## Pharata Upgraded 10052

# Pharata 3.5L Cool Mist Humidifier User Manual

**Brand:** Pharata | **Model:** Upgraded 10052

## 1. INTRODUCTION

---

Thank you for choosing the Pharata 3.5L Cool Mist Humidifier. This device is designed to improve air quality and comfort in your home by adding moisture to the air. It also functions as an essential oil diffuser and features a soothing night lamp. Please read this manual thoroughly before operation to ensure safe and efficient use.

**Figure 1.1:** Pharata 3.5L Cool Mist Humidifier. This image displays the humidifier's front view, showcasing its sleek white design, illuminated water tank with a blue light, and the touch control panel at the base.

## 2. SAFETY INSTRUCTIONS

---

- Always place the humidifier on a firm, flat, waterproof surface at least 12 inches (30 cm) away from walls and appliances.
- Do not immerse the base unit in water or other liquids.
- Unplug the humidifier before filling, cleaning, or moving it.
- Do not operate the humidifier with a damaged cord or plug.
- Keep out of reach of children and pets.
- Use only clean, cool tap water. Distilled or demineralized water is recommended to prevent mineral buildup.
- Do not add essential oils directly into the water tank unless specified for diffuser function; use the designated essential oil tray if available, or add directly to the water as this model supports.
- Do not block the mist outlet.
- This appliance has an automatic shut-off function when the water level is low.

## 3. PRODUCT OVERVIEW

---

### 3.1 Components

- Water Tank (3.5L capacity)
- Base Unit with Ultrasonic Atomizer
- Top Cover / Mist Outlet
- Control Panel (Touch Buttons)
- Power Cord

### 3.2 Key Features

- **3-in-1 Functionality:** Humidifier, Essential Oil Diffuser, and Night Lamp.
- **Top-Fill Design:** Easy and convenient water refilling and cleaning.
- **Large Capacity:** 3.5L tank provides up to 32 hours of continuous mist on a low setting.
- **Adjustable Mist Output:** Low and High mist settings.
- **Timer Function:** Set operation for 2, 4, or 6 hours.
- **7-Color Night Lamp:** Creates a soothing ambiance, with an option to fix a color or turn off.
- **Automatic Shut-Off:** Device powers off when water level is low for safety.
- **Quiet Operation:** Operates at less than 24dB, suitable for bedrooms and nurseries.

## 4. SETUP

---

### 4.1 Unpacking

Carefully remove all packaging materials and ensure all components are present. Retain packaging for future storage or transport.

### 4.2 Placement

Place the humidifier on a flat, stable, and water-resistant surface. Ensure it is at least 12 inches (30 cm) away from any walls, furniture, or electronic devices to allow for proper mist dispersion and prevent damage.

### 4.3 Filling the Water Tank

1. Remove the top cover of the humidifier.
2. Pour clean, cool tap water directly into the water tank up to the 'MAX' line. Do not overfill. Distilled or demineralized water is recommended to minimize mineral residue.
3. Replace the top cover securely.

**Figure 4.1:** Easy top-fill design. This image illustrates a hand pouring water directly into the open top of the humidifier, highlighting the convenience of its design.

### 4.4 Adding Essential Oils (Optional)

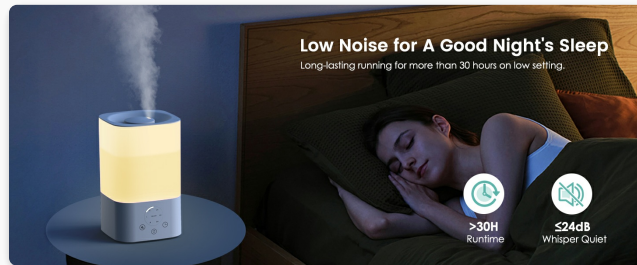

To use the diffuser function, add a few drops of your preferred essential oil directly into the water tank along with the water. The ultrasonic technology will disperse the aroma with the mist.

**Figure 4.2:** Adding essential oils. This image shows a hand carefully dripping essential oil into the humidifier's water reservoir, demonstrating the process for using its diffuser function.

## 5. OPERATING INSTRUCTIONS

Plug the power cord into a standard electrical outlet. The humidifier is now ready for operation.

**Figure 5.1:** Touch control panel. This image provides a close-up view of the humidifier's touch-sensitive control panel, showing a finger interacting with the central ON/OFF button, surrounded by mist level, timer, and light controls.

