### 3. SETUP GUIDE

#### 3.1 Initial Charging

Before first use, fully charge your Jugeman P99 Smart Watch. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a standard USB power adapter (not included).

- Charging Time: Approximately 1.5 hours for a full charge.
- Battery Life: Up to 7 days with normal use, 30 days standby.

## 3.2 App Installation and Device Pairing

To unlock all features of your smart watch, download and install the "GloryFit" application on your smartphone.

1. **Turn on Bluetooth:** Ensure the Bluetooth function on your smartphone is enabled.
2. **Download GloryFit App:** Search for "GloryFit" in the Google Play Store (for Android) or Apple App Store (for iOS) and install it.
3. **Open App and Pair:** Open the GloryFit app, navigate to the device section, and select "Connect device." The app will search for available devices. Find and select "P99" to bind your watch.

## 3.3 Enabling Bluetooth Call Function

After initial pairing, follow these steps to enable the call feature:

1. **Confirm Pairing:** After selecting "P99" in the GloryFit app, a mobile phone system pop-up request for Bluetooth pairing will appear. Confirm this request.
2. **Activate Call Bluetooth:** On your P99 Smart Watch, locate and turn on the "Call Bluetooth" switch. This is necessary for making and receiving calls.

3. **Grant Permissions:** In your phone's system settings, ensure all necessary permissions for the P99 Bluetooth connection are granted.
4. **Ready for Calls:** Once connected and permissions are granted, you can use your watch to answer or make calls.

## 4.5 Sport Modes

The watch offers over 113 indoor and outdoor sport modes to track your fitness activities.

- **Accessing Modes:** Swipe on the watch face to find the "Exercise" or "Sport Modes" menu.
- **Available Modes:** Includes running, cycling, skipping, walking, mountain climbing, rock climbing, basketball, football, badminton, Yoga, dance, and many more.
- **Tracking:** Select your desired activity to start tracking duration, calories, and other relevant metrics.

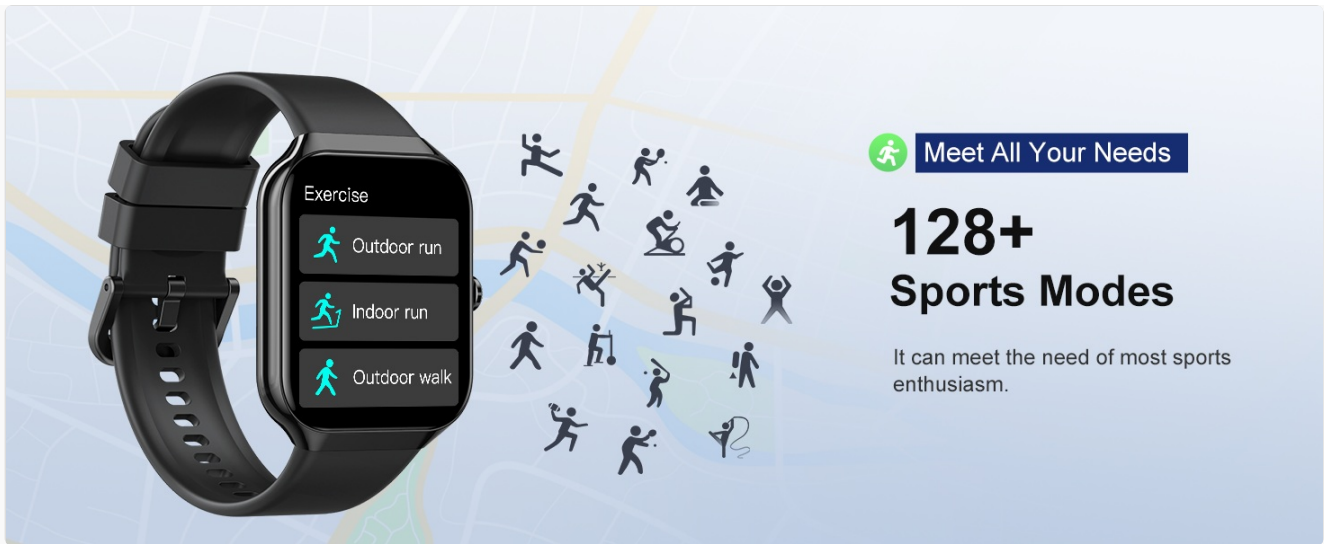

Image 4.7: The smart watch interface for selecting from over 128 sport modes.

## 4.6 Smart Assistant Features

The P99 Smart Watch includes several practical tools to enhance your daily life:

- **Stopwatch & Timer:** For timing activities or setting countdowns.
- **Music Control:** Control music playback on your connected smartphone.
- **Weather Forecast:** Get real-time weather updates.
- **Sedentary Reminder:** Alerts you to move after periods of inactivity.
- **Alarm Clock:** Set alarms directly from your wrist.
- **Wrist Up Awake:** Automatically wakes the screen when you raise your wrist.
- **Find Your Phone:** Helps locate your paired smartphone by making it ring.
- **Calculator:** A basic calculator function.

Image 4.8: Overview of the smart assistant features available on the watch.

## 4.7 Female Health Tracking

The watch supports tracking of menstrual cycles and provides access to educational materials related to exercise and nutrition for female users. This feature can be configured and monitored through the GloryFit app.

## 5. MAINTENANCE

### 5.1 Cleaning Your Smart Watch

To maintain the appearance and functionality of your watch:

- Wipe the screen and strap regularly with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive materials, as these can damage the watch's finish.
- Ensure the charging contacts are clean and dry before charging.

### 5.2 Water Resistance (IP68)

The Jugeman P99 Smart Watch is IP68 waterproof, meaning it is resistant to dust and can withstand immersion in water up to 1.5 meters for up to 30 minutes. This makes it suitable for:

- Rinsing hands
- Bathing (showering)
- Sweating during exercise
- Swimming in shallow water

**Important Note:** The IP68 rating does not apply to high-pressure water, hot water, or corrosive liquids. Avoid using the watch in saunas, hot tubs, or seawater, as these conditions can compromise the water resistance.
