## Mtxmy RXZER288

# Mtxmy 43.3in-59in Extendable Round Dining Table Instruction Manual

Model: RXZER288 | Brand: Mtxmy

## INTRODUCTION

---

This manual provides comprehensive instructions for the assembly, operation, and care of your Mtxmy 43.3in-59in Extendable Round Dining Table. Please read these instructions carefully before assembly and use to ensure safe and proper functionality. This table is designed to adapt to your space, expanding from a compact round shape to a larger oval, suitable for 4 to 8 individuals.

## SAFETY INFORMATION

---

**Important:** Assembly and use instructions may include safety warnings. Always follow these warnings to prevent injury or damage to the product. Ensure all parts are securely fastened before use. Do not overload the table or its storage shelf. Keep small parts away from children during assembly.

## SETUP AND ASSEMBLY

---

Your dining table comes with all necessary hardware and a detailed assembly guide. Each component is labeled for easy identification. We recommend two people for assembly to ensure stability and ease of handling.

### Recommended Tools:

- Screw Driver
- Wrench

Follow the step-by-step instructions provided in the included assembly guide. If you encounter any difficulties or have questions during assembly, please contact customer support.

**Figure 1: Product Dimensions and Retractable Design.** This image illustrates the table's dimensions in both its compact round form (43.3 inches diameter) and its extended oval form (59 inches length). It also highlights the 1.18-inch tabletop thickness and the two-tier storage shelf within the base.

## OPERATING INSTRUCTIONS

### Extending the Table:

1. Gently pull the two halves of the tabletop apart to reveal the extension mechanism.
2. Retrieve the extension leaves stored beneath the tabletop.
3. Place the leaves into the central opening, ensuring they align with the table halves.
4. Push the tabletop halves back together until they are flush with the extension leaves and securely locked.

### Retracting the Table:

1. Unlock any securing mechanisms holding the tabletop halves together.

2. Gently pull the tabletop halves apart to create a gap.
3. Remove the extension leaves and store them in the designated area under the tabletop.
4. Push the tabletop halves back together until they form a complete round surface and are securely locked.

### Using the Storage Shelf:

The base of the table features a two-tier storage shelf (W 23.62" x L 21.65"). This area is designed for organizing tableware, kitchen essentials, or decorative items. Ensure items are placed securely and do not exceed the shelf's weight capacity.

**Figure 2: Table in Round Configuration.** This image displays the table in its compact round form, suitable for smaller gatherings.

**Figure 3: Table Partially Extended.** This image shows the table in the process of being extended, with the central mechanism visible.

Stable structure, with triangular mechanical support and a solid wood texture

After expansion, the space inside can also be used for storage

Double-layer storage for efficient utilization

Strong load-bearing capacity, not easy to shake, reliable even after long-term use, creating a "little world" for your home

Thickened wood board, more reassuring to use

storing various items.

## MAINTENANCE AND CARE

---

To maintain the appearance and longevity of your Mxtxmy dining table, follow these care instructions:

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Promptly clean up any spills to prevent staining, especially on the walnut finish.
- **Heat and Moisture:** Use coasters and placemats to protect the tabletop from hot items and moisture.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.
- **Moving:** When moving the table, lift it rather than dragging to prevent damage to the legs and floor.

## TROUBLESHOOTING

---

Problem	Possible Cause	Solution
Table is wobbly after assembly.	Loose fasteners or uneven floor.	Check and tighten all screws and bolts. Ensure the table is on a level surface.
Extension leaves do not slide smoothly.	Rails are obstructed or dirty.	Inspect the rails for any debris and clean them. Apply a silicone-based lubricant if necessary.
Tabletop halves do not meet flush.	Leaves are not properly seated or alignment issues.	Ensure extension leaves are fully inserted and aligned. Re-check assembly steps for proper alignment of table halves.

If you encounter issues not listed here or require further assistance, please contact Mxtxmy customer support.
