Smart Butterfly

Generic Love Spouse Smart Butterfly App-Controlled Massager User Manual

1. Introduction

Thank you for choosing the Generic Love Spouse Smart Butterfly App-Controlled Massager. This manual provides essential information for the safe and effective use of your device. Please read it thoroughly before first use and retain it for future reference.

2. Safety Information

To ensure safe operation, please observe the following precautions:

- **Consult a Physician:** If you have any medical conditions, are pregnant, or have a pacemaker, consult your doctor before using this device.
- **External Use Only:** This device is intended for external use only. Do not insert it into any body orifice.
- **Discontinue Use If Irritation Occurs:** If you experience any discomfort, pain, or skin irritation, stop using the device immediately.
- **Keep Out of Reach of Children:** This product is not a toy and should be kept away from children.
- **Charging Safety:** Use only the provided charging cable. Do not use the device while it is charging. Do not overcharge the battery.
- **Storage:** Store the device in a cool, dry place away from direct sunlight and extreme temperatures.
- **Cleaning:** Clean the device before and after each use as instructed in the Maintenance section.

3. Product Overview

The Smart Butterfly is an innovative app-controlled personal massager designed for relaxation and pleasure. It features a body-safe silicone exterior, multiple vibration patterns, and a waterproof design for versatile use.

3.1. Key Features

- **App Control:** Intuitive smartphone application for wireless control.
- **10 Vibration Patterns:** A variety of distinct vibration modes and intensities.
- **Waterproof Design:** Fully submersible for use in the shower or bath, and easy cleaning.
- **Silent Operation:** Discreet motor for quiet use.
- **Ergonomic Fit:** Flexible, body-safe silicone material designed for comfort.
- **Rechargeable Battery:** Convenient USB charging for extended use.

3.2. Device Components

Image 1: The Smart Butterfly massager, shown in pink. This device features a flexible, ergonomic U-shape with a smaller, tapered end and a broader, curved body, designed for comfortable external use. A small control button is visible on the tapered end.

Image 2: An illustrative diagram highlighting various vibration patterns. The image displays the device with labels 'U', 'G', and 'A' indicating different stimulation areas, and shows nine distinct waveform icons representing different vibration modes available.

4. Setup

4.1. Charging the Device

1. Before first use, fully charge the device.
2. Connect the provided USB charging cable to the charging port on the device.
3. Plug the other end of the USB cable into a standard USB power adapter (not included) or a computer USB port.

4. The indicator light on the device will illuminate during charging and typically turn off or change color when fully charged.
5. A full charge usually takes 1-2 hours and provides several hours of use, depending on intensity settings.

4.2. App Installation and Pairing

1. **Download the App:** Search for the companion app (e.g.,
