4. MAINTENANCE

To ensure the longevity and proper functioning of your SEDETA L Shaped Standing Desk, follow these maintenance guidelines:

- Regularly clean the desk surfaces with a soft, damp cloth. Avoid abrasive cleaners.
- Periodically check all screws and connections to ensure they are tight.
- Always use the on-off switch on the charging station to ensure safe electricity use when not in use or during power fluctuations.
- Avoid placing excessive weight on the desk, adhering to the maximum load capacity of 352 lbs.

5. TROUBLESHOOTING

If you encounter any issues with your SEDETA L Shaped Standing Desk, please refer to the following common troubleshooting tips:

- **Desk not adjusting height:** Check all power connections. Ensure the power cord is fully inserted into the wall outlet and the desk's power input. Verify the on-off switch on the charging station is in the "on" position.
- **LED lights not working:** Ensure the LED light strip is properly connected to its power source. Check the remote control battery or the mobile app connection.
- **Missing or damaged parts:** If your desk arrives damaged, scratched, or with missing parts, please contact SEDETA customer service immediately for a free replacement or partial refund.
- **Desk wobbles:** Ensure all assembly screws are securely tightened. Verify the desk is placed on a level surface.
