5Rcom Swivel TV Floor Stand Instruction Manual

Model: B0FFSCRJ8F

Brand: 5Rcom

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your 5Rcom Swivel TV Floor Stand. Please read these instructions thoroughly before installation and retain this manual for future reference. This stand is designed to support 32-60 inch flat or curved televisions weighing up to 88 lbs (40 kg).

2. SAFETY INFORMATION

- **Weight Capacity:** Do not exceed the maximum weight capacity of 88 lbs (40 kg).
- **TV Size:** Compatible with televisions between 32 and 60 inches.
- **VESA Compatibility:** Ensure your TV's VESA mounting pattern is between 100x100mm and 400x400mm.
- **Stability:** The stand features a thick engineered wood base for enhanced stability. Always place the stand on a flat, level surface.
- **Secure Assembly:** Ensure all screws and connections are securely tightened before mounting the television.
- **Children and Pets:** The robust design helps prevent tipping, making it suitable for households with children or pets. However, always supervise children around the stand.
- **Two-Person Installation:** It is recommended to have two people for safely lifting and mounting the television onto the stand.

3. PACKAGE CONTENTS

Please refer to the packaging for a complete and accurate list of included components. Typically, the package includes:

- Base (Engineered Wood)
- Support Pole (Alloy Steel)
- TV Mounting Bracket
- Hardware Kit (various screws, washers, spacers for TV mounting)
- Cable Management Clips
- Assembly Tools (e.g., Allen wrench)

4. SETUP AND ASSEMBLY INSTRUCTIONS

This stand is designed for drill-free assembly. Follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in Section 3 are present and undamaged.
2. **Assemble Base and Pole:** Attach the support pole to the engineered wood base using the provided hardware. Ensure the connection is firm and secure.

3. **Attach TV Mounting Bracket:** Secure the TV mounting bracket to the top of the support pole.
4. **Prepare TV for Mounting:** Attach the VESA adapter brackets to the back of your television using the appropriate screws, washers, and spacers from the hardware kit. Refer to your TV's manual for specific VESA hole locations.
5. **Mount TV:** With assistance, carefully lift the television and hook the VESA adapter brackets onto the TV mounting bracket on the stand. Secure the TV to the stand using the safety screws or clips provided.
6. **Cable Management:** Use the included cable management clips to route and organize your TV cables along the support pole for a tidy appearance.

Wide Compatibility

5. OPERATING INSTRUCTIONS

5.1 Height Adjustment

The TV stand offers multiple height adjustment levels to optimize your viewing experience. You can adjust the TV height to one of three positions: approximately 50.9 inches, 52.9 inches, or 54.8 inches from the floor to the center of the TV.

5.2 Swivel Function

The TV mount allows for a smooth swivel of up to ± 35 degrees (70 degrees total range) left or right. This feature enables you to adjust the viewing angle for optimal visibility from various positions in the room.

WHAT MAKES IT MORE STABLE & SAFER?

BASE FEET SUPPORT:

The TV will not tilt back. Providing more security for your family.

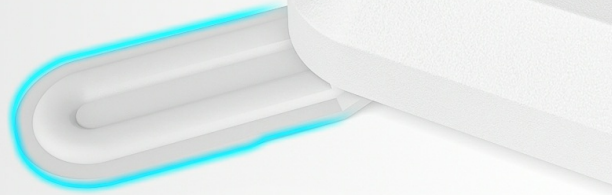

Image: Shows the 70-degree swivel in action, providing flexible viewing.

5.3 Foldable Supporting Feet

The base includes adjustable supporting feet that can be folded inwards or extended outwards. Fold them in to position the stand flush against a wall, saving space. Extend them for enhanced stability in open areas or when greater support is desired.

6. MAINTENANCE

- **Cleaning:** Wipe the stand with a soft, dry cloth. Avoid using abrasive cleaners, solvents, or chemical-based products, as these may damage the finish.
- **Periodic Checks:** Periodically inspect all screws, bolts, and connections to ensure they remain tight and secure. Re-tighten if necessary.
- **Cable Management:** Regularly check cable management clips to ensure cables are neatly organized and not pinched.

7. TROUBLESHOOTING

- **Issue: Stand feels unstable.**
Solution: Ensure all assembly screws are fully tightened. Verify that the television's weight and size are within the specified limits (max 88 lbs, 32-60 inches). Place the stand on a firm, level surface. If not against a wall, ensure the supporting feet are extended for maximum stability.
- **Issue: TV is not level after mounting.**
Solution: Check that the VESA adapter brackets are installed evenly on the back of the TV and that the TV is properly seated on the stand's mounting bracket. Adjust as needed.
- **Issue: Difficulty swiveling the TV.**
Solution: Ensure there are no obstructions preventing the TV from swiveling. Check that the swivel mechanism is clean and free of debris.

8. SPECIFICATIONS

- **Brand:** 5Rcom
- **Model:** B0FFSCRJ8F
- **Compatible TV Sizes:** 32-60 inches
- **Maximum Load Capacity:** 88 lbs (40 kg)
- **VESA Compatibility:** 100x100mm to 400x400mm
- **Height Adjustment Levels:** Approximately 50.9", 52.9", 54.8" (from floor to TV center)