## 5.1 Power On/Off and Mist Control

- Touch the central **ON/OFF** button to turn the humidifier on. It will start operating on the low mist setting.
- Touch the **Mist Level** button (indicated by a water droplet icon) to cycle between Low (L) and High (H) mist output.
- Touch the central **ON/OFF** button again to turn the humidifier off.

## 5.2 Timer Setting

- Touch the **Timer** button (indicated by a clock icon) to set the operating duration.
- Available settings are 2 hours (2H), 4 hours (4H), and 6 hours (6H). The humidifier will automatically shut off after the selected time.

## 5.3 Night Light Operation

- Touch the **Light** button (indicated by a light bulb icon) to turn on the 7-color changing night light.
- Touch the button again to cycle through and fix a specific color.
- Touch the button a third time to turn the night light off.

## 5.4 Sleep Mode

- Touch the **Sleep Mode** button (indicated by a crescent moon icon) to activate sleep mode.
- In sleep mode, the mist output will be set to low, and the night light will automatically turn off after 5 seconds to ensure an undisturbed sleep environment.

**Figure 5.2:** Humidifier in sleep mode. This image shows the humidifier emitting a gentle mist with a warm yellow night light, placed on a bedside table next to a sleeping woman, illustrating its quiet operation and soothing light for sleep.

## 6. MAINTENANCE

---

Regular cleaning is essential to maintain optimal performance and hygiene of your humidifier.

### 6.1 Daily Maintenance

- Unplug the humidifier.
- Empty any remaining water from the tank.
- Wipe the water tank and base with a clean, dry cloth.

### 6.2 Weekly Cleaning

1. Unplug the humidifier and remove the top cover.
2. Empty all water from the tank and base.
3. Wipe the inside of the water tank and the base with a soft cloth and mild detergent. Rinse thoroughly with clean water.
4. To clean the ultrasonic atomizer (the small disc in the center of the base), gently wipe it with a soft brush or cotton swab. Do not use abrasive materials.
5. Allow all parts to air dry completely before reassembling or storing.

**Figure 6.1:** Easy cleaning. This image shows a hand wiping the interior of the humidifier's water tank with a cloth, demonstrating the accessibility for thorough cleaning.

### 6.3 Descaling (Monthly or as needed)

If you notice mineral buildup (white residue), descale the humidifier:

1. Unplug the humidifier.
2. Pour 1 cup (240ml) of undiluted white vinegar into the water tank and base.
3. Let it soak for 20-30 minutes.
4. Use a soft brush or cloth to clean any mineral buildup.
5. Rinse the tank and base thoroughly with clean water until the vinegar smell is gone.

### 6.4 Storage

When not in use for an extended period, clean the humidifier thoroughly, ensure all parts are dry, and store it in a cool, dry place.

## 7. TROUBLESHOOTING

Problem	Possible Cause	Solution
No mist or low mist output	Low water level Mineral buildup on atomizer Mist outlet blocked	Refill water tank Clean the ultrasonic atomizer (see Maintenance) Ensure mist outlet is clear
Unusual odor	Dirty water tank Stagnant water	Clean the water tank and base thoroughly Change water daily
Water leakage	Top cover not properly seated Overfilling	Ensure top cover is securely in place Do not fill water above the 'MAX' line
Humidifier turns off unexpectedly	Water tank empty Timer function activated	Refill water tank Check timer settings

## 8. SPECIFICATIONS

Feature	Detail
Model Name	Upgraded 10052
Capacity	3.5 Liters
Power/Wattage	25 Watts
Voltage	120 Volts
Material	Polypropylene
Runtime	Up to 32 hours (on low setting)
Operation Mode	Ultrasonic
Noise Level	Less than 24dB
Coverage Area	Up to 380 Square Feet
Dimensions (Product)	17D x 17W x 27.9H Centimetres
Special Features	Aroma Diffuser, Auto Shut Off, Night Light, Quiet, Timer

## 9. WARRANTY AND SUPPORT

---

### 9.1 Warranty Information

The Pharata 3.5L Cool Mist Humidifier is backed by a **24-month warranty** from the date of purchase. This warranty covers manufacturing defects and ensures reliable performance. Please retain your proof of purchase for warranty claims.

### 9.2 Customer Support

For any questions, concerns, or technical assistance regarding your Pharata humidifier, please contact our customer support team. Refer to the contact information provided with your product packaging or visit the official Pharata website for support details.
