow Charging

- Ensure you are using a fast-charging compatible cable and adapter for recharging the power bank.
- When charging multiple devices, the output power is shared, which may result in slower charging for individual devices.
- Check if your device supports the fast charging protocols of the power bank (e.g., 30W USB-C).

### Apple Watch Not Charging

- Ensure the Apple Watch is correctly positioned on the wireless charging pad.
- Press the power button on the power bank to activate the wireless charging function.
- Remove any thick cases from your Apple Watch that might interfere with wireless charging.

## SPECIFICATIONS

---

<b>Model Number</b>	H1
<b>Battery Capacity</b>	10000 Milliamp Hours
<b>Product Dimensions</b>	4.33 x 2.44 x 0.94 inches
<b>Item Weight</b>	8.8 ounces
<b>Special Features</b>	All-in-One, Auto Shut-Off, Built In Cable, Fast Charging, LED Indicator Lights
<b>Connector Type</b>	Built-in Cable L+C, 1A1C
<b>Manufacturer</b>	Shenzhen Xianyang Innovation Technology Co., Ltd
