GAOMON 3 Piece Bar Table Set with Flip Top Extension Instruction Manual

Model: Ckqr6zHzBQMPxjcuBI77Cw0pAD0m

INTRODUCTION

Thank you for choosing the GAOMON 3 Piece Bar Table Set. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

Safety Information

Do not load more than 150 lbs on the tabletop or 300 lbs on each chair. Be cautious when using the flip-top extension to avoid injury. Always follow the assembly instructions for safe use.

SETUP AND ASSEMBLY

The GAOMON 3 Piece Bar Table Set is designed for straightforward assembly. A detailed assembly guide and all necessary tools are included in your package. Please ensure all components are present before starting.

Component Overview and Dimensions

Familiarize yourself with the table and chair dimensions to ensure proper placement in your space.

Assembly Process

Refer to the included assembly guide for step-by-step instructions. It is recommended to assemble the unit on a soft, clean surface to prevent scratches. Ensure all screws and fasteners are tightened securely before use.

OPERATING INSTRUCTIONS

Flip-Top Extension Mechanism

The bar table features a space-saving flip-top design, allowing it to expand from a 2-seater to a 4-person dining surface. To extend the tabletop, gently lift the hinged leaf and pull it outwards until it is fully flat and supported. To retract, reverse the process, ensuring the leaf folds neatly back into place.

Integrated Storage Shelves

The table base includes three integrated shelves for convenient storage of items such as wine bottles, books, or dinnerware. These shelves are designed to help maintain an organized living space.

Chair Usage

The accompanying chairs are designed with 16-inch extra-wide seats and 4-inch high-density foam cushions for comfort. They can be neatly tucked under the table when not in use, especially when the table is in its compact configuration.

MAINTENANCE

Cleaning

To clean the table and chairs, wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish. For spills, wipe immediately to prevent staining.

General Care

Regularly check all fasteners and tighten them as needed to ensure stability. Avoid placing hot items directly on the tabletop; use coasters or placemats. Keep the furniture away from direct sunlight and excessive moisture to prolong its lifespan.

TROUBLESHOOTING

Wobbling Table or Chairs

If the table or chairs feel wobbly, check that all assembly screws are securely tightened. Ensure the furniture is placed on a flat, even surface. Adjust any leveling feet if present.

Difficulty with Flip-Top Extension

If the flip-top extension is stiff or difficult to operate, check for any obstructions in the hinge mechanism. Ensure no debris is caught in the folding parts. Apply a small amount of silicone lubricant to the hinges if necessary, avoiding contact with the wood surface.

Missing Parts or Damaged Components

If you find any parts missing or damaged upon unboxing, please refer to the 'Support' section for contact information to request replacements.

SPECIFICATIONS

Feature	Detail
Brand	GAOMON
Model Number	Ckqr6zHzBQMPxjcuBI77Cw0pAD0m
