

Sweetcrispy SYHJ2-TVS-BK

Sweetcrispy TV Stand SYHJ2-TVS-BK Instruction Manual

Model: SYHJ2-TVS-BK | Brand: Sweetcrispy

1. INTRODUCTION

Thank you for purchasing the Sweetcrispy TV Stand. This modern mid-century entertainment center is designed to accommodate TVs up to 55-60 inches and offers practical storage solutions for your living room, bedroom, or office. Please read this manual carefully before assembly and use to ensure proper installation and safe operation.

2. SAFETY INFORMATION

- **Read all instructions:** Ensure you understand all assembly steps and safety warnings before beginning.
- **Use appropriate tools:** Use the provided tools or suitable alternatives. A power drill may expedite assembly but use with caution to avoid overtightening.
- **Handle with care:** Be cautious around soft-close hinges to prevent finger injury.
- **Stability:** Ensure the TV stand is assembled correctly and is stable on a level surface before placing any items, especially heavy electronics like a television, to prevent tip-over risks.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 150 lbs (68 kg).
- **Children Safety:** Keep small parts and packaging materials away from children during assembly.

3. PACKAGE CONTENTS

Before assembly, verify that all parts and hardware are present. Each part is numbered for easy identification. If any parts are missing or damaged, please contact customer support.

Component	Description	Quantity
TV Stand Panels	All wooden panels for the frame, shelves, and doors.	Varies
Legs	5 support legs (4 outer, 1 adjustable center).	5

Component	Description	Quantity
Hardware Kit	Screws, dowels, soft hinges, door knobs, foot pads.	1 set
Assembly Tools	Basic tools required for assembly.	1 set
User Manual	This instruction guide.	1

4. ASSEMBLY INSTRUCTIONS

Follow the detailed installation manual provided in the package. Each part is numbered to guide you through the process. For visual assistance, installation videos are also available.

- 1. Unpack and Identify:** Carefully unpack all components and lay them out. Identify each part using the numbering in the manual.
- 2. Assemble Frame:** Begin by assembling the main frame of the TV stand according to the step-by-step diagrams.
- 3. Install Shelves:** Insert the adjustable center shelf into your desired height level. The shelf offers 3-level adjustment.
- 4. Attach Legs:** Securely attach the 5 support legs. Ensure the foot pads are in place to protect your floor. Adjust the center leg if necessary to ensure stability on uneven surfaces.
- 5. Mount Doors:** Attach the cabinet doors using the soft hinges. You can tighten or loosen the hinges to ensure a tight and smooth door closure.
- 6. Final Check:** Once assembled, gently shake the stand to confirm stability. Ensure all screws are tightened.

PRODUCT SIZE

★★★★★ Quick, easy assembly

Reviewed in the United States

Great minimalist TV stand that's (mostly) easy to assemble and is fairly sturdy when finished. Soft-close doors are a great benefit.

I ordered this TV stand for a kids' playroom. Assembly was pretty straightforward, and all of the necessary tools were included. I had the whole thing together in less than 45 minutes, and the finished product is sturdy enough to hold a good-sized television and accessories.

5. PRODUCT FEATURES

- **Mid-Century Modern Design:** Stylish pure black finish with a sleek aesthetic.
- **Ample Storage:** Two cabinets with soft-hinge doors and an open center shelf.

- **Adjustable Shelf:** The center shelf can be adjusted to 3 different height levels to accommodate various items.
- **Cable Management:** Integrated cable holes behind each cabinet help keep wires organized and out of sight.
- **Sturdy Construction:** Made from high-quality engineered wood with 5 robust legs, including an adjustable center leg for enhanced stability.
- **Floor Protection:** Foot pads on each leg prevent scratches to your flooring.
- **Easy Cleaning Access:** The leg design provides sufficient space underneath for cleaning robots or manual cleaning.

CABLE MANAGEMENT HOLE

6. USAGE

This TV stand is designed for indoor use to support televisions up to 60 inches and store media devices, books, and decorative items. Ensure the weight of your television and other items does not exceed the maximum capacity of 150 lbs.

- **TV Placement:** Place your TV centrally on the top surface.
- **Storage:** Utilize the two cabinets for concealed storage and the open shelf for frequently accessed items or display.
- **Cable Organization:** Route all cables through the designated cable management holes to maintain a tidy appearance and prevent tripping hazards.

7. MAINTENANCE

- **Cleaning:** Wipe the TV stand with a dry or damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent water damage or staining. The engineered wood surface is designed to be water and stain-resistant.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight and secure.
- **Hinge Adjustment:** If cabinet doors do not close properly, adjust the soft hinges as needed.

HIGH QUALITY PARTICLEBOARD

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Stand is wobbly/unstable.	Loose screws; uneven floor; center leg not adjusted.	Tighten all assembly screws. Adjust the center leg to ensure all 5 legs make contact with the floor. Place on a level surface.
Cabinet doors do not close properly.	Hinges are loose or misaligned.	Tighten or loosen the soft hinges on the door to adjust alignment. Refer to the assembly manual for hinge adjustment details.
Missing parts.	Packaging error.	Contact Sweetcrispy customer support with your purchase details.

- **Special Features:** 3-Level Adjustable Shelf, Soft Hinges, Cable Management Holes, Adjustable Middle Feet, Anti-scratch Foot Pads.

★★★★★ **Perfect!**

Reviewed in the United States

I was looking for something smaller but budget friendly and this nailed it.

The little cabinets store enough!

Assembly is easy at the same time.
