3. SETUP INSTRUCTIONS

1. **Charge the Device:** Before first use, fully charge the tattoo pen using the provided USB-C cable. The 2000mAh battery takes approximately 2 hours to fully charge and provides 6-8 hours of working time. The LCD screen will indicate the battery level.
2. **Install the Battery:** Ensure the battery is securely installed into the tattoo pen.
3. **Insert Cartridge Needle:** Carefully insert a tattoo cartridge needle into the pen's needle port.
4. **Lock the Needle:** Rotate the needle cartridge clockwise until it is securely locked in place.
5. **Adjust Needle Depth:** Twist the grip of the tattoo pen to adjust the needle depth. The adjustable range is 0-3.5mm.

Easy to Use

4. OPERATING INSTRUCTIONS

1. **Power On/Off:** Press the power switch button on the pen to turn the device on or off. The LCD screen will illuminate.
2. **Adjust Voltage:** Use the '+' and '-' keys to adjust the output voltage. The voltage is adjustable from 5V to 12V in 0.5V intervals. The LCD screen displays the current voltage and working time.
3. **Begin Tattooing:** Once the needle depth and voltage are set, the device is ready for use. The powerful motor ensures stable performance for precise line work, shading, and color packing.

5. MAINTENANCE

- **Cleaning:** After each use, ensure the tattoo pen is properly cleaned and disinfected according to standard hygiene practices for tattoo equipment.
- **Storage:** Store the tattoo machine kit in a clean, dry place away from direct sunlight and extreme temperatures.
- **Needle Disposal:** Dispose of used cartridge needles safely in a sharps container.

6. TROUBLESHOOTING

- **Device Not Turning On:** Ensure the battery is fully charged and correctly installed.
- **Inconsistent Needle Movement:** Check that the cartridge needle is securely locked and not damaged. Verify the voltage setting.
- **Short Battery Life:** Ensure the device is fully charged before use. Battery performance may vary based on usage and voltage settings.

7. SPECIFICATIONS

Model Number	GK-CE06
Manufacturer	GEEKERA
