### Encouraging Use:

- Place the cat tree in a location where your cat spends a lot of time, such as near a window or in a common living area.
- Use catnip or treats to entice your cat to explore the different levels, condos, and hammock.
- Engage your cat with toys on the various platforms to encourage climbing and play.
- The sisal scratching posts are intended for claw maintenance. Redirect your cat to these posts if they attempt

to scratch furniture.

## 4. Maintenance and Cleaning

Regular maintenance will extend the life of your cat tree and keep it hygienic for your pets.

### Cleaning Instructions:

- **Spot Cleaning:** For small stains, use a damp cloth with mild soap and water. Blot the area gently and allow it to air dry completely.
- **Vacuuming:** Regularly vacuum the plush surfaces to remove loose fur and dust.
- **Removable Parts:** Some plush beds or covers may be removable for washing. Refer to the product's specific care labels for washing instructions.
- **Sisal Posts:** Inspect sisal posts periodically for wear and tear. While durable, heavy use may require replacement over time.

## 5. Troubleshooting

### Common Issues and Solutions:

- **Wobbling:** Ensure all screws are tightly fastened. If wobbling persists, re-check the assembly steps and confirm the base is on a flat, stable surface. Use the anti-fall straps for added security.
- **Cat Not Using Tree:** Try placing treats or catnip on different levels. Introduce new toys to the tree. Ensure the tree is in a quiet, comfortable location that your cat prefers.
- **Damaged Parts:** For any damaged or missing parts, please contact PAWZ Road customer support for assistance.
