MXV H26004

MXV Farmhouse Coffee Table with Storage (Model H26004) Instruction Manual

This manual provides essential information for the safe and proper assembly, operation, and maintenance of your MXV Farmhouse Coffee Table with Storage.

1. IMPORTANT SAFETY INFORMATION

- The maximum weight recommendation for this coffee table is 56.2 pounds. Do not exceed this limit to ensure stability and prevent damage or injury.
- Always follow the assembly instructions carefully and completely.
- Keep all small parts and hardware away from children during assembly.
- Ensure all connections are securely fastened before using the table.
- Place the table on a flat, stable surface to prevent wobbling.

2. PRODUCT OVERVIEW

The MXV Farmhouse Coffee Table with Storage (Model H26004) is a square coffee table designed for living room use. It features a rustic wood grain finish on the tabletop, complemented by a white base with a farmhouse barn door pattern and decorative metal corners. A key feature is its hinged lifting tabletop, which provides access to a large, concealed storage compartment.

Video: This video demonstrates the key features of the MXV Farmhouse Coffee Table, including its wood grain finish, freeze-frame hinge mechanism, large hidden storage space, and exquisite table corner details.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all components and hardware listed in the included Assembly Guide are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Tabletop components
- Side panels with barn door pattern
- Base components
- Hinges and other metal hardware

- Screws and fasteners
- Assembly Guide
- Tools for assembly (screwdriver included)

4. SETUP AND ASSEMBLY

Assembly of the MXV Farmhouse Coffee Table is designed to be straightforward. All necessary tools are included in the package. Please follow the step-by-step instructions provided in the separate Assembly Guide for detailed visual instructions.

1. **Unpack and Identify:** Carefully unpack all components and lay them out. Compare them with the parts list in the Assembly Guide to ensure everything is present.
2. **Assemble the Base:** Follow the guide to connect the base components using the provided hardware.
3. **Attach Side Panels:** Secure the side panels to the base and to each other, forming the main body of the table.
4. **Install Hinged Mechanism:** Attach the freeze-frame hinges to the tabletop and the main body of the table as directed. Ensure correct orientation for proper lifting functionality.
5. **Secure Tabletop:** Fasten the tabletop to the hinged mechanism.
6. **Final Check:** Once assembled, gently lift and lower the tabletop to ensure smooth operation. Verify that all screws are tightened and the table is stable.

5. OPERATING INSTRUCTIONS

Using the Lifting Tabletop and Storage

The MXV Farmhouse Coffee Table features a hinged lifting tabletop that provides convenient access to a large, hidden storage compartment. This design allows for easy organization of various household items.

1. **To Open:** Gently lift the front edge of the tabletop. The integrated freeze-frame hinges are designed to hold the top securely in an open position, typically between 0 and 80 degrees, allowing hands-free access to the storage space.
2. **To Close:** Carefully push the tabletop downwards until it rests flush with the table base. Ensure no items are obstructing the closing mechanism.

Large Hidden Storage Space

Pillows

Sundries

Books

Toys

Image: The coffee table with its top lifted, showcasing the ample hidden storage space suitable for blankets, pillows, and books.

The internal compartment offers significant space for storing items such as blankets, pillows, books, and other sundries, contributing to a tidy living area.

6. MAINTENANCE

Proper care and maintenance will extend the life and appearance of your MXV Farmhouse Coffee Table.

- **Cleaning:** Wipe the surface with a soft, slightly damp cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the wood finish.
- **Spills:** Clean up spills immediately to prevent staining, especially on the wood grain tabletop.
- **Stability Check:** Periodically inspect all screws and fasteners. Tighten them as needed to maintain the table's structural integrity and prevent wobbling.
- **Protection:** Use coasters under drinks and placemats under hot items to protect the tabletop from heat marks and moisture rings.
- **Environment:** Avoid placing the table in direct sunlight or near heat sources, which can cause fading, warping, or cracking of the wood. Maintain a consistent room temperature and humidity level.

7. TROUBLESHOOTING

If you encounter any issues with your MXV Farmhouse Coffee Table, refer to the following common troubleshooting tips.

Table is Wobbly

- **Check Fasteners:** Ensure all screws and bolts are securely tightened. Loose connections are a common cause of instability.
- **Level Surface:** Verify that the table is placed on a flat, even surface. Uneven flooring can cause wobbling.
- **Re-assembly:** If wobbling persists, carefully review the assembly guide and consider partially disassembling and re-assembling the affected sections to ensure all parts are correctly aligned.

Lifting Top Does Not Stay Open

- **Inspect Hinges:** Examine the freeze-frame hinges for any visible damage, bending, or obstruction.
- **Correct Installation:** Confirm that the hinges were installed correctly according to the Assembly Guide. Incorrect orientation or loose screws can affect their functionality.
- **Weight Distribution:** Ensure no excessive weight is placed on the tabletop when attempting to keep it open, as this may exceed the hinge mechanism's capacity.

8. SPECIFICATIONS

Key specifications for the MXV Farmhouse Coffee Table (Model H26004):

Feature	Detail
Brand	MXV
Model Number	H26004
Product Dimensions (D x W x H)	31.1"D x 31.1"W x 17.9"H
