Aoxun 22 Cu.Ft Outdoor Storage Cabinet

INSTRUCTION MANUAL

1. Introduction

This manual provides essential information for the assembly, operation, and maintenance of your Aoxun 22 Cu.Ft Outdoor Storage Cabinet. Please read these instructions carefully before beginning assembly or use to ensure safe and efficient operation. Keep this manual for future reference.

2. Safety Information

Your safety is paramount. Please adhere to the following guidelines:

- Always follow assembly instructions precisely.
- Use appropriate tools and safety gear, such as gloves and eye protection, when handling components. Be aware of potential metal splinters during assembly.
- Ensure the storage cabinet is placed on a stable, level surface to prevent tipping.
- Do not overload shelves. Each adjustable shelf supports up to 75 LBS. The total weight limit for the cabinet is 150 Pounds.
- Keep the cabinet away from heat sources and flammable materials.
- Consult a professional if you are unsure about any aspect of assembly or use.

- Inspect all parts upon delivery for any damage. Report any issues before assembly.

3. Product Overview

The Aoxun 22 Cu.Ft Outdoor Storage Cabinet is designed for versatile storage in various environments. Key features include:

- **Customizable Storage Capacity:** Features 2 adjustable and removable shelves, each supporting up to 75 LBS, allowing flexible organization.
- **Space-Saving Large Capacity:** Compact vertical design (29.5"W x 17.3"D x 68.3"H) maximizes storage in tight spaces, holding 22 Cu.Ft.
- **Durable All-Weather Protection:** Constructed from heavy-duty galvanized steel, designed to withstand sun and rain for year-round outdoor use.
- **Secure Lockable Shelter:** Features a seamless welded frame and a lock-ready door (padlock not included) to protect contents from moisture, pests, and theft.

4. Setup and Assembly

Assembly of the Aoxun Storage Cabinet requires careful attention to detail. A comprehensive step-by-step instruction manual with diagrams is included in the product packaging. Please refer to that document for detailed assembly steps.
General Assembly Tips:

- Unpack all components and verify against the parts list provided in the separate assembly guide.
- Lay out all parts on a clean, flat, and soft surface to prevent scratches.
- Many parts are covered with a thin protective film. Remove this film carefully from each piece before assembly. This process may be time-consuming; patience is advised.
- Wear gloves during assembly to protect your hands from sharp edges or potential metal splinters.
- Ensure all screws and fasteners are tightened securely, but do not overtighten.
- Pay close attention to the orientation of panels and doors to ensure proper alignment and prevent gaps.

5. Operating the Cabinet

Using your Aoxun storage cabinet is straightforward:

- **Storage:** Utilize the adjustable shelves to organize items efficiently. The shelves can be repositioned or removed to accommodate taller or bulkier objects.
- **Locking:** The cabinet features a lock-ready mechanism. For enhanced security, attach a padlock (not included) to the designated area on the door.
- **Placement:** This cabinet is suitable for both indoor and outdoor use. Ensure it is placed on a flat, stable surface. For outdoor use, consider anchoring it if in a windy area (anchoring hardware not included).

Figure 5: Adjustable shelf system for flexible storage.

6. Maintenance

Regular maintenance will prolong the life of your storage cabinet:

- **Cleaning:** Wipe down the exterior and interior surfaces with a damp cloth and mild detergent as needed. Avoid abrasive cleaners that could damage the finish.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Drainage:** Ensure the area around the base is clear of debris to allow for proper water drainage and prevent accumulation.
- **Rust Prevention:** While made of galvanized steel, inspect for any signs of rust, especially in areas where the coating might be compromised. Address promptly with appropriate rust treatment if needed.

7. Troubleshooting

If you encounter issues with your storage cabinet, consider the following:

- **Dents or Scratches on Arrival:** Inspect the packaging and product immediately upon delivery. Contact customer support with photos if significant damage is present before assembly.
- **Difficulty Removing Protective Film:** The film is designed to protect the finish. Peel slowly and carefully. If it tears, use a plastic scraper to gently lift edges.
- **Cabinet Feels Unstable:** Ensure the cabinet is on a completely level surface. Verify all assembly screws are securely tightened. For outdoor use, consider additional anchoring if in a high-wind area.
- **Gaps in Assembled Product:** This often indicates misalignment during assembly. Review the assembly instructions carefully and ensure panels are correctly oriented and fitted before tightening all fasteners. Loosen screws, adjust, and re-tighten.
- **Unclear Assembly Instructions:** If the included paper instructions are difficult to follow, search for online assembly videos or contact Aoxun customer support for clarification.

8. Specifications

Attribute	Detail
Brand	Aoxun
Material	Alloy Steel, Iron
Product Dimensions (D x W x H)	18"D x 30"W x 68"H
Item Weight	55 Pounds
Style	Garden
Base Material	Alloy Steel
Top Material Type	Metal
Water Resistance Level	Waterproof
Chamber Depth	18 Inches
Chamber Height	68 Inches
Chamber Width	30 Inches
Frame Material	Alloy Steel
Door Style	French Doors
Assembly Required	Yes
Weight Limit (per shelf)	75 Pounds

Attribute	Detail
Weight Limit (total)	150 Pounds
Manufacturer	Aoxun
Floor Area	3.9 Cubic Feet
Model Number	IS420BK01A-TC-6.27

9. Warranty and Support

Aoxun is committed to customer satisfaction. For any questions, concerns, or assistance with your product, please contact Aoxun Direct customer support. Information regarding returns and support can typically be found on the retailer's website where the product was purchased. This product generally includes a 30-day return policy.
